NEWS RELEASE

HOT WEATHER HINTS

Frederick O. Mueller, Ph.D.
University of North Carolina at Chapel Hill

Early fall football, cross country, soccer and field hockey practice are conducted in very hot and humid weather in many parts of the United States. Due to the equipment and uniform needed in football, most of the heat problems have been associated with football. Under such conditions the athlete is subject to:

- **Heat Cramps** - painful cramps and spasms of active muscles - most common of the calf muscle -caused in intense, prolonged exercise in the heat and depletions of water and salt due to sweating.
- **Heat Fatigue** - feeling of weakness and tiredness caused by depletions of water and salt due to sweating and exercise in the heat.
- **Heat Exhaustion** - characterized by extreme weakness, exhaustion, headache, dizziness, profuse sweating and sometimes unconsciousness caused by extreme depletion of water and salt. Key feature that is different in heat exhaustion from heat stroke is the sweating skin.
- **Heat Stroke** - an acute medical emergency caused by overheating from a breakdown of the thermoregulatory mechanism. Associated with high rectal temperature, lack of sweating, disorientation, seizures and possible unconsciousness or coma. It may also occur suddenly without being preceded by any of the other clinical signs. The individual is usually unconscious with a hot, dry skin and a rising rectal temperature.

It is felt that the above heat stress problems can be controlled provided certain precautions are taken. The following practices and precautions are recommended:

1. Each athlete should have a physical examination with a medical history when first entering a program and an annual health history update. History of previous heat illness and type of training activities before organized practice begins should be included. State high school associations recommendations should be followed.
2. It is clear that top physical performance can only be achieved by an athlete who is in top physical condition. Lack of physical fitness impairs the performance of an athlete who participates in high temperatures. Coaches should know the PHYSICAL CONDITION of their athletes and set practice schedules accordingly.
3. Along with physical conditioning the factor of acclimatization to heat is important. Acclimatization is the process of becoming adjusted to heat and it is essential to provide for GRADUAL ACCLIMATION TO HOT WEATHER ACTIVITIES. It is necessary for an athlete to exercise in the heat if he is to become acclimatized to it. It is suggested that a graduated physical conditioning program be used and that 80% acclimatization can be expected to occur after the first 7-10 days. Final stages of acclimatization to heat are marked by increased sweating and reduced salt concentration in the sweat.
4. The old idea that water should be withheld from athletes during workouts has NO SCIENTIFIC FOUNDATION. The most important safeguard to the health of the athlete is the replacement of water. Water must be on the field and readily available to the athlete at all times. It is recommended that a minimum 10-minute water break be scheduled for every half hour of heavy exercise in the heat. Athletes should rest in a shaded area during the break. WATER SHOULD BE AVAILABLE IN UNLIMITED QUANTITIES. Check and be sure athletes are drinking the water. Cold water is preferable. Taking ample water before practice or games has also been found to aid performance in the heat.
5. Salt should be replaced daily. Modest salting of foods after practice or games will accomplish this purpose. Salt tablets and glucose-electrolyte solution are not recommended. ATTENTION MUST BE DIRECTED TO REPLACING WATER - FLUID REPLACEMENT IS ESSENTIAL.
6. Know both the TEMPERATURE and HUMIDITY. The greater the humidity the more difficult it is for the body to cool itself. Use of a sling psychrometer is recommended to measure the relative humidity. The following precautions are recommended when using wet-bulb temperature:
   66F - Safe but be sure to observe athletes most susceptible to heat.
   66 - 78F - Caution - unlimited water on field and cold water is preferable.
   78F and above - Danger level - alter practice routine, mandatory water breaks and withhold susceptible athletes.
7. Cooling by evaporation is proportional to the area of skin exposed. In extremely hot and humid weather reduce the amount of clothing covering the body as much as possible. NEVER USE RUBBERIZED CLOTHING.
8. Athletes should weigh each day before and after practice WEIGHT CHARTS CHECKED. Generally a 3-percent weight loss through sweating is safe and over a 3-percent weight loss is in the danger zone. Over a 3-percent weight loss the athlete should not be allowed to practice in hot and humid conditions. Observe them closely under all conditions.
9. Watch athletes carefully for signs of trouble, particularly athletes who lose much weight, overweight athletes, and the eager athlete who constantly competes at his capacity. Some trouble signs are nausea, incoherence, fatigue, weakness, vomiting, cramps, weak rapid pulse, visual disturbance and unsteadiness.
10. Teams that encounter hot weather during the season, through travel or following an unseasonably cool period, should be physically fit but will not be environmentally fit. Coaches in this situation should follow the above recommendations and substitute more frequently during games.
11. Know what to do in case of such an emergency. Be familiar with immediate first aid practice and prearranged procedures for obtaining medical care including ambulance service.

HEAT STROKE - THIS IS A MEDICAL EMERGENCY - DELAY COULD BE FATAL. Immediately cool body while waiting transfer to a hospital. Remove clothing and use cool water. An increasing number of medical personnel are now using a treatment for heat illness that involved applying either alcohol or cool water to the victim's skin and vigorously fanning the body. The fanning causes evaporation and cooling. (Source - The First Aider - September 1987)

BOARD OF CONTROL

President - Sam Chandler (1986-1990) Shelbyville; Vice-President - David Points (1988-1991) Mt. Sterling; Directors -Sandy Allen (1988-1992) Louisville, Huston DeHaven (1987-1991) Hardinsburg, Charles Henry (1988-1992) Paducah, Alvis Johnson, (1989-1993) Harrodsburg, Pearl Ray Lefevers (1988-1992) Kettle Island, Charles Miller (1986-1990) Louisville, Marvin Moore (1988-1992) Morehead, Jack Portwood (1989-1993) Stanford, Bob Rogers (1989-1993) Murray, Liz Trabandt (1988-1991) Ashland; State Department of Education - Harry Loy, Frankfort.

HEAT EXHAUSTION - OBTAIN MEDICAL CARE AT ONCE. Cool body as you would for heat stroke while waiting for transfer to a hospital. Give fluids if athlete is able to swallow and is conscious.

SUMMARY - The main problem associated with exercising in hot weather is water loss through sweating. Water loss is best replaced by allowing the athlete to drink as much water as he likes, whenever he wishes. The small amount of salt lost in sweat is adequately replaced by salting food to individual taste at mealtime. Talk to your medical personnel concerning emergency treatment plans.

VOLLEYBALL COMMITTEE MINUTES
June 19, 1989

The Volleyball Committee met at the Kentucky High School Athletic Association Office in Lexington, Kentucky, on Monday, June 19, 1989. The meeting was called to order at 2:00 p.m. by Brigid L. DeVries, Assistant Commissioner. Committee members present included Margi McKenna, Joan Mitchell, Katie Wessling and Mike Whitehouse.

The first item on the agenda was a discussion of regional tournaments and sites. Ms. DeVries advised the Committee of a few possible additions to the teams in each region. The 1988 regional sites were discussed and committee members will check their availability for the 1989 tournaments. Regional tournaments will be double elimination again this year.

Katie Wesseling made a motion, seconded by Margi McKenna, that the teams not change benches for the 1989 season including regional and state tournament play. The motion carried unanimously.

The Committee then discussed the items on the Regional Information Sheet and made some corrections for the coming year.

A discussion followed regarding the site for the 1989 State Volleyball Tournament to be held October 27-28. The University of Kentucky submitted a proposal to host the tournament at Memorial Coliseum in Lexington, and Seneca High School in Louisville submitted a bid also. A visit to Seneca High School by the K.H.S.A.A. staff will be made, and the site will be determined at a later date. Committee members were very pleased with the 1988 Tournament held at the University of Kentucky.

The State Tournament format was the next topic of discussion. The winner and runner-up will advance from the Regional Tournaments. Some minor revisions were made on the tournament information which will be sent to the schools.

The State Tournament Draw was conducted. Winners and runners-up from the same region were placed in opposite brackets. Only Reginal winners were eligible for byes. Following a discussion of the State Tournament time schedule, it was decided to leave it as is for the 1989 tournament. Committee members thought the semi-final schedule on Saturday, with teams playing one after the other, was preferable to playing simultaneously as was done in the past.

The next item on the agenda was the officials fees. There will be no change in fees for the 1989-90 school year. Umpires and referees will receive $18.00 per match for regular season varsity play. Regional tournament fees are $20.00 and State Tournament fees are $25.00 per match plus a travel expense.

Ms. DeVries announced the tentative times and sites for the Clinics. They are as follows:

Tuesday, August 15, Iroquois H.S., Louisville
Thursday, August 17, Dixie Heights H.S., Ft. Mitchell
Tuesday, August 22, Sportsworld, Lexington

A brief discussion followed regarding the 1989-90 National Federation Volleyball rules. The most significant change was in rule 2-1-4 which permits either a 2 or 4 inch center line.

Following a discussion regarding the Limitation of Seasons, it was decided that some clarification was needed on practice and play during the summer. At the end of the academic school year, volleyball teams may play and practice in non-school related tournaments and activities. It is also permissible for their high school coach(s) to work with them at this time. However, a member school may not officially start practice for the high school season until July 15, 1989. K.H.S.A.A. catastrophic insurance coverage will not be in effect until this date.

By-Law 25 further states that the season ends at all levels of play at the conclusion of the varsity teams last regular season contest, and there should be no further practice or play during the remainder of the academic school year. This applies to involvement by the head coach as well as the assistant coach of member schools. Margi McKenna recommended that a proposal regarding the first regular season volleyball match be submitted to the Board of Control. The proposal stated that the first match be allowed during the last full week in August, effective for the 1990-91 season. The proposal will be submitted to the Board of Control at their next meeting.

Ms. DeVries invited committee members to contribute to the volleyball newsletter *Sideout*.

There being no further business, the meeting was adjourned.

REMINDER TO SCHOOLS CONCERNING LIMITATION OF SEASONS

All schools are reminded of the Limitation of Seasons Rules, K.H.S.A.A. By-Law 27, as it applies to competition after the conclusion of the regular season. ALL SPORTS are affected by this rule, which states that following the teams' last regular season match, there shall be no further practice or play as a team for the remainder of the school year, with the exception of the K.H.S.A.A. tournament. Please be sure your coaches are aware of this important rule, and that they are not involved in coaching the team in an outside league, or other competition. For the high school coach, be they the Head Coach or an assistant coach, to coach members of the high school team in a league outside of the school's legal regular season competition, regardless of the type of league, would be a violation of the rules governing the Limitation of Seasons.

CONGRATULATIONS TO ATHLETIC TRAINING SCHOLARSHIP WINNER

Ms. Cathy Burns, a senior at Boyd County High School in 1989, is the 1989 recipient of the Tom Simmons Athletic Training Scholarship. The scholarship is awarded by the Kentukcy Athletic Trainer Society in honor of Tom Simmons, Athletic Trainer Emeritus at Murray State University. Ms. Burnse was selected based on her academic records, her work as a student trainer, her interest in the profession of athletic training, and other related activities. She is attending the University of Louisville beginning this fall, and will be working in their athletic training program. Congratulations to Cathy Burns, the 1989 Tom Simmons Athletic Training Scholarship winner.

NOTES CONCERNING ACADEMIC ALL STATE NOMINATIONS

The certificates for persons being named Academic All State Teams for the Spring Sports were mailed to the member school athletic directors who submitted nominations in late August. Please note, that if your school uses a weighted grade point average, or some other system which is not a standard 4.0 system, you will need to convert the grades to a 4.0 scale for your athletes to receive consideration. Thanks again for your cooperation.

OPEN DATES FOR BASKETBALL SCHOOLS

Assumption needs three more girls teams to play in the Holiday Jamboree to be held December 28 and 29. Interested schools should contact Coach Carolyn Medley, Assumption High School, 2170 Tyler Lane, Louisville, 40205, or call (502)458-9551.

Bardstown has three open dates for boys basketball, 11/28, I2/12, and 1/23. Contact Garnis Martin, A.D., (502)348-1674.

Laurel County has several openings on its boys basketball schedule, including 11/28, 12/8 and 1/30. Contact Coach Charles Broughton (606)864-7371, or (606)843-7208.

Madisonville-North Hopkins has severall open dates for boys varsity and junior varsity basketball. The open dates are as follows -- 11/30, 12/7, 12/8, 12/18 and 12/19, 1/18, 1/19 and 2/12. Contact J.E. Barlow, A.D., (502)825-6017.

Oldham County needs boys games on 12/15/89, 12/27-30/89, 1/12/90, 1/30/90, 2/9/90 and 2/10/90. Interested schools should contact Coach Gary Forrest, or Tom Peterson, A.D., (502)222-9461.

Russell has open dates for boys basketball, 11/28, 1/23; and needs a girls' game on 2/12. Contact Jerry Klaiber, A.D.

CORRECTION ON WRESTLING CLINIC

In the pamphlet describing the re-registration procedure, the wrestling clinic schedule contained a minor error. The site of the November 21 clinic in Louisville will be the Kentucky School f/t Blind, not Seneca High School as was stated on the listing. Please make this correction.

CONGRATULATIONS TO PAUL HORNUNG

Congratulations are in order for Paul Hornung, former All-State performer in basketball and football at Flaget High School in Louisville. Hornung was inducted this summer into the National High School Sports Hall of Fame during inductions ceremonies held in Tampa, Florida. Hornung was a standout performer not only during his playing days at Flaget, but in his collegiate career at Notre Dame. As a member of the Fighting Irish, he was to win the Heisman trophy for his football exploits in addition to a short stint with the basketball team. After graduation, he moved on to become a standout with the Green Bay Packers including his selection as the NFL Most Valuable Player. Hornung is the second Kentuckian to be inducted into the National High School Hall of Fame. Former Owensboro great Cliff Hagan was inducted at the 1988 ceremony in Kansas City.

By-Law 27. Requirement for Coaches

Sec. 1. FACULTY COACHES

Head coaches and assistant coaches of interscholastic athletic teams and sponsors of cheerleading squads representing the common schools shall be certified teachers and members of their regular school faculties. They shall be duly employed by their respective boards of education and their entire salaries shall be paid by such board. They shall be employed a minimum of three (3) regular periods for teaching classes, including physical education; for supervision of study halls; and/or exercising responsibilities in other activity assignments within the school schedule. (R-I 51)

Sec. 2. PARAPROFESSIONALS

(1) In the event that the local board of education is unable to staff head or assistant coaching, or head or assistant cheerleader sponsor positions under the provisions of Section 1, the superintendent of the local school district may request the local board of education to approve the employment of person(s) holding a provisional or standard teaching certificate or having completed a minimum of sixty-four (64) semester hours of college credit as non-teaching paraprofessional head or assistant coaches or sponsors under the following provisions:

(a) The local board of education shall declare, after reasonable notice of a relevant position, that no qualified and certified member of the regular school faculty has applied for the position, pursuant to Section 1 of this By-Law;

(b) The position shall be filled by the best qualified person available, giving preference to the factors of academic preparation and teacher certification, prior teaching experience or related educational work, and personal attributes compatible with the demands of the position;

(c) The applicant shall have at least sixty-four (64) semester hours of credit from an accredited college or university, as documented by an official transcript;

(d) The applicant shall provide documentation of successful completion of a first aid course, including C.P.R., as approved by a college or University, the American Red Cross, or the American Heart Association, and such shall be timely and appropriately updated as required by the approving agency;

(e) Nonteaching paraprofessional assistants shall be employed and act under the direct supervision of a head coach or head cheerleader sponsor and under the authority of the principal and shall be evaluated and employed on an annual basis;

(f) The entire salary for the position shall be paid by the local board of education;

(g) Paraprofessional head coaches shall not, in any manner, be utilized with respect to high school varsity football or basketball teams.

(2) Nonteaching paraprofessional head and assistant coaches and sponsors utilized under this section shall have the full and same authority and responsibility, consistent with applicable law, as fully certified, teaching counterparts hired under the provisions of Section 1 of this By-Law, but such assistants may not:

(a) Act as head coaches or sponsors, except in those sports indicated, or in emergencies where the head coach or sponsor is unavailable, of junior varsity, freshman, elementary, or middle school, or any other non-varsity athletic team or cheerleading squad; or

(b) Act as the school faculty member or administrator required to accompany students on school-sponsored or school endorsed trips pursuant to KRS 161.185, and By-Law 16.

(3) As long as a non-certified paraprofessional with fewer than sixty-four (64) semester hours of college credit), is acting within the scope and authority set forth in 704 KAR 15:060 and KRS 161.010 and 161.044, he or she may be employed by a local board of education to carry out assigned responsibilities upon approval by the local board of a job description limited to the following duties:

(a) Assists the coaches in daily and long range athletic activities;

(b) Assists the coaches in planning the program;

(c) Conducts learning experiences, under the direction of the coaches, with small groups of athletes;

(d) Assists the coaches in guiding participants towards a harmonious team spirit;

(e) Alerts the head coach to the special needs of individual athletes;

(f) Provides escort assistance, and supervision of athletes during periods of team travel;

(g) Recommends to the head coach the purchase of equipment, supplies, and uniforms as appropriate for the health, safety, and welfare of student athletes;

(h) Perform other non-coaching duties assigned by the principal, athletic director, or head coach.

(4) No person failing to meet the provisions of sections 1,2 or 3 of this regulation shall be employed or allowed to participate in any supervisory capacity with interscholastic athletic teams or cheerleading squads, nor shall any otherwise qualified person exceed his respective duties as set forth in this By-Law.

(5) The requirements of this regulation shall be made a part of the rules, regulations, and bylaws of any organization or agency designated by the State Board of Education to manage interscholastic athletics and shall be made to apply by said organization or agency to all its member schools. (Revised, 9/14/88, State Board of Education)

Sec. 3. K.H.S.A.A. RULES CLINICS

Head coaches in baseball, basketball, football, soccer and wrestling shall attend a Kentucky High School Athletic Association sponsored rules clinic in the sport in which they are involved.

Sec. 4. C.P.R./FIRST AID REQUIREMENT

All Head Coaches employed by member schools in all sanctioned sports shall provide documentation of successful completion of a first aid course, including C.P.R., as approved by a college or University, the American Red Cross, or the American Heart Association, and such shall be timely and appropriately updated as required by the approving agency. (R-I 35)

Sec. 5. MEDICAL SYMPOSIUM REQUIREMENT

Head coaches in all sanctioned sports shall attend, on a bi-annual basis, the Sports Medicine Symposium sanctioned by the K.H.S.A.A. and conducted each summer, such requirement to be fulfilled and enforced in the following manner:

(a) Head coaches who did not attend a sanctioned medical symposium in 1988 shall be required to attend one of the symposiums in 1989 and bi-annually thereafter; otherwise, head coaches shall attend a symposium in 1990 and bi-annually thereafter;

(b) A make-up symposium shall be scheduled for early September of each school year with attendance only for those head coaches hired after the last day of the preceding school year.

(c) All public member schools of the K.H.S.A.A. shall pay the necessary expenses of coaches for the required attendance at the sanctioned Sports Medicine Symposium.

Sec. 6. PENALTIES FOR NON-COMPLIANCE

The K.H.S.A.A. shall impose one of the following penalties for those coaches required, but not properly in attendance at the required rules clinic (Sec. 3); not in compliance with the first aid/C.P.R requirement (Sec. 4); and/or not in compliance with the Medical Symposium Requirement (Sec. 5):

(Pen. 1) Not allowing the coach to perform coaching duties for one season in the sport(s) which was not represented; or

(Pen. 2) Not allowing the coach to perform coaching duties in K.H.S.A.A. sponsored championship competition for one season in the sport(s) which was not represented.

Sec. 7. COVERAGE

This regulation shall apply to all public and private schools which are members of the Association. (Adopted as amended, 1/11/89, State Board of Education)

FIRST PLACE - AMANDA ANN McMAKIN, BATH COUNTY HIGH SCHOOL

I feel that I have the qualities that Walt Disney based his "4 C's" on, not only because of my interscholastic activities, but also because of my active roles in a variety of community projects.

When I look back on my life I feel that attending a small school has given me some advantages that large school systems do not offer, in that all of my teachers personally know me and my capabilities, therefore challenging me to develop myself to my full potential and sparking my curiosity to expand my knowledge. This has encouraged me to go for the best, set my goals high, and through my scholastic achievements and involvement in a variety of clubs and organizations have given me the self confidence needed to be successful in my future endeavors.

I think that being actively involved in extracurricular activities and clubs is a very important part of developing one's character and teaching them to live up to the expectations of their peers. These activities have given me a perspective of what is expected of me in our society, and has also taught me the real meaning of responsibility. I am the type of person who faces my challenges and tries my best to make things successful.

I am grateful that I have had the opportunity to learn responsibility, and develop myself through my interscholastic involvements. These have given me greater appreciation of mankind and the courage to help me to meet and overcome the challenges of tomorrow.

SECOND PLACE - MARK STILES, SILVER GROVE HIGH SCHOOL

Interscholastic activities have become a major part of my high school years. Each activity has its' own influence on my life. My personality has improved greatly with the involvement of these activities. When a discussion arises in one of my interscholastic groups, I am the one who listens to my curiosity and asks, "What if" or suggests possible new and better ideas which usually proves to be correct. If there is one strong characteristic of myself, it is confidence. I feel that in order for someone to succeed, they should have much confidence. I do not just suggest ideas, I back them up with actions. If I have a job to do, I will tell you when it will be done and that it will be my best, and it always is. It is very difficult to succeed in life. Many kids my age will probably not amount to very much because they lack courage. It is so important to be courageous. It is worthless to join a club or team if you do not voice your opinion, even if you feel it is silly. By gaining much courage through interscholastic activities, it has prepared me for adulthood. What makes a student a great student? Constancy! Who wants a teammate who is unpredictable? We all need people we can count on. I earnestly strive for constancy . By practicing constancy in interscholastic activities, I have become a teammate and a friend that all can count on. Scholastic activities build the mind. Interscholastic activities provide the tools needed to use your mind to expand and succeed. Intelligence without work is dead. Curiosity, confidence, courage, and constancy are the characteristics of the total student.

THIRD PLACE - AMY MICHELLE LUSCHER, FRANKFORT HIGH SCHOOL

In this generation, it takes great effort for a student to excell scholastically. The odds seem to be stacking higher and higher against students and it requires a greater motivation to reach your goals. I have always been encouraged by my teachers to ask questions, to have faith in my abilities, to stand up for my beliefs and to set my goals and never lose sight of them.

I feel that in being involved in a variety of different interscholastic activities, I demonstrate a great curiosity. This curiosity can only be satisfied by jumping at every chance to try something new. I have not always been confident in my abilities. This attribute, having been instilled in me by my teachers and our school administration, has become my greatest asset. I have held many elected offices in my three years of high school and have also been selected for several leadership conferences and roles. One must have a good deal of courage to achieve anything in life. I've found myself drawing from an inner strength whether it be on the field, in the stands, in the classroom, or behind a podium facing the Junior Class. I have always been an honor roll student, while participating in extracurricular activities. I have set a goal for myself. The process in reaching it is slow and there are many setbacks but I will not be deterred.

MINUTES OF THE BOARD MEETING

July 28, 1989

The Board of Control of the Kentucky High School Athletic Association met at Barkley Lodge, Cadiz, Kentucky, on Friday, July 28, 1989. The meeting was called to order at 8:30 a.m. by President Tom Buchanan. Present were all Board Members, Commissioner Tom Mills, Executive Assistant Billy V. Wise, Assistant Commissioners Brigid DeVries and Louis Stout. Also present were Earl Cox, Consultant for Corporate Sponsorships, Julian Tackett, S.I.D., Harry Loy representing the State Department of Education and W.D. Kelley, a member of the State Board of Education. The Invocation was given by Tom Buchanan.

C.K. Henry made the motion, seconded by David Points, that the minutes of the April 20 Board meeting and the Called Meeting of June 18 be approved. The motion passed unanimously.

Marvin Moore made a motion that Sam Chandler be elected President of the Board for the 1989-90 school year and that David Points be elected Vice President. Alvis Johnson seconded the motion which carried unanimously.

Outgoing President Buchanan addressed the Board and then turned the meeting over to Mr. Chandler who thanked the Board for electing him President and placing their confidence in him.

Mr. Chandler gave a brief report on his attendance at the National Federation Meeting held in Saddlebrook, Florida.

President Chandler appointed the following committees:

Executive Committee:
Sam Chandler, Chairperson; Liz Trabandt, Vice Chairperson; Huston DeHaven, Alvis Johnson, Charlie Miller, Jack Portwood

All-Sports Committee:
Marvin Moore, Chairperson; C.K. Henry, Vice Chairperson; Sam Chandler, Huston DeHaven, Pearl Ray Lefevers, Bob Rogers

Basketball Committee:
David Points, Chairperson; Sandy Allen, Vice Chairperson; Pearl Ray Lefevers, C.K. Henry, Bob Rogers, Liz Trabandt

Football Committee:
Charlie Miller, Chairperson; Alvis Johnson, Vice Chairperson; Sandy Allen, Jack Portwood, Marvin Moore, David Points

East Eligibility Committee:
Pearl Ray Lefevers, Chairperson; Marvin Moore, Vice Chairperson; Alvis Johnson, David Points, Jack Portwood, Liz Trabandt

West Eligibility Committee:
Huston DeHaven, Chairperson; Bob Rogers, Vice Chairperson; Sandy Allen, Sam Chandler, C.K. Henry, Charlie Miller

Commissioner Mills distributed the 1989-90 Working Budget for the Board's consideration. A lengthy discussion ensued regarding catastrophic insurance coverage for cheerleaders. Alvis Johnson made a motion that the K.H.S.A.A. pay the premium for catastrophic insurance for cheerleaders for one year and that the schools be advised of such and of further regulations required. Sandy Allen seconded the motion which carried unanimously.

David Points then made a motion to accept the Close Estimate Working Budget for 1989-90. Jack Portwood seconded the motion which passed unanimously.

President Chandler then called for Committee Reports. Chairperson Sandy Allen, Due Process Procedure Committee, advised the Board of the status of the proposed Regional Appeals Board. Due to the fact that there is a bill pending before the State Legislature regarding the Due Process Procedure, the Board decided that the proposal be put on hold pending final action of the Legislature.

Tom Mills and Brigid DeVries then discussed the upgraded sample football trophies which Riherd's had produced for the 1989 Championships. Following a discussion of the increased cost for these trophies, Sandy Allen made a motion that these trophies be accepted for the 1989-90 season. Charlie Miller seconded the motion which passed unanimously.

Mr. Chandler then called on Mr. Kelley for any remarks he might have regarding questions and/or concerns of the State Board of Education. Mr. Kelley mentioned the following items: Orientation of new State Board members with regard to the rules and regulations of the K.H.S.A.A.; Resolution recently passed regarding extra curricular activities during the school day; Appeal procedure for the assignment of Regional Basketball Tournament sites.

Mr. Chandler asked the Basketball Committee to consider the last item and make suggestions to the Board at the October meeting.

Harry Loy then distributed a copy of the recommendations of the Middle School Athletics Task Force. Items were discussed by Board members and Mr. Kelley asked for input from the K.H.S.A.A. Mr. Chandler stated that this item would be on the October Agenda for discussion.

The Appeals Hearings were the next items on the Agenda.

Dennis McDavid of Union, Kentucky, was present to appeal By-Law 6, Transfer Rule. His son, Dennis, had been ruled ineligible to participate in athletics due to the fact he had transferred from Ockerman Jr. High School as a ninth grader to Covington Catholic High School. Following a discussion of the case, Bob Rogers made a motion, seconded by David Points that By-Law 6 be waived in this case. The motion carried unanimously.

The second appeal was presented by William E. Hargrove on behalf of his son Tony. Due to the nature of the case, Mr. Hargrove requested that the hearing be closed. Therefore, Huston DeHaven moved for a Closed Session, seconded by Alvis Johnson. The motion passed. Following the hearing, Marvin Moore moved that the meeting return to Open Session. Charlie Miller seconded the motion which passed. Charlie Miller then made a motion that the Commissioner's ruling be upheld in this case. C.K. Henry seconded the motion which passed unanimously. Therefore Tony Hargrove remains ineligible to participate in athletics at Male High School until he has been enrolled there for a total of thirty-six school weeks.

Chairman Chandler called on Louis Stout, Assistant Commissioner to present his items for consideration to the Board at this time.

1) Mr. Stout discussed the new pitching regulation proposed by the National Federation as follows:
A player may pitch in a maximum of nine (9) innings in one (1) day, but not more than fifteen (15) innings in any seven (7) day period. **Delivery of one (1) pitch constitutes having pitched in one inning.** If he pitches in three (3) innings to five (5) innings in one (1) day, he must

have one (1) calendar day of rest. If he pitches in six (6) innings in a day, he must have two (2) days of rest. If he pitches in seven (7) or more innings in a day, he must have three (3) calendar days of rest. Marvin Moore made a motion that this Pitching Limitation be accepted as proposed by the National Federation. Alvis Johnson seconded the motion which passed unanimously.

2) The Central Ky. Soccer Officials Association (CKSOA) is requesting that officials receive an increase in pay as follows: 3-man team be paid $75.00 and a 2-man team receive $60.00 per game. Following a lengthy discussion, C.K. Henry moved to approve this increase in pay for Soccer Officials for the 1989 season. Charlie Miller seconded the motion which passed by a vote of 11-1.

A copy of the survey results were distributed.

1) Soccer: Overtime Progression for Tournament Play (73) Schools Voted
32 schools voted in favor of the 35 yard shootout for all tournament play for the 1989 season
41 schools voted in favor of the penalty kick for all tournament play beginning in the 1989 season
Recommendation: Based on the majority vote, recommend use of the penalty kick for the tournament play beginning in the 1989 season.

2) Girls' Soccer for Fall 1989 (229 Schools Voted)
35 schools voted in favor of the Girls' Soccer Program for the 1989-90 school year

3) Baseball: Season Extension (227 Schools Voted)
144 schools voted to extend the baseball season one week beginning in the 1990 season
83 schools voted not to have the baseball season extended one week for the 1990 season

4) Softball: Ball Size for Girls' Softball, 11" or 12" (180 Schools Voted)
69 schools favored the change to the 11 inch ball for the 1990 season
111 schools voted to not change the size of the ball for the Girls' Softball Program
23 schools indicated that they do not offer softball
Recommendation: The 12 inch softball to be the official size ball for the Kentucky high schools' softball programs.

Following a discussion of each of the surveys, Bob Rogers made a motion that the survey results be approved. David Points seconded the motion which passed by a vote of 11-1.

Commissioner Mills presented a budget of $42,000. for the new Sectional Directors to be employed by the Board of Control. He advised the Board that approximately 30 applications have been received. Marvin Moore recommended that a screening committee be appointed to study these applications and make recommendations to the full Board. Therefore Mr. Chandler appointed the following Screening Committee: Tom Mills, Chairman; Billy Wise, Vice Chairman; Marvin Moore, David Points, Sandy Allen, Alvis Johnson and Huston DeHaven.

Mr. Mills requested that WMB Architects of Lexington be retained to draw plans for the construction of the K.H.S.A.A./Hall of Fame Building. Charlie Miller moved to accept Mr. Mills request. Sandy Allen seconded the motion which passed unanimously. Persons appointed to the Building Committee were Tom Mills and Billy Wise, Co-Chairmen; Huston DeHaven, Marvin Moore, Alvis Johnson, Liz Trabandt and C.K. Henry.

Commissioner Mills advised Board members that the State Board of Education had overruled the K.H.S.A.A. in the eligibility cases of Jerry Iles and David Wilson.

Mr. Mills also advised the Board that Doug Ruedlinger and John Joy have been invited to come to the K.H.S.A.A. Office on September 14 to discuss the blanket insurance policy.

Exec. Asst. Billy Wise discussed a petition he had received requesting that golf remain a spring sport. It was decided that the K.H.S.A.A. stand by the results of the survey to make golf a fall sport in 1990. Bob Rogers moved to table the petition. David Points seconded the motion which passed unanimously.

The Board then recessed for lunch.

Following a lunch break, Ruth and Charlie Lickteig, presented an appeal of By-Law 5, Section 5, Proper Grade Level, on behalf of their son John. Following a lengthy presentation regarding their son's illness, Epstein-Barr, and questions to them by Board members, Charlie Miller made a motion to permit John Lickteig to participate in athletics this year, therefore allowing John six semesters of eligibility remaining. Sandy Allen seconded the motion which carried unanimously.

The next appeal was presented by Elsie Whisman on behalf of Greg Wilson. Greg had been ruled ineligible to participate in athletics after transferring from Franklin County High School to Shelby County High School. (Mr. Chandler excused himself from this case and asked that Mr. Points, Vice President preside). Following Mrs. Whisman's presentation and questions from the Board members, Bob Rogers made a motion that By-Law 6, Transfer Rule, be waived in this case. Marvin Moore seconded the motion which passed unanimously.

Dan Hill then presented his appeal on behalf of his son, Clayton who is transferring from Rose Hill Christian School to Paul Blazer High School. Sandy Allen moved to uphold the ruling of the Commissioner in this case. David Points seconded the motion which passed unanimously.

Commissioner Mills presented the next appeal on behalf of Jennifer Vosmeier who had been ruled ineligible to participate due to the fact that she had transferred from St. Henry High School to Conner High School. Following Mr. Mills

presentation of the facts in this case, Sandy Allen moved to uphold the Commissioner's ruling. C.K. Henry seconded the motion which passed unanimously.

Commissioner Mills also presented the next appeal on behalf of Kenneth Stephens. His mother, Elaine Stephens had requested an appeal of By-Law 5, Proper Grade Level. Following a discussion of the appeal, Charlie Miller made a motion that further information was needed and recommended that the East Eligibility Committee make a ruling in this case after ascertaining the needed information. David Points seconded the motion which passed unanimously.

Mr. and Mrs. Detzel had requested the next appeal on behalf of their daughter, Jodi who was involved in an auto accident. Due to the fact that they were unable to attend the Board meeting, Mr. Mills advised the Board of the facts in this case. Following a brief discussion, Sandy Allen made a motion, seconded by Alvis Johnson, that the previous semester rule, By-Law 5, Section 3, be waived in this case and that Jodi be allowed by play Tennis during the 1989-90 school year. The motion passed unanimously.

Following a discussion regarding the price of tickets for the Boys and Girls State Basketball Tournaments, Charlie Miller made a motion that the price of tickets be increased to $10.00 per session for the lower arena. The price of the tickets in the upper arena shall remain at $5.00. C.K. Henry seconded the motion which carried unanimously.

Exec. Asst. Billy Wise distributed the Basketball and Football Committee Minutes. He highlighted changes in both basketball and football for the coming year. Following a discussion of these minutes, C.K. Henry made a motion to approve the Football Committee Minutes. Jack Portwood seconded the motion which passed unanimously. Bob Rogers moved to approve the Basketball Committee Minutes. Jack Portwood seconded the motion and it passed unanimously.

Mr. Wise announced that the next regularly scheduled meeting of the Board of Control will be held at the K.H.S.A.A. Office Building, Lexington, on Saturday, October 14, 1989, at 9:00 a.m. Any appeals hearings will be held on Friday, October 13, at 2:00 p.m.

Pearl Ray Lefevers moved that all bills of the Association for the period beginning April 1, 1989 and ending July 31, 1989, be approved. Liz Trabandt seconded the motion which passed.

There being no further business, Marvin Moore made a motion that the meeting be adjourned. David Points seconded the motion, which passed.

STRAIGHT TALK

ALCOHOL USE CONTINUES TO RISE

Alcohol and other drugs are a major concern in our schools today. Some people say use is declining, but that is debatable. The age of first use is becoming younger. The time of denial is past; we must face the fact that it is our problem.

Organizations, schools, communities, parents and others must forget their sacred turf about fingering or favoring individuals or programs and work together to solve the problem. One of the TARGET trainers commented that "if you are not part of the solution you are part of the problem."

We cannot condone or ignore the use of tobacco and alcohol by our youth and expect them to refrain from using marijuana, cocaine, etc. Tobacco and alcohol are not only the drugs of choice by our young people, they are a gateway substance. This is not to say that all who use tobacco or alcohol will ultimately use marijuana, cocaine, etc., but studies do show that the majority of marijuana, cocaine and heroin users started out with tobacco and alcohol.

In the Office for Substance Abuse Prevention's publication, **What You Can Do About Drug Use in America,** physical and psychological effects of alcohol and marijuana is discussed:

Alcohol

Alcohol, a natural substance formed by the fermentation that occurs when sugar reacts with yeast, is the major active ingredient in wine, beer and distilled spirits. Although there are many kinds of alcohol, the kind found in alcoholic beverages is ethyl alcohol.

Whether one drinks a 12-ounce can of beer, a shot of distilled spirits or a 5-ounce glass of wine, the amount of pure alcohol per drink is about the same - one-half ounce. Ethyl alcohol can produce feelings of well-being, sedation, intoxication or unconsciousness, depending on the amount and the manner in which it is consumed.

Alcohol is a "psychoactive" or mind-altering drug, as are heroin and tranquilizers. It can alter moods, cause changes in the body, and become habit forming. Alcohol is called a "downer" because it depresses the central nervous system. That's why drinking too much causes slowed reactions, slurred speech and sometimes even unconsciousness (passing out).

Alcohol works first on the part of the brain that controls inhibitions. As people lose their inhibitions, they may talk more, get rowdy and do foolish things. After several drinks they may feel "high" but their nervous systems actually are slowing down.

A person does not have to be an alcoholic to have problems with alcohol. Every year, for example, many young people lose their lives in alcohol-related automobile accidents, drownings and suicides. Serious health problems can and do occur before drinkers reach the stage of addiction or chronic use.

In some studies more than 25 percent of hospital admissions were alcohol-related. Some of the serious diseases associated with chronic alcohol use include alcoholism and cancers of the liver, stomach, colon, larynx, esophagus and breast.

REMINDER TO SCHOOLS CONCERNING LIMITATION OF SEASONS

All schools are reminded of the Limitation of Seasons Rules, K.H.S.A.A. By-Law 27, as it applies to competition after the conclusion of the regular season. ALL SPORTS are affected by this rule, which states that following the teams' last regular season match, there shall be no further practice or play as a team for the remainder of the school year, with the exception of the K.H.S.A.A. tournament. Please be sure your coaches are aware of this important rule, and that they are not involved in coaching the team in an outside league, or other competition. For the high school coach, be they the Head Coach or an assistant coach, to coach members of the high school team in a league outside of the school's legal regular season competition, regardless of the type of league, would be a violation of the rules governing the Limitation of Seasons.

CONGRATULATIONS TO ATHLETIC TRAINING SCHOLARSHIP WINNER

Ms. Cathy Burns, a senior at Boyd County High School in 1989, is the 1989 recipient of the Tom Simmons Athletic Training Scholarship. The scholarship is awarded by the Kentucky Athletic Trainer Society in honor of Tom Simmons, Athletic Trainer Emeritus at Murray State University. Ms. Burns was selected based on her academic records, her work as a student trainer, her interest in the profession of athletic training, and other related activities. She is attending the University of Louisville beginning this fall, and will be working in their athletic training program. Congratulations to Cathy Burns, the 1989 Tom Simmons Athletic Training Scholarship winner.

CORRECTION ON WRESTLING CLINIC

In the pamphlet describing the re-registration procedure, the wrestling clinic schedule contained a minor error. The site of the November 21 clinic in Louisville will be the Kentucky School f/t Blind, not Seneca High School as was stated on the listing. Please make this correction.

CONGRATULATIONS TO PAUL HORNUNG

Congratulations are in order for Paul Hornung, former All-State performer in basketball and football at Flaget High School in Louisville. Hornung was inducted this summer into the National High School Sports Hall of Fame during inductions ceremonies held in Tampa, Florida. Hornung was a standout performer not only during his playing days at Flaget, but in his collegiate career at Notre Dame. As a member of the Fighting Irish, he was to win the Heisman trophy for his football exploits in addition to a short stint with the basketball team. After graduation, he moved on to become a standout with the Green Bay Packers including his selection as the NFL Most Valuable Player. Hornung is the second Kentuckian to be inducted into the National High School Hall of Fame. Former Owensboro great Cliff Hagan was inducted at the 1988 ceremony in Kansas City.

1989-90 NATIONAL FEDERATION VOLLEYBALL RULE INTERPRETATIONS

PUBLICATION CORRECTIONS

Rule Book

Page 23, rule 7-1-2, second sentence, change "Once submitted" to "Thereafter."
Page 33, Rule 10-2-PEN 2a, delete "without further penalty."
Page 34, Rule 10-2-PEN 2, delete "No further penalty is assessed."
Page 36, Rule 11-4-1, change to read, "In the case of an injury/illness, the game shall resume with a replay."

NOTE: In the following situations, Team S is the Serving Team and Team R is the Receiving Team.

SITUATION #1: The court at a match site. (a) is marked in meters, (b) has a 2" center line; (c) has no center line through a mascot in the center of the gym.
RULING: In (a) and (b), legal. In (c), home management shall tape a 2" or 4" line where needed over the mascot.
COMMENT: A court must have a center line. The line may be 2" or 4" wide. (2-1-1, 2-1-4)

SITUATION #2: A net standard is padded with a makeshift arrangement of propped-up mats tied to the pole. Although the mats are resilient and shock-absorbing, the arrangement makes it difficult for the umpire to see the play.
RULING: Umpire makes the best of the situation, but officials should inform home management that the proper padding for the net standards be procured as soon as possible. (3-1-3a)

SITUATION #3: A coach repeatedly stands up in front of her bench in order to see the scoreboard; requests the number of a player who committed a net foul for statistical purposes.
RULING: No penalty
COMMENT: Officials should use discretion when enforcing the rules. Officials have the authority to make decisions about infractions throughout the match. (3-3-2, 5-1-2, 12-2-4)

SITUATION #4: The bleachers are being used as the team benches. The referee asks host management to place tape on the bleachers in line with the out-of-bounds extension of the 10 foot line.
RULING: Correct procedure. This will keep team personnel in proper location. (3-5-1)

SITUATION #5: A player attempts to enter the game wearing a plastic covered air cast covered with. (a) an ace bandage on her forearm; (b) a sock on her ankle.
RULING: In (a) illegal equipment, unnecessary delay; (b) legal. (4-1-1, 2).

SITUATION #6: During warm ups, a player is wearing elastic shorts which extend below the uniform shorts. The official notifies the player's coach that there would be a penalty for improper uniform of point or side-out assessed once during the match or the elastic shorts must be removed before the player participates in the match.
RULING: Correct procedure (4-2-1, 2, 4-3-1, 2)

SITUATION #7: Two players on Team A are (a) wearing white t-shirts which are visible beneath maroon uniform shirts; (b) bicycle tights which extend below uniform shorts
RULING: In both (a) and (b), improper uniform.
COMMENT: Undershirts must be of like-color to uniform shirts and players may not wear tights which extend below the shorts without written medical authorization from a physician. Preventive officiating before match may remedy the situation. (4-3-2, 3)

SITUATION #8: The referee notices one of the starting players on Team S (serves first in the game) is wearing a uniform with temporary numbers.
RULING: Improper uniform, side-out to begin the game.
COMMENT: The penalty for improper uniforms is assessed once during a match for the entire team. (4-3-4a, 4-3-Pen.).

SITUATION #9: Team A appears at the match site in matching uniforms with permanent, legal numbers. On most players, the 4" numbers on the upper front of the shirt extend below the level of the armpits. On some small players, the 4" numbers extend below the chest.
RULING: Legal.
COMMENT: "Upper front" is designated to exclude the placing of numbers on the shirt tail or low on the shirt so that the number is obscured when a player bends over. Uniforms that meet the intent of the rule should not cause penalties based on the size or shape of a high school player. (4-3-4b)

SITUATION #10: Team A is videotaping the match. Team A's coach attempts to show the players from Team A a video replay of a close call by the officials during (a) the game; (b) the intermission between games
RULING: Unsportsmanlike conduct, point or side-out awarded the opponent immediately in (a) and to being the next game in (b). (5-1-2)

SITUATION #11: The umpire whistles and signals a center line foul. The referee joins the umpire in signaling the center line foul and they both signal point/side-out.
RULING: Correct procedure
COMMENT: The referee does not blow the whistle if the umpire initiates the call. (5-3-3c1)

SITUATION #12: Coach from Team A submits a roster and lineup 15 minutes before match time. The coach observes poor behavior by one her starters. Five minutes before match time, the coach changes the lineup
RULING: Legal. A lineup becomes official 2 minutes prior to the first game of the match, not at the time it is submitted.
COMMENT: The scorer should not enter the numbers of the starting lineup until 2 minutes prior to the first game. (5-5-1b, 7-1-2)

SITUATION #13: Team R has 7 players on its roster, one of whom is wearing a different color shirt. One of the starting players is injured and is removed from the game. Team S is serving with the score 13-12. Team R wants to play short, rather than forfeit a point for improper uniform.
RULING: Illegal. No team may play with less than 6 when it can do otherwise. The seventh player is a legal, uninjured player and must be entered or a point is awarded Team S. (6-1-2)

SITUATION #14: At the moment of serve, CB of the receiving team is crouched close to her teammate, CF. CB's feet aree behind CF's toes, but CB's hand is on the floor in front of CB's toes.
RULING: Legal.
COMMENT: Overlapping is determined only by the players' foot/feet touching the floor. [6-3-2b(2)]

SITUATION #15: In game 2 of a match, the wrong team is awarded service; scores 3 points, then there is a side-out. The opposing team serves and earns one point before the error is discovered.
RULING: Play continues.
COMMENT: If the error had been discovered while the wrong team was serving or before the opponent had served following the side-out, the 3 points would be cancelled and the game resumed with the proper team serving. (6-3-Pen. 2c, 8-2-5d)

SITUATION #16: In checking the starting lineup of players on the court, the umpire discovers #8 on the court and #4 on the lineup sheet. The coach asks to take a penalty and leave #8 on the court.
RULING: Request denied, player #4 must come into the lineup. Unnecessary delay may be assessed if there is delay of game. (7-1-2, 10-1-4)

SITUATION #17: CB on Team B is overlapping at the moment that RB on Team A serves. The server is touching the end line at the moment she serves.
RULING: Illegal serve, side-out (8-2-7a)

SITUATION #18: CB on Team R is overlapping at the moment that RB on Team S serves. The served ball hits: (a) the antenna; (b) the server's teammate; (c) the ceiling
RULING: Point. (a), (b) and (c) illegal alignment; point. (8-2-7b)

SITUATION #19: A player from Team S successfully plays a ball from out-of-bounds and immediately breaks the plane of an area determined by legal ground rules to be a nonplayable area.
RULING: Out-of-bounds, side-out.
COMMENT: Neither a player nor the ball is permitted to break the plane of a nonplayable area. (9-3-3k, 2-4-1b)

SITUATION #20: Team S has hit the ball three times. However, no part of the ball crosses the net, and Team R blocks the ball. Team S contacts the ball following the legal block.
RULING: Legal, play continues
COMMENT: A ball is considered to have crossed the net, even though no part of the ball crossed the net when it was legally blocked. (9-4-2, 9-4-4c)

SITUATION #21: The LF from Team S and the RF from Team R block a ball that is above the net. After simultaneous contact by both opponents, the ball goes out-of-bounds on Team R's side
RULING: Out-of-bounds, side-out.
COMMENT: The LF of the serving team is considered to have touched the ball last. (9-4-6c)

SITUATION #22: A player on Team S, making no attempt to block but with hands raised overhead and standing close to the net, is hit by Team R's dinked ball well below the top of the net. The ball rebounds from the player's head and she then sets the ball to her teammate.
RULING: Double hit, side-out.
COMMENT: The play did not meet all 3 criteria for a block. (9-4-8a, 9-5-1c)

SITUATION #23: In a single play, a spike hits CF (a legal blocker) rebounding from one hand to the other, then striking the CF on the head before being legally played by a teammate.
RULING: Legal, play continues.
COMMENT: Since the ball is contacted near the top of the net, the play is considered a block. (9-4-8a)

SITUATION #24: A player from Team R receiving a dink/tip has multiple contacts on one attempt to play the ball.
RULING: Double hit, point. [9-4-8b, 9-5-1b(1)]

SITUATION #25: Team S serves and wins the point, making the score 14-12. It is discovered that Team R has an illegal substitute on the court. The official assesses Team R with an unnecessary delay penalty. Team R has already used its two time-outs.
RULING: Point awarded to Team S. It wins the game 15-12.
COMMENT: When a team has taken its allotted time-out, point/side-out is awarded the opponents. (9-9-Pen, 10-3-Pen., 11-2-Pen. 2)

NEWS RELEASE

National Federation Announces High School Activities Week

OCTOBER 15-22

Sportsmanship is one of the new themes for the 10th annual observance of National High School Activities Week, which begins Sunday and runs through October 22.

Conceived by the National Federation of State High School Associations in 1980, Activities Week has been designated by the United States Congress and the President of the United States as a special time to promote the values inherent in high school athletics and other activities such as speech, music, drama, band and cheerleading.

During this special week, nationwide attention will be given to the more than 10 million high school activity participants. In addition, working through the National Federation and its 51 member state associations, local communities will be recognizing coaches, officials and other leaders, as well as building support for high school activity programs.

Several special days are set aside during the week to recognize specific groups or programs, and a new addition this year will be National Sportsmanship Day on October 19.

The National Federation Sportsmanship, Ethics and Integrity Committee was started earlier this year, and sportsmanship is the No. 1 priority of the National Federation for 1989-90. Schools and communities are urged to reinforce their commitment to sportsmanship or use October 19 to launch a year-long emphasis to promote good sportsmanship.

As a sign of its commitment to improving sportsmanship in high school settings across the United States, the National Federation Sportsmanship, Ethics and Integrity Committee earlier this year adopted the following statement of philosophy:

"The ideals of good sportsmanship, ethical behavior and integrity permeate our culture. The values of good citizenship and high behavioral standards apply equally to all activity disciplines. In perception and practice, good sportsmanship shall be defined as those qualities of behavior which are characterized by generosity and genuine concern for others. Further, an awareness is expected of the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed by the National Federation as a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity."

As a follow-up to the recent Walt Disney World National Dreamers and Doers ceremony in Orlando, Florida, the 45 state "Dreamers and Doers" will serve as official chairpersons of National High School Activities Week.

Co-sponsored by Walt Disney World and the National Federation, the "Dreamers and Doers" program recognizes those students who are the "backbone" of activity programs and who have had a positive impact of those around them.

The state "Dreamers and Doers" will be speaking in their schools and communities, striving to increase the public's awareness of the values and needs of activity programs.

"Studies have indicated that only one to three percent of the average high school's budget is devoted to interscholastic athletics, which truly is a bargain when matched against the valuable lessons kids learn," said Brice Durbin, executive director of the National Federation. "Considering the lifelong values that are obtained through participation in high school activities, we believe these programs are the best bargain around."

Participation in high school athletics has remained steady the past several years. The 1988-89 survey showed a total of 5,256,196 participants, down 18,311 from 1987-88. The 5,256,196 figure was composed of 3,416,844 boys and 1,839,352 girls.

Soccer gained the most participants among boys sports at the high school level, and volleyball showed the largest increase for girls sports. Soccer gained 10,038 participants last year and held its No. 6 spot among the 10 most popular boys sports. Volleyball gained 6,513 participants last year, tops among girls sports, and held its No. 3 ranking among girls sports.

Among boys sports, football is still the most popular activity in terms of participants with 951,669. Basketball remained the most popular boys sport among schools, with 16,711. Basketball is the most popular girls sport, with 16,173 schools and 379,337 participants.

Figures for participation in non-athletic activity programs were compiled for the first time in 1988-89. With reports from about one-half of the states, band was the most popular non-athletic activity program for boys and girls last year with 200,142 and 234,262 participants, respectively.

For girls, other popular programs, in order, were vocal, spirit, drama, orchestra and debate. Following band for boys were vocal, drama, debate, orchestra and spirit.

Building upon this interest in interscholastic sports and activity programs during the eight days of Activities Week, the National Federation and its member states associations, league and conferences, communities, individual schools, and millions of participants will join in a cooperative effort to promote student participation in activities.

Six of the eight days during Activities Week have been set aside to honor certain individuals or promote special events and activities:

Monday, October 16, is **National Officials Day,** which was established in cooperation with the National Federation Interscholastic Officials Association (NFIOA) to recognize game and contest officials. Approximately 500,000 individuals add to the quality of interscholastic activity programs by serving as officials or judges of athletic and non-athletic contests.

Tuesday, October 17, is **National Speech and Music Day,** which was established to promote those non-athletic activities for which the National Federation provides national services -- speech, music, drama and debate.

Wednesday, October 18, is **National Chemical Health Awareness Day,** which is set aside to raise the public's awareness about the problems of alcohol and other drug use in the nation's schools. The National Federation TARGET program is working with its member state associations and high schools to help students cope with problems related to alcohol and other drugs.

Thursday, October 19, is **National Sportsmanship Day,** which was started this year to promote good sportsmanship, ethics and integrity in the nation's high schools.

Friday, October 20, is **National Coaches Day,** which has been set aside on the traditional night for high school football in cooperation with the National Federation Interscholastic Coaches Association (NFICA) to recognize and honor coaches of all sports teams.

Saturday, October 21, is **National Fund Raising Day,** which is designated to promote fund raising for activity programs that is desperately needed in many cases.

KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION REPORT OF EXAMINATIONS OF FINANCIAL STATEMENTS

for the years ended June 30, 1989 and 1988

MILLER, MAYER, SULLIVAN & STEVENS

CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

Commissioner and Board of Control
Kentucky High School Athletic Association
Lexington, Kentucky

We have audited the balance sheets of the Kentucky High School Athletic Association (a nonprofit organization) and the Kentucky High School Athletic Association Retirement Trust Fund as of June 30, 1989 and 1988 and the related statements of revenues, expenditures, changes in fund balance and changes in financial position for the years then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Kentucky High School Athletic Association and the Kentucky High School Athletic Association Retirement Trust Fund at June 30, 1989 and 1988 and the results of their operations for the years then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information is presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION NOTES TO FINANCIAL STATEMENTS

for the years ended June 30, 1989 and 1988

1. **Summary of Significant Accounting Policies**

The Kentucky High School Athletic Association is a nonprofit Association organized for the purpose of development, regulation and purification of athletic activities in the Commonwealth of Kentucky.

The financial statements of the Association have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Continued on page 3

Continued from page 2

To ensure observance of limitations and restrictions placed on the use of resources available to the Association, the accounts of the Association are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes. Separate accounts are maintained for each fund; however, in the accompanying financial statements, all transactions of the Association have been combined into the operating fund, except for transactions of the Retirement Trust Fund as described in Note 2 (C). The assets, liabilities and fund balances of the Association are reported in two self balancing fund groups as follows:

The Operating Fund includes resoures used for purposes of the Association that are available for support of authorized events and operations.

The Retirement Trust Fund is utilized to account for the Trust assets and retirement benefits as described in Note 2 (C).

Fixed assets are stated at cost and are fully reserved. Fixed assets are recorded as expenditures at the time of purchase and are not depreciated.

The investments consist of certificates of deposit, savings accounts and similar accounts that are stated at cost.

2. **Pensions**

A. All Commissioners of the Association participate in the Statewide Kentucky Teachers' Retirement System, a multi-employer public employee retirement system established and administered by the Commonwealth of Kentucky to provide benefit pension plan coverage for local school districts and other public educational agencies within the State.

Chapter 161 Section 220 of the Kentucky Revised Statutes stipulates who may become a member of the Teachers' Retirement System. Generally, eligible persons are employed by local boards of education, the State Department of Education, some state universities, and some non-state supported organizations. Information regarding total payroll for employees covered by the System for the year ended June 30, 1989 was not available at this time.

Employees are entitled to an annual retirement benefit, payable monthly for life, if they either attain the age of fifty-five (55) and complete five (5) years of Kentucky service or complete twenty-seven (27) years of Kentucky service. Non-university employees receive monthly payments equal to either two (2) percent (service prior to January 1, 1984) or two and one half (2½) percent (service after January 1, 1984) of their final average salaries for each year of credited service. The final average salary is the average of the employee's five (5) highest annual salaries. Members' retirement benefits become vested when they complete five (5) years of credited service.

Members are required by statute to contribute 9.855% of their salaries to the System. The state of Kentucky contributes the remaining amounts necessary to finance the participation of employees in the System. Employer contributions are determined as a level percentge of payroll. If an employee leaves covered employment before accumulating five (5) years of credited service, acumulated employee contributions plus interest earned are refunded to the employee upon his or her request. The contribution requirement for the year ended June 30, 1989 and 1988 was $45,484 and $43,600. The contributions for 1989 and 1988 consisted of $25,962 and $24,956 from the Association and $19,523 and $18,644 from the Commissioners. The Association's contributions for 1989 and 1988 represented 13.105% and 12.85% covered payroll, respectively.

The amount shown below as "pension benefit obligation" is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases, estimated to be payable in the future as a result of employee service to date. The measure is the actuarial present value of credited projected benefits and is intended to help users assess KTRS funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among public employee retirement systems.

The System does not make separate measurements of assets and pension benefit obligations for individual employers.

Information regarding the pension benefit obligation as of June 30, 1989 and the System's net assets available for benefits on that date is not available at this time. The pension benefit obligation at June 30, 1987 for the System as a whole, determined through an actuarial valuation performed as of that date, was $3,799,300,000. The System's net assets available for benefits on that date (valued at market) were $2,562,300,000, leaving an unfunded pension benefit obligation of $1,237,000,000.

Historical trend information showing the System's progress in accumulating sufficient assets to pay benefits when due is presented in the System's June 30, 1988 comprehensive annual report.

B. **Kentucky Employees' Retirement System**

All other eligible employees participate in the Statewide Kentucky Employees' Retirement System, a multi-employer public employee retirement system, established and administered by the Commonwealth of Kentucky.

The System is a defined benefit plan which covers substantially all regular full-time employees of any state department, board, or agency directed by Executive Order to participate in the System. Information regarding total payroll for employees covered by the System for the year ended June 30, 1989 was not available at this time.

Eligible members of the Kentucky Retirement Systems are entitled to an annual retirement benefit, payable monthly for life, if they either attain the age of 65 and have 48 or more months of service or accumulate 30 years of service credit, 15 of which must be current service. The monthly retirement allowance is equal to 1.91% of the average annual salary of the members five highest earnings years multiplied by the number of years of service credit. Members retiring at less than 55 years of age with 25 or more years of service credit are entitled to reduced benefits. Members' retirement benefits become fully vested when they complete sixty months of service, twelve of which are current service.

For the years ended June 30, 1989 and 1988, participating employees contributed 5% of creditable compensation to the System. Employer contribution rates are intended to fund the System's normal cost on a current basis plus one percent (1%) of unfunded past service costs per annum plus interest at the actuarial assumed rate. Such contribution rates are determined by the Board of Trustees of Kentucky Retirement Systems each biennium. Participating employers contributed at 7.45% of members' non-hazardous compensation for the year ended June 30, 1988 and 1987.

The contribution requirement for the year ended June 30, 1989 and 1988 was $8,825 and $7,772. The contributions for 1989 and 1988 consisted of $5,281 and $4,651 from the Association and $3,544 and $3,121 from the employees.

The amount shown below as "pension benefit obligation" is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases, estimated to be payable in the future as a result of employee service to date. The measure is the actuarial present value of credited projected benefits and is intended to help users assess the System's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among public employee retirement systems (PERS). The measure is independent of the actuarial funding method used to determine contributions to the System.

The pension benefit obligation for 1989 was not available at this time. The pension benefit obligation for the year ended June 30, 1988 for the System as a whole, determined through an actuarial valuation performed as of that date, was $1,400,013,802. The System's net assets available for benefits on that date (valued at market) were $1,426,056,402. Historical trend information showing assets available to pay benefits when due is presented in the System's June 30, 1988 comprehensive annual report.

C. **Retirement Trust Fund**

The Retirement Trust Fund was created by a Pension Plan Agreement dated July 1, 1970 for the purpose of providing retirement benefits to certain full-time employees of the Association. Entry to this Plan was closed in October, 1984. The Plan covers one individual. Contributions to the Plan are made by the Association at the discretion of the Administrative Committee. The Association paid benefits under this Plan for

Continued on page 4

Continued from page 3

the years ended June 30, 1989 and 1988 totaling $3,452 and $3,385, respectively.

3. **Contingent Liabilities**

At June 30, 1989, the Kentucky High School Athletic Association was a defendent in a pending lawsuit, in which the Association may have potential liability. Although damage claims are not known at this time, management has determined that available insurance coverage will be sufficient to provide for these contingent liabilities. Therefore, the accompanying financial statements do not contain a provision for the liability, if any, that may result from this suit.

4. **Insurance Deposit**

As of June 30, 1989, the Association has $73,214 on deposit with Doug Ruedlinger, Inc. Fund Administrators Association. This money is restricted to future insurance claims and premiums.

1989-90 Certified and Approved Football Officials

A large number of K.H.S.A.A. registered officials have qualified for the advance ratings of Certified and Approved as a result of the National Federation Part II Examination. Only officials receiving these higher ratings are eligible to work in the district and regional tournaments. Only K.H.S.A.A. approved or certified officials shall be used in games between sub-district and district winners. Only certified officials shall be used in all other playoff games.

SWIMMING COMMITTEE MEETING MINUTES September 19, 1989

The Swimming Committee met on Thursday, September 19, 1989, at the K.H.S.A.A. Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 p.m. Committee members present included Steve Bush, Tim Cahill, Marty O'Toole, Paul Short, Jack Thompson, Karen Vanover and David Webb.

The first item of the agenda was the selection of the regional sites. The managers and sites are as follows: Central Kentucky Region - Tim Cahill, Model High School, Richmond; Jefferson County Region - Jack Thompson, Crescent Hill, Louisville; Northern Kentucky Region - Dave Webb, Scott High School, Covington; Western Kentucky Region - Ron Prieskorn, Bowling Green High School, Bowling Green. The committee discussed the regional information sheets and made some minor changes. The Regional entry deadline date is February 6, 1990.

The next item for discussion was the State Swim Meet and Site. The 1989-90 meet is scheduled on March 2 & 3, 1990 in the Lancaster Aquatic Center at the University of Kentucky.

Brigid DeVries gave a report on the layout and equipment for the Lancaster Center, and answered questions by committee members about the new facility. The committee approved a two-day meet format with preliminaries Friday and finals on Saturday). To be submitted for consideration at the October meeting of the Board of Control. The committee made suggestions relative to the state time schedule and other state meet information. Karen Vanover proposed that coaches look into the possibility of future scheduling of the State Meet earlier with Regionals the first week in February and the State Meet the third weekend in February. Marty O'Toole suggested a new computer plan for seeding the State Meet. A committee was formed to study the plan for the upcoming school year.

The committee then discussed the National Federation Rule Changes for the 1989-90 school year as well as the differences with regard to the United States Swimming Rules. The new National Federation Swimming and Diving Film is available for schools to use through the K.H.S.A.A. Office. Coaches may call and reserve the film for their use on a first come first served basis.

The coaches present relayed information regarding various upcoming high school swimming events. They are as follows:

MEET	SITE	DATE	MANAGER
Model H.S. Relay Meet	E.K.U.	12/2/89	Tim Cahill
Eagle Classic Swim Meet	Scott H.S.	1/6/90	Jerry Mohr
Hill Topper Invitational	W.K.U.	12/9/90	Ron Prieskorn Bill Powell
Lafayette Invitational	U.K.	T.B.A.	Karen Vanover
Scott Diving	Scott H.S.	1/20/90	Dave Webb

The K.H.S.A.A. Constitution and By-Laws swimming section was reviewed and updated.

Miscellaneous items included an invitation by Karen Vanover for more involvement in the Kentucky Coaches Association by the swimming coaches.

There being no further business, the meeting was adjourned.

CHEMICAL HEALTH

SCHOOLS IN ACTION

WRESTLER SAYS 'NO' TO DRUGS

In a world of pre-game steriods and post-game parties, there are still some athletes who don't drink, smoke or use drugs.

Put David Walton in that category.

A two-time district champion on the wrestling mats, Walton is a bona fide star at Northern Highlands Regional High School in Allendale, New Jersey. He has heard the horror stories of how drugs and alcohol have ruined some athletes' lives.

Walton does not want to be one of them. As the Northern Highlands senior stood in front of 20 eighth-grade athletes, he tried to hammer that message home.

"The fact that you're here shows that your teachers think highly of you. You should have confidence in yourselves. You don't need drugs," he said.

Northern Highlands teacher Frank DeLuise, the school's substance abuse coordinator, calls Walton one of his dinosaurs - an endearing comment that speaks volumes about how pervasive drugs and alcohol are reaching deep into high school.

Nowhere is that more evident than outside the gymnasium, when a sporting event's post-game euphoria often carries over to late-night parties, where an athlete is expected to be the star of the party after being a star on the playing field.

Walton knows about such expectations; he has had them foisted upon him by so-called friends, and he has rejected them.

"I had friends in my sophomore and junior years, but they began drinking every weekend, and one tried pot," said Walton, a tall teenager with brown hair. "If they can't be happy with the way they are without drugs, I don't need them. If they care more about getting a six-pack than other things, hey, see you later."

Walton and 12 other Northern Highlands athletes led an anti-drug workshop for incoming eighth-grade athletes from Allendale and Upper Saddle River, the high school's two sending districts. The program is called Growing Up, Taking a Stand (GUTS), said DeLuise, the Northern Highlands field hockey coach.

The high school athletes served as positive role models, a switch from the usual "This Can Happen To You" theme that focuses on drug-ridden athletes.

"We want to show these kids that we don't do drugs or drink, and we still enjoy high school," said David Georgas, a senior who letters in three sports. "People still look up to us, and alcohol doesn't have to be a part of that."

The eighth-graders watched a segment from the television show "Growing Pains" that dealt with peer pressure to do something against one's wishes.

The discussion touched on Drew Barymore, an alcoholic and drug user before she turned 13, and Bruce Kimball, an American diver whose life was ruined after killing two teenagers while driving drunk on a hot Florida night.

"When you make a commitment to a team, there are some things you don't do," said Andrea Boss, a junior who letters in two sports. "You have to make a full commitment, and if you do drugs and alcohol, you're not a full person."

The eighth-graders listened attentively, and responded with quiet nods of the head or reluctant hand-raising. But the message seemed to sink in.

Continued on page 6

Continued from page 5.

"The message was very clear. It takes ability and desire to succeed in sports. Alcohol and drugs don't have to be a part of that," said Joey Oliver, who attends Brookside School in Allendale.

About 40 eighth-graders participated in the four-hour session.

DeLuise began his class with a simple demonstration, placing four items on a table: an empty liquor bottle, a beer can, a pack of cigarettes, and a Northern Highlands athletic insignia.

"You ever watch 'Sesame Street'? You know, which one thing doesn't fit with the other? It's not a hard question," he said.

MINUTES OF THE ANNUAL MEETING K.H.S.A.A. BASKETBALL ASSIGNING SECRETARIES May 1, 1989

The annual meeting of the Basketball Assigning Secretaries was called to order by Bill Wise, Executive Assistant, at 9:00 A.M., May 1, 1989, at the Kentucky High School Athletic Association Office. Mr. Wise asked Larry Bourcher to open the meeting with a prayer and to remember, in particular, Howard Gardner who had suffered the loss of his home in a fire. Assigning secretaries attending were: Jim Henley, Region 1; Bill Burton, Region 2; Jerry Kimmel, Region 3; Mike Cobb, Region 4; Carol Funk, Regions 6 & 7; Roy Winchester, Region 8; Bob Miller, Region 9; Larry Boucher, Regions 10 & 11; Noel Hargis, Region 12; Ray Canady, Region 13; Don Stacy, Region 14; Paul Dotson, Region 15; Bob Crager, Region 16. Also attending was Buddy Banks, Flatwoods and Julian Tackett, SID, KHSAA.

The first item on the agenda was a discussion on the training and recruitment of new officials. Mr. Wise asked each assigning secretary to tell the group about their methods of recruitment and training of their new officials. During the discussion it was brought out that the secretaries felt low game-pay was the biggest detriment in their recruiting efforts. Several secretaries said their rosters were low and really needed some new officials.

The next item of discussion was the assignment of officials to contests (regular season, regular season tournments, and post season). The two major problems in this area were coaches objecting to some officials assigned and the use of split crews (any time officials from two or more differing regions working the same game). After some discussion concerning the use of split crews, Noel Hargis made a motion, seconded by Carol Funk, that split crews not be used during the regular season and recommended that if satisfactory contractual agreement cannot be reached on officials' assignment, assignment, that a neutral crew of officials be assigned. The motion passed by a unanimous vote. This proposal will be presented to the Board of Control for approval. *(This was approved by the Board of Control at its July meeting)*

The majority of the regions felt that it was better for the officials to stay in for district and out for the regions during post season play. Since the new rating system has been implemented there have been fewer complaints concerning the assigning of state tournament officials.

There was a lengthy discussion concerning present rating system and methods of evaluation of officials. The assigning secretaries felt that there were some loopholes in the present rating system. *A motion was made by Bob Crager, seconded by Paul Dotson, that the ratings by coaches be done on a game to game basis and that the rating be based on: 50% assigning secretary, 40% coaches, 5% clinic attendance and 5% Part II Exam. The motion passed by a unanimous vote 13-0.* The minimum number of rating required by an official will remain the same and the cut-off date for having ratings to the KHSAA office will also remain the same.

In conjunction with the above motion, Roy Winchester made a motion, seconded by Bill Burton, that the ratings for this past February be requested at this time. The motion passed 13-0.

Mr. Wise then reinforced Association rules regarding post season basketball officiating, particularly where it concerns district and regional officials. *It is the Association policy that for an official to be eligible to officiate in a state championship-level meet or tournament, he or she must officiate at the other tournament levels, unless providentially prevented from fulfilling said assignments. All regional tournament officials shall officiate in a district tournament and all state tournament officials shall officiate in a regional tournament. In addition, a boys' state tournament official shall officiate in a boys' regional tournament and a girls' state tournament official shall officate in a girls' regional tournament.*

The next item for discussion was a list of miscellaneous topics: (a) Mr. Wise stressed that the Assigning Secretary could serve as treasurer of the Local Policy Board of officials' association, but could not be a voting member of a Policy Board or Local Association;

(b) Mr. Wise explained that the Board of control has adopted the procedure of having four sectional directors, each having 4 regions under their jurisdiction. This will be for a trial period of three years. This will be discussed further at the June Board of Control meeting. These four directors will be selected at a later date.

(c) Discussion of methods for dealing with an official when he/she refuses to work an assigned game for any reason.

(d) Continue to send in list of scratches for record purposes.

(e) By-Law 17, Practice of Sportsmanship, was discussed. It was brought out that the Board of Control has asked an attorney to re-write this By-Law to invoke stronger restrictions on coaches and their treatment of officials. This would include public comments concerning officials. It was also reiterated that the official has a right to scratch a school.

(f) It was suggested that each specific step in filling out disqualification cards be added to the Officials Section of the KHSAA Handbook.

(g) The assigning secretaries were asked to remind their officials that clinic attendance is mandatory for both officials and coaches.

(h) Registration fees have been revised for 1989-90. The fee schedule deadlies are as follows:

Re-Registration - May 1-June 30: $20 first sport, $10 each additional sport; July 1-October 16: $25 late fine, $20 first sport, $10 each additional sport (football, soccer, volleyball); July 1-December 15: $25 late fine, $20 first sport, $10 each additional sport (basketball & wrestling); July 1-April 17: $25 late fine, $20 first sport, $10 each additional sport. (baseball, softball, track)

New sport registration will be $20 for the first sport and $10 for each additional sport. Deadline for registration in these sports are: October 16 for football, soccer and volleyball; December 15 for basketball and wrestling; April 17 for baseball, softball and track.

(i) A list of rule changes for the coming basketball season was given to each assigning secretary. Further discussion on these changes will be done during the clincis this fall.

(j) A schedule of the 1989 clinics was presented to the assigning secretaries.

There being no further business, Paul Dotson made a motion, seconded by Noel Hargis, that the meeting adjourn. The vote was unanimous.

REMINDER TO SCHOOLS CONCERNING LIMITATION OF SEASONS

All schools are reminded of the Limitation of Seasons Rules, K.H.S.A.A. By-Law 27, as it applies to competition after the conclusion of the regular season. ALL SPORTS are affected by this rule, which states that following the teams' last regular season match, there shall be no further practice or play as a team for the remainder of the school year, with the exception of the K.H.S.A.A. tournament. Please be sure your coaches are aware of this important rule, and that they are not involved in coaching the team in an outside league, or other competition. *For the high school coach, be they the Head Coach or an assistant coach, to coach members of the high school team in a league outside of the school's legal regular season competition, regardless of the type of league, would be a violation of the rules governing the Limitation of Seasons.*

BASKETBALL/FOOTBALL ORDER FORMS NOW BEING ACCEPTED

Ticket order forms for the State High School Football Championships and the Boys and Girls Basketball Tournaments have been mailed to the member schools and school systems. If you did not receive an order form, please request one today, do not wait until just prior to the event when your request may not be able to be filled.

SELECTION OF BASKETBALL BENCH OFFICIALS IS IMPORTANT

Often, during the basketball season, the Association office receives reports of irregularities in a game due to a lack of assigning competent bench officials to score and time the game. Schools should pay close attention to the selection of these persons. Adults should be chosen who have a knowledge of the rules, a sense of impartiality, an interest in the game, and who are alert, willing to serve, and able to concentrate on their duties. The Official Basketball Rules recommends the Official Scorer wear identifying apparel and his or her location be clearly marked. Schools should make every effort to abide by this recommendation during the season.

From an article by M.F. Springer, the following tips are suggested --

1) Choose Adults. A high school senior or one of last June's graduates will have the interest and enthusiasm, but may lack the poise, impartiality and judgement.
2) Choose someone who has had some playing, coaching or officiating experience.
3) Choose officials who can and will be present at every home game. It may be an honor to act as Timer or Scorer, but it's not an honor which should be passed around every game.
4) If faculty members are available for these jobs, they usually do the best work, though there are exceptions.
5) Above all, choose someone with plenty of poise, good judgement, a sense of impartiality and one who you are sure will be able to forget the score and concentrate on his or her job.

IMPORTANT NOTICE CONCERNING DISQUALIFICATIONS

By Board of Control action, all participants and/or coaches who are ejected from a contest for unsportsmanlike conduct shall be suspended from competition for a minimum of one game.

With this in mind, it is important to adhere to the following procedure should a representative of your school be ejected for unsportsmanlike conduct. 1) Be sure you receive a disqualification card from the contest official; 2) Contact this office in writing to request reinstatement of the participant; 3) Inform the participant/coach of the suspension. You will be notified by return mail as to the end of the suspension, and the date or day when the player/coach will be eligible to return to competition. Contest officials also are reminded to use an ink pen and to press hard as the third copy is often illegible if done in pencil.

NOTE Any person who is suspended from a contest may not dress for that contest in game uniform. They will however be covered by the catastrophic insurance policy insofar as practice is concerned unless you are otherwise notified.

CONGRATULATIONS TO COACH REBA WOODALL, BRYAN STATION

Reba Woodall, long time girls track and field coach at Bryan Station High School in Lexington, was named National High School Girls Track and Field Coach of the Year for 1989 by the Wilson Sporting Goods Company. Congratulations, Reba.

CERTIFICATION EXAM TO BE GIVEN BY N.I.A.A.A.

The National Federation Athletic Administrators Association Certification Committee has recently mailed to all N.I.A.A.A. members a brochure which describes the National Certification Test. The test, which is to be given on December 10, 1989 in Dallas, can lead to the receipt of the ranking, "Certified Athletic Administrator".

CORRECTION ON WRESTLING CLINIC

In the pamphlet describing the re-registration procedure, the wrestling clinic schedule contained a minor error. The site of the November 21 clinic in Louisville will be the Kentucky School f/t Blind, not Seneca High School as was stated on the listing. Please make this correction. The complete clinic schedule is October 28 at Hopkinsville (3:00), November 4 at Conner (1:00), November 11 at Frankfort (1:00), and November 21 at Kentucky School f/t Blind (7:00).

CONGRATULATIONS TO ATHLETIC TRAINING SCHOLARSHIP WINNER

Ms. Cathy Burns, a senior at Boyd County High School in 1989, is the 1989 recipient of the Tom Simmons Athletic Training Scholarship. The scholarship is awarded by the Kentucky Athletic Trainer Society in honor of Tom Simmons, Athletic Trainer Emeritus at Murray State University. Ms. Burns was selected based on her academic records, her work as a student trainer, her interest in the profession of athletic training, and other related activities. She is attending the University of Louisville beginning this fall, and will be working in their athletic training program. Congratulations to Cathy Burns, the 1989 Tom Simmons Athletic Training Scholarship winner.

MINUTES OF THE ANNUAL MEETING K.H.S.A.A. FOOTBALL ASSIGNING SECRETARIES February 20, 1989

The annual meeting of the Football Assigning Secretaries was held February 20, 1989 at the Kentucky High School Athletic Association. The meeting was called to order at 9:00 A.M. with Bill Wise, Executive Assistant presiding. The following persons were present: Joe Russell, Western Kentucky Conference; Jack Hicks, Big Eight; Jack Goodman, Mid Kentucky; Don Metzger, Kentuckians; Shirley Watts, Central Kentucky; Stan Steidel, Northern Kentucky; Ray Canady, 13th Region, Don Stacy, 14th Region; Andrew Joyce, 15th Region and Bob Crager, 16th Region. The following persons were also present: Andy Vervilles, President, Western Kentucky Association; Tony Backert, President, Kentuckiana Association; Bruce McCorkle, Steve Ishmael, Dale Gentry and George Mercker, Kentuckiana Association; Bill DeLaney, Northern Kentucky Association; Buddy Banks 16th Region and Julian Tackett, Sports Information Director.

The meeting began with a welcome by Tom Mills, Commissioner. Following Mr. Mills was a short discussion of assignment of game officials. The primary significant complaint was the split-crew question when games were played between teams from different regions. *After some discussion concerning the use of split crews, Mr. Wise recommended that split crews not be used during the regular season and recommended that if satisfactory contractual agreement cannot be reached on officials assignment, that a neutral crew of officials be assigned. The motion, made by Jack Hicks and seconded by Don Stacy, passed by a unanimous vote 10-0.*

The business meeting then continued with a discussion of complaints received in the state office concerning officials, particularly with play-off officials. Some of the complaints were: chewing tobacco, use of snuff, non-uniformity of signals, etc. Mr. Wise addressed these complaints as did the assigning secretaries. Mr. Wise also reiterated that for the safety of officials and players, it is a problem when officials wear jewelry unnecessary to the game administration, and that exposed chains, bracelets, etc. must not be a part of an officials' uniform. *The assigning secretaries agreed unanimously that the use of tobacco in any form would be a violation of the uniform and dress code and would be reported. Further violations could result in the assigning secretary removing the official from games. Following a lengthy discussion Don Metzger made a motion, seconded by Stan Steidel that deviations from proper mechanics or dress code by an official would be reported to the appropriate assigning secretary and a carbon copy be sent to Bill Wise. The official would then be notified of the violation. There will be a standard evalution form drawn up for the purpose of reporting the above items in playoff contests. The motion passed 10-0.*

In conjunction with the discussion in the above paragraph, Don Metzger suggested that the mechanics on kick-offs and extra points be changed to the old National Federation rules. After a discussion Shirley Watts made a motion that the mechanics remain as they were adopted by the 1988 meeting. *The kickoff coverage is as follows: On the kickoff, the referee shall maintain a position between the five yard line and the goal line on the press box side of the field, the Back Judge shall be in approximately ten to fifteen yards in advance of the referee on the side of the field opposite the press box, the Line Judge shall have the restraining line for the receiving team and shall depart to the Referee's side of the field while the Head Linesman shall have the restraining line for the kicking team and shall depart to the Back Judge's side of the field, the Umpire shall have responsibility for the kicker. It is also understood that the Line Judge and the Linesman remain at the hash marks until all players are in the proper position, then depart to the side of the field. The motion was seconded by Stan Steidel. The motion carried 9-1.* It was also emphasized that straight National Federations mechanics are in effect for a four man crew.

The next topic of discussion was the rating of officials, the scratch system, etc. *After a short discussion a motion was made by Shirley Watts, seconded by Joe Russell that the rating sheet and scratch system remain as it is at the present time. Motion carried 10-0.*

A long and heated discussion of the present method of assigning officials to post season games, in particular, the four state championship games, was the next item of business. The present method of assigning officials involves Mr. Wise assigning the officials at his discretion. For the last several years, he has one crew from the Northern Kentucky Association, one crew from the Central Kentucky Association, one crew from the Kentuckiana Association and one crew at-large, chosen from the other seven associations. There were several suggestions from the assigning secretaries that they felt might be an improvement. *After much discussion a motion was made by Shirley Watts, seconded by Stan Steidel that the present method continue to be used. The motion failed to pass by a margin of 4-6.*

A motion was then made by Ray Canady, seconded by Joe Russell that a new method be used to assign play-off officials. The new plan would be in effect for three years on a trial basis and if after those three years the method proved unsatisfactory to the group, a new plan would then be discussed. The proposed method is as follows: Year 1 (1989)-one crew from the Western Kentucky, Big Eight, Mid-Kentucky and Kentuckiana Association; Year 2 (1990)- one crew from the Northern Kentucky, Central Kentucky, 13th and 14th Regions; Year 3 (1991)- one crew from the 15th and 16th Regions and the other two crews would be decided on at the 1991 Assigning Secretaries meeting. After a short discussion the motion passed by a margin of 9-1.

Mr. George Mercker, an attorney, gave a short presentation concerning legal protection for officials and the local associations. He also gave a short status report of recent lawsuits and problems with officials from this state and other states.

After a short question and answer session Joe Russell made a motion, seconded by Jack Goodman that the meeting be adjourned. Motion carried.

NEWS RELEASE

DALLAS TO HOST DECEMBER 10-13, 1989 NATIONAL ATHLETIC DIRECTORS CONFERENCE

The National Federation's 20th Annual National Conference of High School Directors of Athletics, will be held December 10-13, 1989, at the Hyatt Regency Dallas Hotel in Dallas, Texas. An attendance in excess of 2,000 athletic administrators, spouses and exhibitors is anticipated at the conference, which will also be the site for the Thirteenth Annual Meeting of the National Interscholastic Athletic Administrators Association.

Program Highlights

The featured speakers include **Zig Ziglar,** a nationally renowned motivational speaker and trainer, who will deliver the keynote address, "Winning is a Choice," He is rated by his peer group, as well as audiences everywhere, as one of the best speakers in the world. He has authored many best selling books including *"See You At The Top"*, which has sold two million copies and is listed among the top best selling hard cover books of the last decade.

Gerald A. Purdy, President of the National Association of Secondary School Principals, will be the feature speaker at the Second General Session on Monday morning. He is the first assistant principal in the 74-year history of the NASSP to be elected president. His presentation, "There is no Bottom Line" underlines the important role that athletic directors play in the lives of young people and will address his personal concern that the need for extracurricular activities in a successful education program sometimes are overlooked by the major role players in the so-called "reform of education" movement.

Dr. Thomas Tutko, nationally known sports psychologist from San Jose State University, is the first speaker in the 20-year history of the conference, to be invited back for a third presentation. His address, "Building Character through Sports" at the Third General Session, is guaranteed to be provocative, flavored with humor and provide some guidelines for assessing the important role coaches play in molding kids into productive and confident achievers.

Other program speakers include **Dr. W. C. Newberry,** professor of educational philosophy and adolescent psychology at Southwest Texas State University, who will deliver the luncheon addresss, "Experience at Rockbottom." **Mark Mignella,** Legal Counsel for the Arizona Interscholastic Association, will conduct the Legal Seminar on "Litigation and Interscholastic Athletics." **Dr. Susan Dalterio,** research associate professor in the department of pharmacology at the University of Texas Health Science Center in San Antonio, as well as an associate scientist at Southwest Foundation for Biomedical Research, will present a concurrent Steriod Seminar on "Health Effects of Anabolic Steriods for the Athlete".

Other Program Highlights

In addition to the general sessions, seminars and outstanding luncheon and banquet programs, the always popular Fellowship of Christian Athletes breakfast on Wednesday morning, will again feature a nationally known sports personality, **Norm Sonju,** general manager of the Dallas Mavericks NBA team, as the speaker.

Workshop Program Expanded to Four Sessions

In addition to the outstanding general sessions and seminars, a record total of 30 workshops and mini-session topics will be addressed during four workshop periods, with the first workshop period beginning on Sunday afternoon, December 10 at 3:30 p.m., prior to the traditional Opening General Session on Sunday evening at 7:30 p.m.

Conference Tours and Optional Activities

A variety of optional tours and special activities are planned for conference attendees and their spouses. In addition to several optional tours, spread out over four days, coordinated by Kaleidoscope Tours, there will be a special tour to Billy Bob's in Fort Worth on Saturday night, and shuttle buses to the historic West End Market Place on Saturday and Sunday afternoons.

An optional Monday night "Texas Hoe-Down" is being planned for conference attendees that will feature a full Texas barbeque dinner, unlimited beverages, entertainment by the Texas Rhythm Band and "Gotta Dance" troup, plus a special party favor.

Conference Fees

The conference activity fee, which includes all conference meal functions, is $105 for current NIAAA members who register prior to November 15, and $115 for all others. All conference registrations received from November 15-22 will be accepted only on a "space-available" basis and at a fee of $135. No conference registrations will be accepted after November 22.

Room reservations at the Hyatt Regency Hotel are $60 single and $67 double, and must be processed through the National Federation, along with a conference registration form. Once the 900 rooms blocked at the Hyatt Regency have been filled, overflow reservations will be sent to the Sheraton Hotel and Towers.

Distribution of Conference Registration Material

Conference registration forms and hotel room reservation cards, as well as the optional tour order form, will be sent to all NIAAA members, and all athletic administrators who have attended one or more of the National Conferences during the past five years. All conference registration information, as well as exhibit material, can be obtained by contacting the National Federation, P.O. Box 20626, Kansas City, Missouri 64195; phone 816/464-5400.

SUPPORT 1989 KENTUCKY RED RIBBON CAMPAIGN *OCTOBER 22-29*

1989-90 NATIONAL FEDERATION FOOTBALL RULE INTERPRETATIONS PART I

Publication Corrections

Rules Book - Page 84 - Play 8, 2nd line of Ruling - The score counts and the penalty in both (a) adn (b) is enforced on the try as it is the succeeding spot.

Case Book - Page 5 - Play 8, 4th line change "illegal block" to "illegal use of hands."

SITUATION #1: A scrimmage kick by K1 is beyond the neutral zone when it contact the Team K coach who is on the play field.
RULING: The ball becomes dead immediately and handled under provisions of the inadvertent whistle coverage. The unsportsmanlike foul on the coach does not have influence as to whether or not the procedure will be used. Since a kick became dead, the ball will be returned to the previous spot for a replay. The 15-yard penalty will be enforced from that spot. (4-2-23, 3a)
QUESTION: Is there any way it is R's ball at the dead ball spot?
SITUATION #2: R1 returns the kickof to K's 5-yard line where his is hit and fumbles. K2 attempts to recover the loose ball but instead he forces it into his own end zone. Players of both teams surround the ball but no one attempts to recover it. The covering official wits a few seconds and then sounds his whistle.
RULING: It is a safety. However, is K2 had not forced the ball into his end ozne it owul have been touchdown when the ball became dead there. (8-2-2;8-5-2b)
SITUATION #3: A1 runs off the field on the wrong side thinking he is the 12th player. Actually Team A has only 10 other players on the field. A1 remains out-of-bounds during the entire play.
RULING: No infraction has occurred.. If A1 had returned during the play and touched the ball or hindered an opponent, it would have been illegal prticipation. (3-7-3;9-6-1)
SITUATION #4: (a) At the end of 2nd down, Team A, who has been using a rubber football requests a leather ball; or (b) on a dry day on 4th down, Team A requests a change from one leather ball to another leather ball.
RULING: The request by Team A is denied in both cases. If a team uses a rubber ball or a leather ball to start a series, it cannot change during the series. In addition, if the condition of the ball is satisfactory, a change of similar composition balls is not allowed during a series of downs. If the ball is wet or muddy etc. a change from leather to leather or from rubber to rubber could be made at any time. (1-3-2)
SITUATION #5: In the referee's inspection of the field he observes that all goal posts are padded. However, the padding is in the school colors of the home team. Is there any requirement regarding the color of the padding or of the crossbar or uprights?
RULING: The goal post padding may be of any color. The color of the crossbar and upright is not mandated; hoever, the crossbar and the upright above the crossbar shall be free of any decorative material except paint. It is permissible to have a wind directional streamer attached to the top of each upright. (1-2-7, 8)
SITUATION #6: Passer A1 is roughed by B1 but A1's throw to A2 is complete in B's end zone. During the down the coach of A is on the field protesting the roughing action by B1.
RULING: The two fouls do not result in a double foul since the foul by the coach is unsportsmanlike. If Team A declines the penalty for the roughing foul by B1, it is a touchdown. In that case, the penalty for the coach's foul will put the ball on B's 18-yard line tor the try. (10-2-1;10-4-1)
SITUATION #7: A1 taunts B1 immediately after catching a touchdown pass. The ball is soptted on B's 18 and K1's subsequent kick is good. During the try: (a) R1 roughs holder K2; or (b) R1 kicks at K1 but misses
RULING: In (a) K may accept the penalty and go for 2 points from R's 9-yard line. However, in (b) the score stands as the unsportsmanlike foul is enforced like a dead ball foul. The succeeding spot is the kickoff. (9-5-1d;10-4-1)
SITUATION #8: During the lst timed down of the first half, A1 retreats to pass out of his own end zone and he is downed there. During the down there is holding in the end zone by: (a) A2; or (b) by B1.
RULING: In (a) Team B would score 2 points whether the penalty is accepted or declined since the run ended in the end zone and the foul was in the end zone. If B accepts the penalty the period is extended with an untimed down and Team A must free kick to Team B. If B declines the penalty the half is ended. In (b) if the penalty is accepted it will be enforced from the goal line and the period is extneded. If the penalty is declined the safety is scored and the first half is over. (3-3-3;10-5-3)
SITUATION #9: Runner A1 advances from A's 20 to B's 40 when he is hit and fumbles. The loose ball bounces off several players and then contacts the Team B coach who came on the field during A1's run.
RULING: The ball becomes dead when it touches the coach. Team A may take the results of the play where A1 fumbled or ask to replay the down. In either case, the penalty for the unsportsmanlike foul by the coach will be enforced from the succeeding spot (4-2-2e,3b;10-4-1)
SITUATION #10: Team A has only a head coach and one assistant coach. Prior t the game, the coach asks the referee whether one substitute could be in the 3-yard belt along with the two coaches. The coach would like to have either the offensive or defensive captain with him in this special area
RULING: The request is denied. The 2-yard belt is specifically for coaches - no on else. If a substitute is in this area, unless entering or leaving the field, it is a foul. (9-8-3)
SITUATION #11: Immediately following team A's successful (a) 1-point try; or (b) 2-point try, B1 commits an unsportsmanlike foul.
RULING: An unsportsmanlike foul has no influence on whether a down will be replayed if the penalty is accepted. In both (a) and (b) the score stands and the penalty will be enforced on the free kick. (10-4-1)
SITUATION #12: It is 4th and 10 at midfield. K1's scrimmage kick is muffed by R1 at R's 35 and it rebounds to K's 45 where K2 recovers and begins to advance but he is downed at his own 48-yard line.
RULING: First and 10 for K from K's 48-yard line. The touching by R1 beyond the line dictates it will be a new series for the team in possession when the down ends. (5-1-2e,f)
SITUATION #13: On an intended pass play, end A2 is confused and stays on the line and does not run his pass route. Interior lineman A2 goes downfield and the pass is thrown to him. A2 catches the pass and then advances across the opponent's goal line. Since there wasn't an eligible offensive receiver in the area, is this simply an illegal pass and as such no pass interference restrictions would be in effect?
RULING: This play does not come under the illegal pass coverage regarding the purposeful incompletion of a pass. The pass was obviously thrown to A2 even though he wasn't an eligible receiver. In addition, the illegal pass coverage is limited to touching in or behind the neutral zone. A2 was clearly downfield. A2 has committed one foul for being an ineligible illegally downfield and another for touching the pass. Toucing the pass is interference. Team B has a choice of which penalty to accept. (7-5-2b;10-2-3)
SITUATION #14: K1's punt is in flight over R's 10-yard line when R1 gives a fair catch while he is in his own end zone. In covering the kick, K1 inadvertently contact R1 while the kick is still in flight over R's end zone.
RULING: R1 cannot make a fair catch in the end zone and the signal has no influence in this situation. The contact by K5 is ignored unless it is unnecessary roughness, since no fair catch can be made in the end zone. (2-3-2;6-5-5)
SITUATION #15: With 4th and goal from B's 6-yard line, A1 carries to the 3 where he is hit and fumbles. A2 intentionally kicks the loose ball into the end zone where A3 falls on it. A2 kicked the ball at the: (a) 2-yard line; or (b) 5-yard line
RULING: If the penalty is declined in (a) or (b) the result is a touchdown. The illegal kick is part of a running play. In (a) the penalty is enforced from the 3-yard line which is the end of the run. In (b) the enforcement is from the spot of the kick as it is behind the end of the run. (9-7-1;10-3)
SITUATION #16: A1 drops bck to pass. A1's passing arm is mvoing forward when he is contacted by B1. The contact on A1's arm and shoulder cause the ball to come out of A1's hand. The ball (a) falls foward to the ground where B2 falls on it; or (b) flies backward and is caught by B3; or (c) flies backward and is caught by ineligible A2.
RULING: The determination it is a forward pass was made when the arm was moving forward. In (a) it is an incomplete pass. In (b) it is an interception. In (c) it is an illegal pass. (2-22-4;7-5-2c)
SITUATION #17: A1 is called for clipping B1 on the A's 1-yard line, however A1's feet are actually in his end zone when the contact is made. Is the penalty to be enforced with the end zone or the 1-yard line as the spot of the foul?
RULING: The foul occurred on the 1-yard line for purposes of penalty administration. (2-30-6)
SITUATION #18: A1 is guilty of a false start, however the covering official does not sound his whistle but he does drop his penalty marker. The down is allowed to begin and other fouls such s (a) holding; or (b) clipping; or (c) an unsportsmanlike act are committed. How is this situation administered?
RULING: Since the ball never became alive, the only fouls which would be penalized would be the false start and the unsportsmanlike act. (2-9-1e)
SITUATION #19: Team A is behind in the score as the 4th period is nearly over. On 3rd down A2 drops back to pass. A1 is under a heavy rush and intentionally grounds the ball with 2 seconds on the clock.
RULING: If B accepts the penalty the clock will start on the ready-for-play and the period will be extended with an untimed down if time expires before the snap. However, if B declines the penalty, the clock will be started on the ready-for-play and the game is over if time expires before the snap. (3-3-3a;3-4-3h;3-6-3)

1989 NATIONAL FEDERATION FOOTBALL RULE INTERPRETATIONS PART II

SITUATION #20: Team A is trailing Team B 18 to 16. Team A is out of time-outs in the 4th period and the clock is runnign with 15 seconds remaining when the ball is snapped. A1 drops back and: (a) throws a backward pass out-of-bounds, or (b) throws a forward pass out-of-bounds; or (c) throws a forward pass incomplete inbounds.

RULING: In (a) the pass is legal and the clock will start when the ball is next snapped. In (b) and (c) the referee must judge whether the pass is illegal and if the pass was thrown incomplete purposely to conserve time. If illegal, then the clock will start on the ready-for-play. If the pass is not illegal, there is no foul and the clock will start when the ball is next snapped. (3-4-3h;3-6-3)

SITUATION #21: K positions for a field-goal attempt from R's 25-yard line. K1's kick is low and in flight, strikes: (a) R1, or (b) K2, at the 3 and the ball caroms above the crossbar and between the uprights.

RULING: It is a field goal in (a). However, in (b) it is fair catch interference on K2 and no field goal can be scored even if the penalty is declined. In that case,the result of the play is a touchback. (6-5-5,8-4-1b)

SITUATION #22: K1 punts from his own end zone on 4th and 25 from K's 10-yard line. The kick is short and R1 signals for a fiar catch at the 25 but is interfered with by K2 at the 18. The kick goes out-of-bounds. R elected to take an awarded catch and have the penlty enforced from the spot of the foul. R1 advises the referee that they wish to free kick for a field-goal attempt.

RULING: The half-the-distance enforcement puts the ball on the 9-yard line for the free kick. R's free kick line will be 1-yard inside its end zone. (2-16-2,6-1-1;8-4-1a)

SITUATION #23: K1 punts from his 10 but the kick is short and R1 makes a fair catch at K's 30. R elects to snap the ball. Defensive pass interference is called on first down. Since enforcement takes the ball to the 15, may A now elect to free kick?

RULING: Yes, this is an option which may be exercised since the foul occurred during the down following a fair catch or awarded fair catch. (6-5-3)

SITUATION #24: Following a fair catch on K's 30-yard line R elects to attempt a field goal by free kick. K1's attempt is successful but R1 roughs him. Enforcement of the penalty would put the ball at the 15. Could R refuse the score and snap from K's 15-yard line.

RULING: Yes, this is an option which R may wish to use. (6-5-3)

SITUATION #25: With 4th and 10 from B's 20, A1 drops deep and finally throws a forward pass from B's 40 which is caught by ineligible A2 at B's 22-yard line. A2 advances after the catch and is downed at the 15.

RULING: If B declines the penlaty it will be B's ball at its own 15. If B accepts the penlty it will also be its ball, but they will have it at their own 45-yard line. Since the illegal pass penalty includes loss of down, Team b gets the ball as A is short of a first down. The penalty for A1's illegal pass is enforced from the end of his run - where he passed the ball. (7-5-2 Pen; 10-3-1b)

SITUATION #26: Team A's two-point try is successful following a touchdown as time expired in the 4th period. During the try which ties the score, B1 commits an unsportsmanlike foul. An overtime period: (a) will; or (b) will not be played.

RULING: In (a) the penalty for the unsportsmanlike fould will be enforced from the succeeding spot to begin the overtime. However, in (b) the foul cannot be penalized as the game is over. (2-30-5; 10-4-1)

SITUATION #27: On 4th and 25 from K's 10, K1 is deep in the end zone awaiting the snap and intended punt. The snap is high but K1 is able to catch it. However after catching the ball K1 contacts the goal post padding.

RULING: The ball becomes dead immediately and a safety results. The padding is out-of-bounds. (4-2-2b; 8-5-2)

SITUATION #28: On a 4th down play inside B's 10, A lines up for an apparent field-goal attempt. The holder muffs the high snap and the ball sails over the head of the potential kicker. A2 does not try to recover the ball but instead he kicks the ball while it is on the ground. The kicked ball travels over the cross bar and between the uprights.

RULING: Team A cannot score a field goal even if the penalty for the illegal kick is declined. If the penalty is accepted it is enforced from the spot the ball was kicked. If the penalty is declined, it is an automatic touchback and B's ball on the 20-yard line. (2-15-3,17-1,8-4-1a)

SITUATION #29: A1 throws a forward pass into an area downfield about midway between the two wing officials. A2 dives in an attempt to catch the ball just above the ground. No official is able to get a clear view of the attempted catch. A2 jumps up holding the ball and acting as if he made a catch.

RULING: No catch. An incomplete pass must be ruled if no official saw the ball caught.

SITUATION #30: A1 is hit on B's 2-yard line and the ball rolls into the end zone. For some reason, no players of either team make any move to recover the loose ball. In error, the referee rules it a touchback and Team B completes a long on first down from its own 20. Following this play the coach of Team A requests a conference with the referee to discuss the touchback play.

RULING: The error cannot be corrected as it too late to do anything about it after another down or play has been run. The time-out taken to discuss the error remains charged to Team A. (3-5-8)

SITUATION #31: Placekick holder K1 muffs the snap but is able to rise and catch the ball. K1 immediately drops to his knees and places the ball for K2's successful field goal.

RULING: The ball remains alive in this situation since K1 immediately returned to the ground with his knee(s). The exception for the placekick holder allows the ball to remain alive. (4-2-2aExp)

SITUATION #32: Following a touchdown, the ball is placed on the 3-yard line approximately midway between the sidelines. The referee declares the ball ready-for-play and a false start occurs when snapper A1 moves the ball after assuming a set position. The captain of Team A requests the referee to place the ball on the right inbounds mark following the penalty enforcement.

RULING: The referee shall honor the request of the captain. (4-3-5, 8-3-1)

SITUATION #33: It is 3rd and 6 from B's 40-yard line. A1 advances to B's 30 where B1 grabs A1's face protector in attempting to make the tackle. (a) A1 fumbles and A2 recovers and advances to B's 20, or (c) A1 pitches back to A2 who runs to the 5 where he is tackled. Where is the basic spot of enforcement if the penalty is accepted?

RULING: In (a) and (c) the basic spot is B's 30 as that is where the run ended when possession was lost either by fumbling or passing. In (b) the hand-off to A2 did not end the run. The run ended at B's 20 where A2 was tackled. (10-3-3)

SITUATION #34: Team A scores near the end of the 4th period and following an unsuccessful try trails by a single point. Team A attempts a short free kick with only 5 seconds left in the game. The free kick does ot go the required 10 yards and is blown dead by the covering official when no player attepts to recover the ball. The ball is correctly awarded to R. When does the clock start?

RULING: The clock will be started on the snap. The clock never started during the kick as R did not touch the ball. (3-4-3d)

SITUATION #35: K1 punts on 4th down from K's 40-yard line. The kick is high and the wind holds it up. R1 attempts to catch the punt at midfield but the ball bounces off his hands and goes back behind the original line of scrimmage. K1 recovers the ball and throws a forward pass downfield toward K2. R1 interferes with K3 and the pass is incomplete.

RULING: The ball still belongs to K and it will be first down following the penalty enforcement for the pass interference foul on R1. When a scrimmage kick is touched beyond the line by R, the team in possession at the end of th down is awarded a new series. (5-1-2f)

SITUATION #36: The referee properly stops the clock when he notices A2 limping badly after being tackled. A1 tests the leg by bending it and running back and forth a few steps. A2 sttes he is OK and is ready to continue play. The referee informs A1 that he must leave the field for one down. (a) A2 insists he can play and he argues with the referee; or (b) A1 uses vulgar language and profanity in repeating this intent to stay in the game.

RULING: In (a) delay of game penalty is assessed. In (b) an unsportsmanlike foul is charged. In either case, the fact A1 was penalized does not alter the fact he must be replaced for one down. Neither a foul or a time-out can "buy" the opportunity to remain in the game once the referee stops the clock for an apparent injury. (3-5-6e,8.3-6-2f;9-5-1a)

SITUATION #37: K's field-goal attempt from R's 35 is short and the ball bounces across the end line. During the unsuccessful kick, the coach of R is on the field loudly berating the official.

RULING: The penalty for the unsportsmanlike foul will be enforced from the 20-yard zone as it is the succeeding spot following the touchback. The penalty is enforced like a dead ball foul. The rods and chain are set and then the penalty is enforced to R's 10-yard line. It will be 1st and 20. (2-30-6; 10-4-1)

SITUATION #38: After the ball is marked ready for a free kick, the coach of Team A sends in a substitute. the substitute crosses through the neutral zone to get to his team's side of the 40-yard line. Is this encroachment?

RULING: No. A substitute is allowed to pass through the neutral zone to become a player. The replaced player may also go to the sideline through the neutral zone without penalty. The encroachment restriction applies to players but not to a substitute or replaced player. (6-1-3, 4)

SITUATION #39: The Team A head coach has been charged with an unsportsmanlike foul ni the first period for disrespectfully addressing an official. Thereafter, Team A has four coaches in the 2-yard coaches area between the team box and the sideline. Doe the second foul result in the ejection of the head coach?

RULING: No. The first penalty for having more than three coaches in the restricted area is 5 yards. A second foul for the same infraction results in a 15-yard penalty, which coupled with the original foul, would result in ejection of the head coach. (9-8-3 Pen)

1989-90 NATIONAL FEDERATION SOCCER RULE INTERPRETATIONS

SITUATION #1: S1 reports to the scorer to replace A1. The referee beckons S1 onto the field and he/she enters. A1 uses abusive language when leaving the field and is disqualified. Does Team A play short?
RULING: No. A1 ceased to be a field player when S1 legally entered the field, even though A1 was not yet off the playing field. (3-3-1)
SITUATION #2: An attacking player is the 1st to touch the ball before it passes over the goal line and a goal kick is awarded. A substitute for either team runs immediately to the scorer's table to report to enter the game and the scorer gives the proper signal to the official. The official denies the player entry because they had not reported prior to the ball passing out-of-bounds.
RULING: Illegal. Substitutes do not have to report prior to the dead ball in order to be eligible to enter on a goal kick. (3-3-2)
SITUATION #3: The ball crosses the touch line and Team A is awarded the throw-in. S1 quickly reports to the scorer and requests to enter the game.
RULING: Illegal. Substitution is denied. A substitute must have reported prior to the dead ball situation to be eligible to enter on a throw-in or a corner kick. (3-3-2)
SITUATION #4: An official awards a penalty kick to Team A after a player on Team B commits an intentional direct free kick foul within his/her own penalty area. Team B's goalkeeper is injured on the play and attended to on the field. An official allows Team B to substitute the injured goalkeeper with a goalkeeper from the bench prior to the taking of the penalty kick.
RULING: Legal. (3-3-3 exception)
SITUATION #5: Player A1 is disqualified for violent misconduct in the penalty area and a penalty kick is awarded to Team B. The coach of Team B substitutes for B1, who has suffered an injury, and designates the substitute as the player to take the penalty kick.
RULING: Illegal. When the clock is stopped for a penalty kick and a substitution is allowed for an injury or caution, the substitute shall not take the penalty kick (3-3-3 exception)
SITUATION #6: The goalkeeper on Team A commits a serious foul play against an opponent in the penalty area. The goalkeeper is disqualified and the opponents are awarded a penalty kick. Even though the coach for Team A knows that they must now play with one less player, he wants to substitute a new goalkeeper for one of the remaining field players.
RULING: Illegal. When the clock is stopped for a penalty kick, the only substitution permitted is for a player who has been injured or cautioned (3-3-3 exception). Team A will have to put one of its field players in goalkeeper's attire and play that position at least until the next opportunity to substitute.
SITUATION #7: Team A is awarded a penalty kick. A1 was injured on the play, and must leave the game. (a) S2 reports for A1, and is waved into the game by the official. (b) S1 indicates he/she has been instructed by the coach to take the penalty kick.
RULING: (a) Legal. The substitution is legal. (b) Illegal. S1 may not take the penalty kick. (3-3-3)
SITUATION #8: Play A1 is disqualified for committing a serious foul play. Depending on where the foul occurs, the game is restarted with (a) a directo free kick; or (b) a penalty kick. The coach for Team A requests that he/she be able to substitute.
RULING: In (a), legal. Team A must play on eplayer short because of the disqualification of A1, but substitution is allowed for any of the remaining players on either team. In (b), Illegal. The only substitutions permitted when the game is stopped for a penalty kick are for injured or cautioned players. (3-3-3)
SITUATION #9: As the officials enter the field of play, the head referee observe two opposing players swearing at each other and (a) the referee disqualfies both from further participation in the game, (b) both teams start the game with eleven players.
RULING: In (a) and (b), legal. (a) The officials's jurisdiction begins when they enter the field of play. (5-1-2) (b) There shall be eleven on each team when the game starts. (3-1-2)
SITUATION #10: Team A takes the field with all players wearing shin guards outside their stockings.
RULING: Illegal. The stockings are a required part of the uniform and shall be visible to the officials. Shin gurds shall be worn under the stockings.
NOTE: Beginning in 1990, shin guards will be mandatory. (4-1-1)
SITUATION #11: Team B has a shrit which is light blue in color. Team B's goalkeper has a darker shade blue shirt on. The coach of Team A demands that goalkeeper B change his shirt. The referee declines to require the change.
RULING: Legal. It is the responsibility of the officials to check the shirt color of the goalkeepers. If the officials feel the shirts of the team members and the goalkeeper are contrasting colors, there needs to be no change of the goalkeeper's shirt. (4-1-1)
SITUATION #12: The ball, last controlled by Team A, goes out of bounds. The referee wrongly indicates a throw-in in Team A's direction. Player A throws the ball in. The referee realizes the mistake and immediately stops play and awards a throw-in to Team B.
RULING: Legal. The correctable error provision does not prevent immediate common sense correction of obvious mistakes. (5-1-2)
SITUATION #13: After the completion of a regular season tie game and prior to the two 10-minute overtime periods, the opposing coaches agree to conduct a penalty kick tie-breaker to determine the winner if the game remains tied after the two overtime periods.
RULING: Illegal. A tied game may only be resolved by playing two full overtime periods not exceeding 10 minutes each, excluding tournament play. (7-3-1-)
SITUATION #14: A male player who is part of a wall during a free kick places his hands in front of his groin as protection before the ball is kicked or a female player in this situation places her hands or arms over her chest. The offensive player kicks the ball which strikes the man's hands still in front of his groin or the woman's arms over her chest. In both cases, the hands and arms are stationary.
RULING: This is not a handball foul because the ball struck stationary hand or arm rather than hadn or arm striking the ball. (12-2-1)
SITUATION #15: The goalkeeper seeks to retrieve a loose ball at the side of the penalty area and in doing so, steps out of the penalty area and off the field of play with both fee. However, he/she keeps the ball within the field of play and inside the penalty area. The goalkeeper returns to the penalty area and puts the ball back into play.
RULING: Legal. Since the goalkeeper left the field of play through normal play movement, while playing the ball, and the ball remained inside the penalty area, the goalkeeper would be allowed to continue play. (12-8-1)
SITUATION #16: The goalkeeper takes a step while holding the ball and then rolls the ball to a teammate within the penalty area. The ball is played back to the goalkeeper who then takes four more steps.
RULING: Illegal. The ball shall leave the penalty area before a goalkeeper may retake possession of the ball after it has been played by a teammate. (12-7-1)
SITUATION #17: An assistant coach for Team A is seated in the bleachers communicating with the head coach via a walkie-talkie. The head referee informs them they must discontinue this practice.
RULING: The official is correct. Excessive coaching aids are not permitted (12-8-1)
SITUATION #18: the coach of Team A is disqualified by the head referee for using foul language and is directed to leave the vicinity of the playing area. The coach goes to the bleachers and continues contact with team members. The head referee reminds the coach that this is a violation of the rules and he/she is to leave the area without further contact with his/her players. The coach refuses on the grounds that no one is remaining to supervise the team. The head referee then terminates the game.
RULING: Legal. (12-8-3)
SITUATION #19: Team A has the ball in the penalty area of Team B. The coach of Team B uses foul language and the official immediately stops play, ejects the coach and awards a penalty kick to Team A.
RULING: Illegal. A penalty kick may only be awarded when a direct free kick foul is intentionally committed by a defender inside his own penalty area (14-1-1). Any unsportsmanlike act by bench personnel may only result in the award of an indirect free kick taken from the location of the ball at the time of the violation. (12-8-3 Penalty)
SITUATION #20: Team A is awarded a free kick. Player A requests an official to ask Player B to move away from the ball the required 10 yards.
RULING: Correct procedure.
NOTE: Play shall be restarted by a second whistle. (13-3-1 Penalty)
SITUATION #21: Player A1 takes a goal kick (or any free kick from within his/her own penalty area) and passes the ball toward A2 who is positioned just outside the penalty area. As soon as the ball is played, opponent B1 custs through the penalty area to challenge A2 for the ball.
RULING: Illegal. B1 must remain outside the penalty area until the ball is played and until the ball leaves the penalty area. The official shall order the kick to be retaken. (13-3-1, 16-1-2)
SITUATION #22: While making a throw-in, player A2 steps on the touchline as the ball is properly released.
RULING: legal. (15-3-1)
SITUATION #23: Defender A2 takes a position on the touchline at the point indicated by the official for Team B to take the throw-in. When the thrower takes a position directly in front of A2, A2 stands still and remains facing the thrower. The official does not caution A2.
RULING: Legal. (15-1-4)
SITUATION #24: As a goalkeeper prepares to take a goal kick and pass the ball to a teammate just outside the penalty area, an opponent enters the penalty area and stands between the goalkeeper and his teammate.
RULING: Illegal. Players opposing the kicker shall remain outside the penalty area until the ball moves out of the penalty area. (16-1-2)
SITUATION #25: Team A is awarded a goal kick. Player A1 places the ball on the ground inside the goal area and begins to run out of the penalty area. Player A2 kicks the ball which hits Player A1 and deflects into the goal of Team a. The official awards a goal to Team B.
RULING: Illegal. A goal may not be scored because the ball failed to leave the penalty area and enter the field of play. The goal kick shall be repeated. (16-1-3)

1989-90 NATIONAL FEDERATION CHEERLEADING RULE INTERPRETATIONS

SITUATION #1: When performing a split drop, a cheerleader: (a) jumps into the air and immediately drops to the floor in a split position; (b) is lowered from a suspended splits to a split position on the floor by the bases
RULING: (a) Illegal. (b) Legal
SITUATION #2: A cheerleading squad performs a thigh pitch in which three people are used as follows. Two catchers facing each other, and a spotter positioned at the head and shoulders of the top person.
RULING: Illegal.
COMMENT: A thigh pitch is always illegal regardless of how many spotters or catchers are used
SITUATION #3: A pyramid is performed with the top person sitting on the shoulders of a base who is sitting on the knee of a third person.
RULING: Illegal.
COMMENT: The top person must be supported by a base or bases who are in direct, weightbearing contact with the cheering surface.
SITUATION #4: A stunt is performed in which each of the top people, who are cradled by bases standing in single file formation, is tossed to the base behind her original base
RULING: Illegal.
COMMENT: All tosses must be cradles by at least two of the original bases.
SITUATION #5: A top who is in a suspended split position between two bases raises her arms above her head
RULING: Illegal.
COMMENT: Suspended splits require constant hand-to-hand contact between the top and the bases.
SITUATION #6: A base who is graspoing a top's waist, then tosses her upward. The top performs a straddle toe touch, then the base assists her landing by grasping her at the waist.
RULING: Legal.
SITUATION #7: A double-base extension to a cradle is not considered a toe toss or pitch.
RULING: Correct.
SITUATION #8: A shoulder stand to a single-base cradle must have an additional spotter at the head and shoulders area when the top person is cradled.
RULING: Correct.
SITUATION #9: A cheerleader squad performs the following. (a) sailor with no spotter in addition to the base, (b) shoulder stand to cartwheel dismount with constant contat with a spotter; (c) pull up from the cheerin gsurface to a cradle with no additional spotter.
RULING: (a) Illegal because a sailor begins as an extension, thus requiring a spotter; (b) legal because there is constant contact making it a type of suspended roll; (c) legal; the stunt is performed below shoulder level so it does not require an additional spotter.
SITUATION #10: A cheerleader leans forward directly into a (a) Swedish fall, (b) forward roll.
RULING: (a) legal. (b) Illegal. A forward roll cannot be performed directly from an unright stand or jump without first bearing most of the weight on the hands/feet.
SITUATION #11: A cheerleader performs the following off the inside thighs of two bases: (a) horizontal rotation without constant hand-to-hand contact; (b) horizontal rotation with constant hand-to-hand contact; (c) cerfical rotation without constant hand-to-hand contact.
RULING: (a) Illegal; (b) and (c) are legal.
COMMENT: (a) is a free-falling flip; (b) is a suspended roll and (c) involves vertical rotation (twist).
SITUATION #12: The following stunts require an additional spotter: (a) torch; (b) liberty; (c) chair; (d) needle.
RULING: (a) and (d) Incorrect; these are not extensions; (b) and (c) correct.
SITUATION #13: A player on Team B is injured on the tackle in a football game and is unable to return to his feet after the play. The game officials call a time-out for the injury which delays play. To keep the crowd interested, the cheerleaders for Team A begin a cheer before the status of the injured player is known.
RULING: Cheerleaders should not cheer when an opposing player is injured.
COMMENT: Cheering from either squad should not be resumed until the game officials have signaled to continue play. (Guidelines for Cheerleaders, When Not To Cheer — 3)
SITUATION #14: During a volleyball mtch a group of students from the host school attempt to disconcert the opposing team players by yelling directly at the players and participating in questionable cheers. The cheerleaders talk to their fellow students. Upon continued disruptive behavior the cheerleaders immediately contact their school administrator to assist in resolving the situation of poor sportsmanship
RULING: Proper course of action.
COMMENT: In some cases, it may be more advisable for the cheerleaders to go directly to the administrator. Proper procedures should be developed at the local school and both cheerleaders and school administrators should be clear on the procedure. (Guidelines for Cheerleaders, Sportsmanship — 7)
SITUATION #15: The varsity cheerleading squad, when practicing motions and stunts, regularly practice in front of the glass trophy case in a hallway to view their reflections to perfect their skills.
RULING: All practice sessions should be held in a suitable location which does not present risk of injury. Building stunts should not be executved in an area where a loss of balance may result in collision with glass, walls, etc.
COMMENT: The practicing of motions in front of a mirrr from the floor level may be appropriate if adequate space is available.
SITUATION #16: The squad executes two should-sit stunts with the cheerleaders involved being adjacent to one another. Centered directly behind these stunts, a shoulder stand is executed. Upon cue, the top of the shoulder stand places one hand on the shoulder of each top of hte two shoulder-sit stunts and vaults over these girls to be caught by two bases.
RULING: Illegal stunt. The top from the shoulder stand becomes the third level as she utilizes the second level of the should sit stunts as her base of support during the vault. (Recommended Cheerleader Safety Guidelines 0 6)
SITUATION #17: A cheerleader who performs a Swedish fall, is told this is illegal because it is a drop
RULING: Incorrect. **Note:** The Swedish fall is legal primarily because the fall is effectively absorbed with the flexion of the arms.
SITUATION #18: From a thigh stand, the base pops the top person into a single cradle catch without a spotter for the head and shoulders.
RULING: Legal. Single cradle catches in which the top person is coming from below the should level of hte base do not require a spotter.
SITUATION #19: A cheer squad performs knee drops in unison. Their fingers touch just prior to their knees coming in contact with the cheering surface.
RULING: Illegal. **Note:** Even though the hands/feet touched first, the rule states that the hands are to bear most of hte weight to break the impact of the drop.
SITUATION #20: During a football game, the home cheerleading squad uses tables at the sidelines to prforma **stunt** so they are more visible to the crowd
RULING: Illegal. Apparatus that increases the height of a stunt is not allowed.
SITUATION #21: During a fast break action in a bsketball game, several cheerleaders perform back handspring down the sidelines.
RULING: Illegal. Gymnastics skills cannot be performed during a live ball situation at a basketball or volleyball game.
SITUATION #22: A pyramid is formed using a double base and one top person standing in each bases's cupped hands. The top person is then popped to an extension and immediately dropped into a cradle catch.
RULING: Illegal unless there is an active spotter in addition to the two bases.
SITUATION #23: A squad performs the same double-base extension with the addition of a spotter who assists in the pop then steps back to become a spotter.
RULING: Legal. A spotter may assist in the building of a pyramid/partner stunt, but then shall not be involved in anything but spotting.
SITUATION #24: A cheer squad is wearing hair clips with a hard plastic figure of their team masot attached to the clip.
RULING: Although it is possible for this type of hair device to be safe, ti is more likely that this type of hair clip would be hazardous to the other cheerleaders so would be illegal.

Latchkey Kids Are Higher Risk

"Latchkey children" are twice as likely to drink alcohol or smoke and nearly twice as likely to use marijuana, than their more supervised counterparts, according to a new study.

The study, reported in the September issue of *Pediatrics*, surveyed 4,932 8th-grade students in southern California. Of those, 68.4 percent reported caring for themselves after school for at least an hour each week.

Those who cared for themselves for more than 10 hours per week accounted for 28.6 percent of the respondents. This group was twice as likely to report a "high lifetime consumption" of alcohol (defined as having had at least 11 drinks), 2.1 times as likely to report frequent use of tobacco (a total of a pack or more of cigarettes), and 1.7 times as likely to have tried marijuana.

This "risk factor" was greater for unsupervised children regardless of sex, race, income, extracurricular activities, or school performance.

"There was no particular group that was protected from this effect," said Jean L. Richardson, associate professor of preventive medicine at the University of Southern California and primary author of the study. She said the study shows that "we all need to be concerned" about unsupervised children.

Students who were left alone for shorter periods of time reported slightly lower levels of substance use. For those left unsupervised five to 10 hours per week (15.7 percent of those surveyed), the relative risk for alcohol was 1.7 times as likely; for tobacco, 1.6; and for marijuana, 1.5.

The study also found that latchkey children were more likely to come from affluent neighborhoods and to be white. Richardson said she thought more afterschool programs and greater "parental monitoring" could help lower the rate of substance use among latchkey children.

The 8th-graders filled out the questionnaires themselves in a classroom. As a check on their answers, 2,185 parents also returned the surveys, and the answers were found to be similar.

The study was funded by a grant from the National Institute on Drug Abuse.

MINUTES OF THE BOARD MEETING

October 14, 1989

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Office Building in Lexington, Kentucky on Saturday, October 14, 1989. The meeting was called to order by President Sam Chandler at 9:00 a.m. with all Board members present except Charlie Miller. Others present were Commissioner Tom Mills, Executive Assistant Billy V. Wise, Assistant Commissioners Brigid L. DeVries and Louis Stout and Sports Information Director Julian Tackett, State Board of Education Representative Harry Loy and K.H.S.A.A. Attorney Phil Scott. The Invocation was given by Mr. Alvis Johnson.

Mr. Chandler welcomed new Board member Eddie Saylor, who was elected to serve the unexpired term of Pearl Ray Lefevers.

Marvin Moore made a motion, seconded by Charles Henry, that the minutes of the July 28, 1989, meeting of the Board be approved. The motion passed. Huston DeHaven made a motion that the minutes of the West Eligibility Committee Meetings on September 5 and 20 be approved. C.K. Henry seconded the motion which passed. Jack Portwood moved that the minutes of the East Eligibility Committee Meeting held on August 29 be approved. David Points seconded the motion which passed.

Alvis Johnson made a motion, seconded by C.K. Henry, that all bills of the Association for the period beginning August 1, and ending September 30, 1989, be approved. The motion carried unanimously.

Johnny Belcher, Golf Coach at Caverna High School had requested an appeal before the Board to make a presentation regarding the change of Golf from the Spring season to the Fall season. Following his presentation, President Chandler suggested that Mr. Belcher's concerns be considered by the All-Sports Committee and that a recommendation be made at the December meeting.

Huston DeHaven moved that the Board go into Closed Session to discuss a personnel matter. Marvin Moore seconded the motion which passed.

Marvin Moore made a motion, seconded by C.K. Henry that the Board return to Open Session. The motion passed.

C.K. Henry moved that Article 4, Section 2b. of the Constitution be amended for clarity sake. David Points seconded the motion which carried unanimously.

Mr. Henry then made a motion, seconded by Sandy Allen, that Bob Rogers be eligible to sit as a member of the Board of Control. The motion passed by a vote of 9 to 2.

Commissioner Mills then discussed the 1988-89 Audit. He advised the Board that the major change was the addition of the TARGET Program. Alvis Johnson made a motion to accept the Audit as presented. Liz Trabandt seconded the motion which carried unanimously.

President Chandler called on Commissioner Mills for a report of the Selection Committee for Sectional Directors. Following Mr. Mills report, Bob Rogers made a motion that the committee's recommendation be approved and that the following persons be employed as Sectional Directors:

Section 1 - Jerry Kimmel
Section 2 - George Mercker
Section 3 - Jack Wise
Section 4 - John Radjunas

Jack Portwood seconded the motion which passed unanimously.

Exec. Asst. Wise then gave the Building Committee's report. Following Mr. Wise's presentation, Marvin Moore made a motion that Comm. Mills be authorized to enter into an agreement on the purchase of the property. C.K. Henry seconded the motion which carried unanimously.

Commissioner Mills announced that the State Championship Football Playoff schedule is as follows:

Class A	1:00 p.m., Friday, December 1
Class AA	4:00 p.m., Friday, December 1
Class AAA	1:00 p.m., Saturday, December 2
Class AAAA	4:00 p.m., Saturday, December 2

Mr. Wise announced that he had received bids on two automobiles to be purchased by the Association. After considering the bids, David Points made a motion to accept Frank Shoop's bid of $26,758.00 which includes the use of a complimentary automobile. Marvin Moore seconded the motion which passed.

Mr. Wise then advised the Board of a letter he had received from Elkhorn City High School regarding a football game that they had canceled with Whitesburg High School due to a number of injured players. Following a lengthy discussion on the issue, Bob Rogers made a motion, seconded by C.K. Henry, that the forfeiture fee be waived for this season and that this years contract be honored during the 1990 season. The motion carried.

The next meeting of the Board will be held on December 1, 1989 at 9:00 a.m. for the purpose of hearing appeals and December 2 at 9:00 a.m. for the regular meeting.

Asst. Comm. Stout advised the Board of the dates and sites of the following State Championships:

Cross Country - November 4 - Kentucky Horse Park
Soccer - November 9-11 - Eastern High School
Wrestling - February 16-17 - Atherton High School
Softball - May 24-26 - Owensboro
Baseball - June 7-8 - Site not determined

Asst. Comm. DeVries presented the following request for change in the Girls' Tennis Region for the Board's consideration -- that Bullitt West and Bullitt Central be added to the West Jefferson Region. Sandy Allen moved that the above recommendation be approved. Huston DeHaven seconded the motion which passed. Ms. DeVries informed the Board that the State Volleyball Tournament will be held at Seneca High School on October 27-28. She also advised that the State Track and Tennis Championships will be held at the University of Kentucky on May 26 and May 31-June 2 respectively. Ms. DeVries reported that the next meeting of the All-Sports Committee will include a discussion regarding an increase in fee for Volleyball officials.

There being no further business, C.K. Henry made a motion to adjourn, Bob Rogers seconded the motion which carried unanimously.

REMINDER TO SCHOOLS CONCERNING LIMITATION OF SEASONS

All schools are reminded of the Limitation of Seasons Rules, K.H.S.A.A. By-Law 27, as it applies to competition after the conclusion of the regular season. ALL SPORTS are affected by this rule, which states that following the teams' last regular season match, there shall be no further practice or play as a team for the remainder of the school year, with the exception of the K.H.S.A.A. tournament. Please be sure your coaches are aware of this important rule, and that they are not involved in coaching the team in an outside league, or other competition. *For the high school coach, be they the Head Coach or an assistant coach, to coach members of the high school team in a league outside of the school's legal regular season competition, regardless of the type of league, would be a violation of the rules governing the Limitation of Seasons.*

OPEN DATES FOR BASKETBALL SCHOOLS

Assumption needs one more girls' teams to play in the Holiday Jamboree to be held December 28 and 29. Interested schools should contact Coach Carolyn Medley, Assumption High School, 2170 Tyler Lane, Louisville, 40205, or call (502)458-9551.

Bardstown has three open dates for boys basketball, 11/28, 12/12, and 1/23. Contact Garnis Martin, A.D., (502)348-1674.

Laurel County has several openings on its boys basketball schedule, including 11/28, 12/8 and 1/30. Contact Coach Charles Broughton (606)864-7371, or (606)843-7208.

Madisonville-North Hopkins has several open dates for boys varsity and junior varsity basketball. The open dates are as follows -- 11/30, 12/7, 12/8, 12/18 and 12/19, 1/18, 1/19 and 2/12. Contact J.E. Barlow, A.D., (502)825-6017.

McDowell needs girls' basketball games on any of the following dates - 11/30, 12/11,13,20,22,28, 1/4,5,11,12,19,29,31, and 2/5,23. Interested schools should contact Coach Cassandra Keathley at (606)377-6202.

Oldham County needs boys games on 12/15/89, 12/27-30/89, 1/12/90, 1/30/90, 2/9/90 and 2/10/90. Interested schools should contact Coach Gary Forrest, or Tom Peterson, A.D., (502)222-9461.

Russell has open dates for boys basketball, 11/28, 1/23; and needs a girls' game on 2/12. Contact Jerry Klaiber, A.D.

BASKETBALL/FOOTBALL ORDER FORMS NOW BEING ACCEPTED

Ticket order forms for the State High School Football Championships and the Boys and Girls Basketball Tournaments have been mailed to the member schools and school systems. If you did not receive an order form, please request one today, do not wait until just prior to the event when you request may not be able to be filled.

FOOTBALL SCHOOLS ENCOURAGED TO HOLD OFF ON SCHEDULES

Due to the fact that there is the potential for a significant realignment in football, football playing schools are encouraged not to sign contracts which call for games beyond the 1990 season. The starting date will change in 1991, as well as the district alignment changes, and until this alignment is finalized, probably in the early spring, it would be advisable to hold off from finalizing schedules and contracts.

NOTICE ON COACHING BOX

Effective this fall, the K.H.S.A.A. is again in compliance with National Federation Playing Rules as they pertain to the coaching box. The box shall be six foot in length, beginning with the mid court line (hash mark) and extended towards the end line. The K.H.S.A.A. has diagrams available to assist in the placement of the box. Also, schools which are forced to use a bench configuration at the end of the floor must have permission from the K.H.S.A.A. in order to use this configuration. In addition, both benches must be in the same relative position, if one is on the end, both must be on the end.

IMPORTANT NOTICE CONCERNING DISQUALIFICATIONS

By Board of Control action, all participants and/or coaches who are ejected from a contest for unsportsmanlike conduct shall be suspended from competition for a minimum of one game.

With this in mind, it is important to adhere to the following procedure should a representative of your school be ejected for unsportsmanlike conduct. 1) Be sure you receive a disqualification card from the contest official; 2) Contact this office in writing to request reinstatement of the participant; 3) Inform the participant/coach of the suspension. You will be notified by return mail as to the end of the suspension, and the date or day when the player/coach will be eligible to return to competition. Contest officials also are reminded to use an ink pen and to press hard as the third copy is often illegible if done in pencil.

NOTE Any person who is suspended from a contest may not dress for that contest in game uniform. They will however be covered by the catastrophic insurance policy insofar as practice is concerned unless you are otherwise notified.

SELECTION OF BASKETBALL BENCH OFFICIALS IS IMPORTANT

Often, during the basketball season, the Association office receives reports of irregularities in a game due to a lack of assigning competent bench officials to score and time the game. Schools should pay close attention to the selection of these persons. Adults should be chosen who have a knowledge of the rules, a sense of impartiality, an interest in the game, and who are alert, willing to serve, and able to concentrate on their duties. The Official Basketball Rules recommends the Official Scorer wear identifying apparel and his or her location be clearly marked. Schools should make every effort to abide by this recommendation during the season.

From an article by M.F. Springer, the following tips are suggested --

1) Choose Adults. A high school senior or one of last June's graduates will have the interest and enthusiasm, but may lack the poise, impartiality and judgement.
2) Choose someone who has had some playing, coaching or officiating experience.
3) Choose officials who can and will be present at every home game. It may be an honor to act as Timer or Scorer, but it's not an honor which should be passed around every game.
4) If faculty members are available for these jobs, they usually do the best work, though there are exceptions.
5) Above all, choose someone with plenty of poise, good judgement, a sense of impartiality and one who you are sure will be able to forget the score and concentrate on his or her job.

OPEN DATES SOLICITED FOR FOOTBALL SCHOOLS

Many schools are working on 1990 football schedules. With this in mind, please submit your open dates to this office so that we may again compile a list to assist you in scheduling. Please submit these open dates in writing and include 1) the game date desired, and 2) a contact name and daytime phone number. The following dates have been submitted --

Mt. Healthy High School in Cincinnati is seeking a football game on August 31 or September 1; or September 7 or September 8. Mt. Healthy has approximately 525 boys in the top three grades. Schools interested should contact Jim Reynolds, (513)729-0130.

Oldham County High School is seeking a football game on October 26, 1990. Schools interested should contact Tom Peterson, Athletic Director at (502)222-9775.

Portsmouth West High School in Portsmouth, Ohio is seeking a football game on October 5, 1990. Schools interested should contact Paul Mecker, Athletic Director at (614)858-6669.

Rock Hill High School in Ironton, Ohio (approximately 650 students) is seeking a football game on October 19 or 20, 1990. Schools interested should contact Chris Lester, Athletic Director at (614)533-3417.

Wheelersburg High School in Wheelersburg, Ohio is seeking a football game on August 31 or September 1, 1990, September 28 or September 29. Schools interested should contact Jim Gill, Athletic Director at (614)574-2527.

Withrow High School in Cincinnati, Ohio is seeking a football game on September 7 or 8, 1990. Schools interested should contact Dale Mueller, Football Coach at (513)533-5733.

CONGRATULATIONS!

The following is the list of the students recognized in 1988-89 as making the Academic All State Teams for the Kentucky High School Athletic Association.
Nominations were solicited from all member schools and were the responsibility of the school athletic director.
Many thanks to the Athletic Directors for cooperating.

1989-90 NATIONAL FEDERATION BASKETBALL RULE INTERPRETATIONS PART I

PUBLICATION CORRECTIONS

Rules Book
Pg. 29 and 71, in 4039e, change "defensive" to "offensive"

Case Book
Pg. 15, Play 38, item (c), add— "and any nonflagrant foul against A1 in the act of shooting"
Pg. 33, Delete Play 4.18.1
Pg. 38, Delete Play 4.38c
Pg. 55, Play 7.5.2B, in (c) change "defense" to "offense"

Illustrated
Pg 7, top - change "1/2" to "1/4"

SITUATION #1: The game is being played in a gymnasium which has the permissible red lights mounted behind each backboard. A1 takes a shot just as the 4th quarter is about to end. The gym is very noisy and the trail official is unable to hear the horn but the red light does go on just after the ball leaves A1's hands. The try is successful. The timers disagree as to whether or not the horn sounded before the ball was in flight.
RULING: Even though the red light did go on it cannot be used as the only basis for a ruling. The referee will have to make the final decision and in this case would rule the goal counts. (1-14, 2-13-3)
SITUATION #2: Substitute A6 reports to the scorer just after the warning signal is sounded during a time-out. The scorer advises A6 that he or she will not be allowed to enter until the next opportunity for substitution. The Team A coach beckons A6 to return to the bench.
RULING: This is permissible. The substitute is not obligated to remain at the table. However, A6 would have to report again before being allowed to enter the court. If A6 remains at the table he or she may actually replace a different player if such request is made when the next opportunity for substitution occurs. (3-3-1a)
SITUTATION #3: The players of Team A are wearing shirts which have "Excelsior" in a straight horizontal line above the number and "Springs" below the number on the front. In addition, "Lady" is vertically positioned on one side and "Tigers" on the opposite side of the number.
RULING: If the number is clearly visible, the names surrounding the number are allowed as described. Two identifying names are permitted and placement may be horizontal and/or vertical.
SITUATION #4: If a team has illegal uniforms because of lettering or numbers -other than identical numbers - what is the penalty?
RULING: Each squad member who reports to enter would be charged with a technical foul. Once penalized, no further penalty s authorized for the infraction. The illegal shirt may be worn without further penalty. (3-4-2;10-3-4)
SITUATION #5: A1's dribble is interrupted when the ball deflects off his or her foot and bounces away. Both A1 and B1 move quickly to get the ball. A1 pushes B1 and the contact is judged to be a foul.
RULING: A player control foul is charged to A1. Even though the dribble was interrupted, A1 was still in player control because the dribble had not ended. (4-15-4, 5)
SITUATION #6: A2 orally requests a timeout: (a) when the ball is on the floor at A1's disposal for a throw-in; or (b) while A1 is running with the ball along the end line during a throw-in; or (c) when A1's throw-in pass is in flight toward A2.
RULING: The request is granted in (a) and (b), but denied in (c). In (c) there is no player control once A1 passes the ball. (5-8-3a)
SITUATION #7: A2 is positioned within the restricted area of the lane while A1 has the ball out-of-bounds for a throw-in at a spot outside the end line by A's basket. Since A1 and Team A are in control, is the 3-second count in effect?
RULING: No. The 3-second count does not begin until Team A has control in A's frontcourt. While player and team control exists, there actually is not control in either the front-court or backcourt as the thrower is out-of-bounds and as such is not in either court. (4-12-5,6; 9-7)
COMMENT: The same interpretation exists on a throw-in as it affects a backcourt violation. The ball is not thrown from one court to another on a throw-in. The over and back provision is not activated until a player inbounds gains control of the ball.
SITUATION #8: Following a goal the ball is lying on the floor outside the end line and A2 could pick it up for the throw-in if he or she wanted to. However, A1 is busy giving directions to teammates. The covering official judges the ball is available to A1 and so he or she begins the throw-in count. The count is at 4 when A1 requests a time-out with the ball still on the floor.
RULING: The request is granted as a timeout is permissible when the ball is at the disposal of the thrower. When the ball is available to the thrower, it is at his or her disposal. However, once the throw-in pass is released inbounds, a time-out may not be granted until a player is again in control. (4-4-7; 5-8-3a)

SITUATION #9: A1 is fouled in the act of shooting by B1. A1's try is batted away from the basket by B2. B2 is charged with defensive goaltending.
RULING: A1 is credited with 2 points and will be awarded 1 free throw for the foul by B1. The lane will not be cleared for A1's free throw attempt. If the free throw is made, the throw-in by Team B will be from anywhere along the end line. (7-5-6)
SITUATION #10: A1 commits an airborne shooter player control foul after releasing the ball on a try. The ball goes through the basket immediately after the foul.
RULING: No goal can be scored because of the player control foul. The throw-in by B is from a designated spot out-of-bounds nearest to where A1's foul occurred. (7-5-4)
SITUATION #11: B1 goaltends on airborne shooter A1's try. A1 fouls B1 in returning to the count.
RULING: Since no free throws result for the player control foul, B's throw-in is from anywhere along the end line because of the goal awarded for B1's violation. (7-5-6; 9-12 Pen. 1)
SITUATION #12: A1 has the ball for a throw-in from near the division line. A1 lobs the ball toward A's basket for an apparent catch and dunk attempt by A2. The pass is slightly off course and goes directly through A's basket.
RULING: No goal can be scored if a throw-in goes through the basket before being touched by an inbounds player. The throw-in for B will be from the spot A1 violated, which is the spot from which A1 threw the ball. (5-1; 9-3-6)
SITUATION #13: Team A still trails by 2 points after scoring a goal with just 10 seconds on the clock in the 4th quarter of play. As the ball comes through the net, A1 steps out-of-bounds and grabs the ball. A1 immediately inbounds the ball to A2 who jumps and lays the ball into and through A's basket. Team B and the officials are confused and the scorer is signalling for an official to come to the table to explain what is going on.
RULING: Charge Team A with a technical foul for an unsportsmanlike act and cancel the goal. In addition, the referee shall put consumed time back on the clock. (10-1-8)
COMMENT: Reportedly, this situation is an example of what some teams are doing in order to win or score. Since a live ball went through the basket one could argue that 2 points should be scored. On the other hand, Team A is not entitled to the throw-in after scoring. In this situation it is obvious Team A did it purposely and with intent to score a goal as a result of confusion or lack of specific rules coverage. Team A should not be able to gain any advantage and should be penalized as outlined in the ruling. This special interpretation has been authorized for this particular situation only.
SITUATION #14: Following a goal by Team A, Team B takes a time-out. Following the time-out, the administering official mistakenly indicates a throw-in for Team A. A1 inbounds the ball and A2 scores within a few seconds of play. Following the score: (a) one of the officials; or (b) the Team B captain; or (c) the scorer, gets play stopped and questions the referee regarding the situation.
RULING: In (a), (b) and (c) the goal is cancelled and consumed time is put back on the clock. Team B is awarded the ball for a throw-in anywhere along the end line. Team A would not be penalized as it was not their action which caused or resulted in a throw-in by A following a goal by A. (2-3)
SITUATION #15: Immediately following a goal by A1, A2 inbounds the ball and: (a) A3 scores a goal followed by a throw-in by Team B; or (b) it is intercepted by B1. In both cases the ball subsequently becomes dead and the throw-in by A2 is questioned.
RULING: In (a) once the throw-in begins after A3's goal it is too late to cancel the score or penalize Team A. In (b) the game will resume from the point of interruption. No action will be taken against Team A in either situation. The unauthorized throw-in procedure is limited to discovery before the next throw-in begins following a score by Team A or before Team B gains control of the ball. (10-1-8)
SITUATION #16: Following a goal by A1, A2 purposely grabs the ball as it comes through the basket and inbounds it to A3. A3 passes the ball to a teammate and play continues until B1 is called for a blocking foul. At this point, the referee recognizes Team A had an unauthorized throw-in.
RULING: Charge Team A with a technical foul and cancel the common foul charged to B1. Consumed time is put on the clock and play resumes with the 2 free throws and then a throw-in by Team B. (10-1-8)
SITUATION #17: A1's try for goal is in flight toward A's basket when A2 leaps and grasps the ring.
RULING: The foul does not cause the ball to become dead until the try ends by being successful or clearly unsuccessful. When the ball does become dead, A2 is charged with a technical foul. (4-35-4; 6-7 Exp. a; 10-3-6)
SITUATION #18: A1's try for goal is in flight when A2 is called for swinging elbows excessively.
RULING: The violation causes the ball to become dead immediately and no goal can be scored. The ball is awarded to Team B for a throw-in from the out-of-bounds spot nearest the violation. (6-7-9; 9-10)

1989-90 NATIONAL FEDERATION WRESTLING RULE INTERPRETATIONS PART I

SITUATION #1: Wrestler A has Wrestler B in a pinning situation and Wrestler B places his hand over the mouth and nose of Wrestler A. The referee removes the hand and wrestling continues. When should the referee indicate the points for this violation by Wrestler B?
RULING: In a pinning situation the referee does not stop the match to penalize the defensive wrestler. The referee will, however, stop the match as soon as the situation has concluded. At that time he will give a hand signal to indicate the points to be awarded to Wrestler A. Once this infraction occurs against Wrestler B, Wrestler B cannot score any points as far as reversing Wrestler A or escaping from the situation. As soon as the pinning situation has concluded the referee shall stop the match, award points and restart the contestants at the center of the mat with Wrestler A in the offensive position. (8-1-1b)
SITUATION #2: The score of the match is Wrestler A-14 and Wrestler B-1. Wrestler A reverses Wrestler B and takes Wrestler B straight to his back in a near fall situation. Both shoulders and both scapula of Wrestler B are out-of-bounds and Wrestler A is inbounds as he completes this reversal taking Wrestler B to his back. Does the match continue or should it be stopped because Wrestler A earns a two-point advantage over his opponent.
RULING: Even though Wrestler A has a fifteen-point deferential in the match the match will continue because of the near fall situation. The referee cannot start the near fall count because of Wrestler B's should and scapua being out-of-bounds but the referee does allow the situation to continue. In a pinning situation wrestling shall continue as long as there is a possibility of the offensive wrestler bringing his opponent back into the inbounds area. (5-2-7, 5-1-2)
SITUATION #3: An individual reports to the weigh-in with his hair braided and rolled up in a bun. Is it permissible for him to compete?
RULING: The rule now states that the hair must be in its natural state and when it is in that state it cannot extend below the top of an ordinary shirt collar in the back or, on the sides, the hair shall not extend below earlobe level. By natural state we mean the hair cannot be pinned up, tied up, braided, held by a net, etc. The individual would have to unbraid his hair and then, if it met the standards listed above he would be able to compete. If, in its natural state it extends below the top of an ordinarly shirt collar in the back, and on the sides, if it extends below the earlobe level, he would not be able to compete in high school competition. (4-2-1)
SITUATION #4: The coach from School A calls School B and informs them that for the dual meet coming up weigh-in for each team will take place at the home school and can be done anytime during the school day. Is this change allowable under the weigh-in procedures outlined in the high school wrestling rules book?
RULING: There is a change in the weigh-in procedure for the 1989-90 season which does allow the high school association to adopt whatever weigh-in procedures that best fits their individual needs. If the state association office has not established a guideline for change, the weigh-in procedure for dual meets shall take place at the site of the dual meet and shall extend no long than 30 minutes in length. Each contestant shall have the opportunity to weigh-in should to should a maximum of one hour and a minimum of one-half hour before the scheduled time the dual meet is to begin. (4-5-1)
SITUATION #5: In a dual meet the visiting team is required to send their 140-pound contestant to the mat first. The coach of the home team, forgetting the new rule change, sends his wrestler to the mat prior to the visiting contestant going onto the mat. Once the visiting contestant appears on the mat, is it permissible for the home team coach to change contestants?
RULING: The rule change this year alternates between home and visitor as to which contestant is required to appear on the mat first. Once that individual appears on the mat he cannot be withdrawn or replaced. This, however, does not apply to the other contestant and he could be withdrawn or replaced. In the situation described above the coach of the home team could change contestants. (6-2-2)
SITUATION #6: A coach goes to the scorer's table and is very upset about the call that an official has made on the mat. He expresses himself in a very unsportsmanlike manner concerning a call that the official has just made. What is the proper procedure for the referee to follow in this situation?
RULING: Anytime a coach expresses himself in an unsportsmanlike manner the referee shall deduct one-team point for the first penalty and, if there should be an additional penalty, the coach would be removed from the premises and an additional one-team point would be deducted.
COMMENTS: The change in Rule 6-6-6 this year does allow a coach to approach the scorer's table to discuss any matter with the referee. He may even discuss disagreement with a judgment call but it must be done in a sportsmanship like manner. Anytime a coach expresses himself in an unsportsmanlike manner he shall be penalized immediately regardless of the reason. (6-6-6, 7-5-3)

SITUATION #7: Wrestler A has a severe nosebleed and, while the coach is attending to his problem, he also is offering his contestant some advice on how to continue the match. The referee is standing by the bleeding contestant and overhears what the coach has said. What is the correct procedure for the referee to follow?
RULING: This is now considered as a violation to the coach of the bleeding contestant and the coach would be penalized for unsportsmanlike conduct. (8-2-6)
SITUATION #8: The score of the match is Wrestler A-13 and Wrestler B-0. The contestants are in a neutral position when Wrestler A obtains a bearhug on Wrestler B and takes him to the mat directly to his back. As the referee gets down on the mat he awards a two-point takedown to Wrestler A and shortly thereafter slaps the mat indicating a fall by Wrestler A over Wrestler B. The coach of Wrestler B goes to the scorer's table immediately asking for a conference with the referee concerning what has transpired. During the conversation with the referee the coach of Wrestler B asks why the match was not terminated and Wrestler A awarded the match by a technical fall when the takedown was awarded instead of allowing the match to continue and earning a fall. What is the correct procedure for the referee to follow?
RULING: The rule change this year does allow match to continue even though a fifteen-point deferential has been earned if, in earning the technical fall, the individual was placed directly on his back. This could be through either a takedown or reversal. In the situation described the takedown was directly to the back therefore the match continues until the situation has concluded. (5-2-7)
SITUATION #9: Wrestler A and Wrestler B are in the neutral position and Wrestler B is a sight-handicapped wrestler. They are using the finger-touch method in the neutral position and, just prior to Wrestler A initiating a takedown, he releases contact with his opponent, takes a half step backwards and then shoots a double leg. Is this a permissible maneuver?
RULING: In wrestling matches that have one or more sight-handicapped wrestlers, contact shall be maintained throughout the entire match. This maneuver by Wrestler A is not legal and the referee needs to stop the match and restart it in the neutral position. (6-2-4)
SITUATION #10: Wrestler A has the advantage position for the beginning of the second period and, as he gets down to cover his opponent, instead of grasping the left elbow he grasps the left upper arm. What is the correct procedure for the referee?
RULING: This is an incorrect starting position and the first time it occurs the referee shall simply correct the position and restart the match. If it should occur a second time the referee will issue a caution and, if it occurs a third time, there would be a one-match point penalty. (7-3-1)
SITUATION #11: When coaches submit their names of competitors to the scorer's table before a match in a dual meet, can he change his entries after the first match has started by substituting another eligible wrestler in at a later match?
RULING: You are allowed to weigh-in as many competitors for each weight class that you so desire. You do not have to stipulate what wrestler will be wrestling at what weight class until you actually send that individual out on the mat. If you have weighed-in, for example, two individuals at the 145-pound class you may wrestle one of them at 145 and you could wrestle the other one at 152. (1-2)
SITUATION #12: The visiting team has two 119 pounders. One of them wrestles at 119 and the other one goes to the mat for the 125-pound class. The home team has no one to wrestle at 125 and the referee raises the hand of the wrestler from the visiting team. When the visiting coach sees that there is no one to wrestle at the 125-pound class he asks the referee to declare a double forfeit and the referee does change his mind with no one offering any disagreement. The visiting coach then sends his 119 pounder to the mat for the 130-pound match. The home coach says that he must receive a forfeit for his 130 pounder because the visiting team wrestler is not eligible.
RULING: There are several errors and the first one is that once the referee has raised the hand of the 119 pounder wrestling at 125 pounds he cannot reverse his call. However, once the referee makes this error, it cannot be corrected at a later time. This is what the visiting coach wanted after he found that his 119 pounder could not wrestler at 130 pounds. He wanted the referee to go back and delete his request to receive a forfeit at 125. (1-2-4 & 5)

DELEGATE ASSEMBLY MEMBERS

Members of the Delegate Assembly at the forthcoming 1990 annual meeting of the Association were elected by the Board Appointed Representatives of the K.H.S.A.A. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. Article IV, Section 2-c, of the Constitution states in the last sentence, "If the duly elected delegate or alternate does not answer the roll call at the annual meeting of the Delegate Assembly, the district shall remain not represented". The name of the district representatives and alternates are as follows:

STATE TENNIS COMMITTEE MEETING

November 29, 1989

The State Tennis Committee met on Wednesday, November 29, 1989, at the Kentucky High School Athletic Association Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 p.m. Committee members present included Nonnie Hopper, Cliff Richardson, Becky Watson, David Rogers, Terry Johnson, Doug Lehring, Joe Kroh, Bob Duricko, Mary Robinson and Red Bartlett. Absent were Wilson Sears, Lynn Tipton, Bill Goodan and Jerry Johns.

The first item on the agenda was a discussion of regional tournaments. It was decided that the following additional information be included in the Regional Information mailed to the schools. A substitute must be able to verify their participation in 4 matches before they are allowed to play in the Regional Tournaments. It was suggested that a default count as a win and be scored 6-0, 6-0, and the score of a player who retires shall stand as is, when the match ceases. A match shall be defined as two out of three sets.

Suggestions were made by committee members with regards to the Regional Tournament Managers for regional sites not secured at this time. The dates of the Regional Tournaments are listed on the school calendar as the week of May 14, 1990. As in the past, May 12 & 13 may be used if necessary. The Board of Control approved a realignment of the Elizabethtown Region, at their last meeting held in November.

The next item on the Agenda was the State Tennis Tournament. The dates for the 1990 Tournament are May 31, June 1 and June 2, and will be held at the University of Kentucky in Lexington. The committee reviewed the state information and made some minor changes. It was felt that at the state level substitutions be allowed in doubles only. It was suggested that more players than needed, be included on the information sheet in case a substitution is necessary.

The committee made suggestions regarding the seeding committee for the State Tournament. It was felt that last year's committee did an excellent job in determining the seeded players for the 1989 tournament.

Cliff Richardson from Atherton High School was asked to report on the status of the All-State Tennis Team. It was decided that the All-State Tennis Committee be made up of Joe Kroh, Becky Watson, David Rogers, and Mary Robinson. Members of the Committee will be responsible for the following: sponsorship, criteria for selection, certificates, and promotion through such publications as the *Kentucky Coach*, etc.

Mr. Chuck Triebley, who is currently President of the Tennis Officials of Kentucky gave a status report of the newly formed officials organization. It was decided that the State High School Tournament schedule be reviewed and the Semi-Finals and Finals be covered by this organization. A fee structure will be worked out when the time schedule is complete. It was suggested that both groups look into the possibility of a tennis clinic for coaches sometime in the future.

Miscellaneous items included a request to the Board of Control regarding proper dress during Tournament play. It was suggested that visible undergarments and bare midriffs not be allowed. It was also recommended that there be no advertising for tobacco, alcohol, or drugs on Tennis wearing apparel, and that any designs or pictures be in good taste. The Board of Control approved these recommendations, unanimously at the December board meeting. Information regarding Tennis apparel will go into effect for the 1989-90 school year.

Other miscellaneous items included the development of a "Tennis Definitions" guide, primarily for new coaches. Mary Robinson and Becky Watson were designed to begin work on this guide. There being no further business the meeting was adjourned.

BRICE DURBIN RECEIVES AWARD OF MERIT

Brice Durbin, Executive Director of the National Federation of State High School Associations, recently received the Award of Merit from the National Interscholastic Athletic Administrators Association (NIAAA) on December 11 in Dalls, Texas.

Durbin was honored during the luncheon of the twentieth annual NIAAAA Conference, held the Hyatt Regency in Dallas. Durbin is the ninth individual to receive the prestigious award, which is reserved for those individuals whose contributions to interscholastic athletics merit special honor. The Award of Merit is not given every year, and was last awarded in 1987

Durbin has directed the national organization for high school athletic programs and activity programs since September, 1977 During his tenure, he has seen many new programs implemented including professional organizations for high school coaches and officials, the National High School Sports Hall of Fame, and many other organizational improvements. Perhaps his most glowing achievement was his supervision of the forming of the TARGET drug and alcohol abuse awareness program.

Prior to joining the National Federation, Durbin was Executive Secretary of the Kansas State High School Activities Association for a fifteen year period following a five year stint as assistant Executive Secretary

REMINDER TO SCHOOLS CONCERNING LIMITATION OF SEASONS

All schools are reminded of the Limitation of Seasons Rules, K H S A.A. By-Law 27, as it applies to competition after the conclusion of the regular season. ALL SPORTS are affected by this rule, which states that following the teams' last regular season match, there shall be no further practice or play as a team for the remainder of the school year, with the exception of the K H S A A tournament Please be sure your coaches are aware of this important rule, and that they are not involved in coaching the team in an outside league, or other competition *For the high school coach, be they the Head Coach or an assistant coach, to coach members of the high school team in a league outside of the school's legal regular season competition, regardless of the type of league, would be a violation of the rules governing the Limitation of Seasons*

BASKETBALL ORDER FORMS NOW BEING ACCEPTED

Ticket order forms for the Boys and Girls Basketball Tournaments have been mailed to the member schools and school systems. If you did not receive an order form, please request one today, do not wait until just prior to the event when your request may not be able to be filled.

FOOTBALL SCHOOLS ENCOURAGED TO HOLD OFF ON SCHEDULES

Due to the fact that there is the potential for a significant realignment in football, football playing schools are encouraged not to sign contracts which call for games beyond the 1990 season. The starting date will change in 1991, as well as the district alignment changes, and until this alignment is finalized, probably in the early spring, it would be advisable to hold off from finalizing schedules and contracts.

NOTICE ON COACHING BOX

Effective this fall, the K.H.S.A.A. is again in compliance with National Federation Playing Rules as they pertain to the coaching box. The box shall be six foot in length, beginning with the mid court line (hash mark) and extended towards the end line. The K.H.S.A.A. has diagrams available to assist in the placement of the box. Also, schools which are forced to use a bench configuration at the end of the floor must have permission from the K.H.S.A.A. in order to use this configuration. In addition, both benches must be in the same relative position, if one is on the end, both must be on the end. If you are in doubt as to the legality of your gym markings, the Association has a diagram available upon request.

IMPORTANT NOTICE CONCERNING DISQUALIFICATIONS

By Board of Control action, all participants and/or coaches who are ejected from a contest for unsportsmanlike conduct shall be suspended from competition for a minimum of one game.

It also should be noted that officials who disqualify participants, and then do not report that disqualification to the Association office in a timely manner may face suspension from officiating!!

With this in mind, it is important to adhere to the following procedure should a representative of your school be ejected for unsportsmanlike conduct. 1) Be sure you receive a disqualification card from the contest official, 2) Contact this office in writing to request reinstatement of the participant, 3) Inform the participant/coach of the suspension. You will be notified by return mail as to the end of the suspension, and the date or day when the player/coach will be eligible to return to competition. Contest officials also are reminded to use an ink pen and to press hard as the third copy is often illegible if done in pencil.

NOTE Any person who is suspended from a contest may not dress for that contest in game uniform. They will however be covered by the catastrophic insurance policy insofar as practice is concerned unless you are otherwise notified.

At What Cost Is Victory In Athletics?

by Jim Watkins

Win — pressure; victory — pressure; choose — pressure; practice, practice, practice — pressure. Sound familiar? These are the words and ideas that we are preaching to our high school athletes.

Today, high school sports are BIG dollar productions. Victory and winning teams mean dollars for the athletic department, new uniforms, travel, prestige for community. But where are we going with our athletes and their values? What type of future do we see for tomorrow's players? What have we done to the play for the love-of-the-game attitude? Have we changed to a play-for-the-dollar attitude?

Years ago, many young men and women played athletics for the pleasure and the thrill. It was fun, exciting and for some a little glamour. We loved the games, had fun, celebrated in victory and cried in defeat. Where are we now? What has happened to change these innocent games to mortal combat?

As our society has evolved, we have become a nation of conditional support givers, e.g., "if you win we will support you." "If you don't we will go on to something else." We have replaced camaraderie and team desire with **victory and money.**

Television, sports publications - the entire media service has placed all athletic events in a **win** only mode. If we don't win, we receive little if any publicity. In order to receive media attention, we must produce winners.

How has this **winning** attitude changed high school athletics? We now specialize. We make athletes decide the sport in which they will participate, what coach they like the best, what perks they are to receive, and then tell them they must give themselves to the program 12 months a year. We practice our athletic teams constantly to keep up with the other coaches and programs. We direct our athletes to summer camps, summer league play, practice out of season (until some get caught), demand total dedication to our phase of life. We have sold ourselves to **victory at all costs.**

When do kids get to be kids? I am not against working hard as a team to develop a winning program and a proud program. I am concerned with the method we are using to achieve this end. Families now must postpone or even cancel summer vacations or Christmas vacations so that their sons and daughters can play in tournaments or take part in a summer camp. This has added in breaking down the family unit.

We as athletic administrators have let the universities and colleges and the camp organizers (and now the shoe manufacturers) control our very lives. We pay money to universities for summer camps to allow their coaching staffs to view and recruit our young people at our expense. We have allowed rating services to exploit our young people. In our desire to be noticed, we have let others manipulate us and our programs.

It is time we took a look at ourselves and our programs. Our country was built on dedication, desire and the will to succeed. But at what cost is victory? We need to let our athletes experience the athletic arena for the fun and pleasure of the event. We need to look at the recruiting services, the college programs and the media. Athletics has become big business. As administrators we need to review our purpose and re-examine the basic goals for athletic programs. We may have lost sight of our original goals — our purpose for becoming athletic administrators. Do our programs accurately reflect our values?

What Has Happened To The High School Athlete?

by Bob Herring

What has happened to the high school athlete? Has he really disappeared? You could have seen him in the past. The one who walked down the hall, head held high, proud of tradition. The jacket or sweater that had been earned through dedication, sweat and just plain hard work might be seen on that special someone.

Today that spirit and pride has been replaced by the "Spuds," less filling and tastes great. Pride in the school has fallen in with the feeling that "hey, we're not really very good so you will probably beat us." Coaches are trying everything in their bag of tricks to get the athlete "fired up" but the attitude that comes forth is "I am here for my own entertainment and I could just as soon be someplace else." Hard work has been replaced by "is practice going to be very long?" Dedication has been replaced by, "have you seen the new arcade game?" Self-sacrifice has also fallen by the wayside, waiting to be found.

The athlete may not have been the best student in school and his homework probably was not completely correct, but school work was done - handed in on time. There was never the thought of "but we have a game tonight," "we had a game last night" or "the coach made us practice for two hours." There were no excuses.

Sportsmanship — is there really such a thing? In high school athletics, sportsmanship should be the overriding theme above all else.

"The ideals of good sportsmanship, ethical behavior and integrity permeate our culture . . . good sportsmanship are those qualities of behavior which are characterized by generosity and genuine concern for others," according to an article in the October 1989 National Federation News.

All of this has been thrown out only to be replaced by the booing during the introduction of the visiting teams, booing the substitution of a home team member, crying because "I didn't get to start," "cat calls" and having the fans more entertaining than the team.

There are 10 educational principles of athletics:

1. Learning to compete within a given set of rules.
2. Learning how to maintain physical well being.
3. Learning the importance of constructive release of energies.
4. Learning how to handle socially acceptable recognition.
5. Learning how to understand other people's feelings and attitudes.
6. Learning emotional control.
7. Learning the importance of self-discipline.
8. Learning how to persevere toward a goal.
9. Learning to think under pressure.
10. Learning how to be loyal to a situation, cause, school or nation.

These are not just educational principles but the entire backbone for which the student-athlete should strive to once again be the respected one. The one that the first and second graders look up to and want to be like. The person who was the hero of the game, not the one who had to be pulled for not being in shape because the "Silver Bullet" means more than wanting to win.

Herring has coached wrestling and boys and girls track for 14 years at Encampent High School in Encampent, Wyoming. Reprinted from National Federation News.

MINUTES OF THE BOARD MEETING

December 1, 1989

APPEALS HEARINGS

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn in Louisville, Kentucky on Friday morning, December 1, 1989, for the purpose of hearing appeals. The meeting was called to order by President Sam Chandler at 9:00 a.m. Present were all Board members, Commissioner Tom Mills, Executive Assistant Billy V. Wise and Assistant Commissioners Brigid DeVries & Louis Stout, S.I.D. Julian Tackett, Earl Cox, George Unseld, Commissioner of Jefferson County Activities and Athletics, and Harry Loy, representing the State Department of Education. The invocation was given by Mr. Chandler.

Charles Miller made a motion, seconded by Marvin Moore that the Board split to hear the numerous appeals to be presented. Huston DeHaven and Sam Chandler served as Chairmen of the groups. Prior to the hearings, the Board discussed at length By-Law 6, Transfer Rule and Foreign Exchange Students.

Following the hearings of all appeals, the following actions were taken by the Board.

Waived By-Law 6, Transfer Rule:
Matthew K. Ward - Ballard
Kyle W. Webster - West Hardin
Heather Gray - Moore
Richard Metzger - Male

Did not waive By-Law 6:
Jennifer King

Other actions on appeals presented are as follows:
Waived By-Law 5, Section 3 for Robbie Kinney and Harold Chiers
Voted to reinstate the eligibility of William R. Sanderfer.

The meeting was then adjourned until 8:30 a.m., Saturday.

MINUTES OF THE BOARD MEETING December 2, 1989

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn, Louisville, Kentucky on Saturday, December 3, 1989. The meeting was called to order by President Sam Chanddler at 8:30 a.m. with all Board members present with the exception of Charles Miller. Also present were Commissioner Tom Mills, Executive Assistant Billy V. Wise, Asst. Commissioners Brigid L. DeVries and Louis Stout, S.I.D. Julian Tackett, and State Department of Education Representative Harry Loy. The invocation was given by Sam Chandler.

The meeting was opened with a continuing discussion of By-Law 6, as it pertained to the transfers of Kristen and Laura Humble, Monticello High School, and of Christina Dierks, a Foreign Exchange Student at Southern High School. Following a lengthy discussion, the Board voted to uphold the Commissioner's rulings in both cases.

Charles K. Henry made a motion, seconded by Liz Trabandt, that the minutes of the meeting held on October 12-14, 1989, be approved as submitted. The motion carried unanimously.

Alvis Johnson moved to approve the minutes of the October 25th meeting of the East Eligibility Committee. Eddie Saylor seconded the motion which passed.

Next on the Agenda was Patti Schiller who addressed the Board on By-Law 6.

President Chandler then called on Donald Butler to speak to the Board to submit a bid on behalf of Owensboro to host the 1990 State Baseball Tournament. Mr. Butler discussed the availability of the site and lodging facilities. Following his invitation and recommendations by Asst. Commissioner Louis Stout, Bob Rogers made a motion that the 1991 and 1992 State Baseball Tournaments be held in Owensboro, and that the 1990 tournament return to the University of Kentucky in Lexington. Huston DeHaven seconded the motion, which passed unanimously.

Mr. Stout advised the Board that a Soccer Association has been established for the purpose of training officials and financing some of the training.

Exec. Asst. Wise introduced the new Sectional Directors -- Jerry Kimmel, representing Section I; Jack Wise, representing Section III; John Radjunas, representing Section IV. George Mercker, the representative from Section II was unable to attend the meeting.

Marvin Moore made a motion that all bills of the Association for the period of October 1-31, 1989, be approved. Alvis Johnson seconded the motion which carried unanimously.

President Chandler called on David Points, Chairman of the Basketball Committee for his report. It was the recommendation of the Committee that the Commissioner determine the Regional Basketball Tournament sites and that he be guided in his decision by reviewing the information contained in the written requests submitted by the schools wishing to host the Regional site. This decision shall be made public through the media by December 15. Objections or concerns of the site selection may be appealed to the Board of Control at the regular scheduled meeting in January. Alvis Johnson made a motion that the Basketball Committee's report be accepted. C.K. Henry seconded the motion which passed unanimously.

Marvin Moore then gave a report of the All-Sports Committee. The Committee had been asked to re-survey the golf schools to determine their desire to return Golf to Spring. The Committee recommended that no survey be conducted until after the 1990 Golf season. The motion was seconded and passed unanimously.

Minutes of the Board continued.

The Committee made a recommendation that a request for Tennis to be moved from Spring to a Fall sport be tabled; recommended a proposal be submitted to the Delegate Assembly providing that the first match in volleyball shall not take place before the 4th Monday in August; recommended that Tennis uniforms contain no advertising of tobacco, alcohol or obscenity. David Points moved to accept the recommendations of the All-Sports Committee with the exception that the uniform recommendation include all sports -- not just Tennis. Sandy Allen seconded the motion which passed unanimously.

Following a discussion of requests that Madison Southern and Rowan County be reclassified in Football for 1990, Bob Rogers moved, seconded by Jack Portwood that these schools remain in their present class for 1990. The motion passed unanimously.

Mr. Wise then presented other requests from Football schools:

1) Virgie High School - request to remain in Class A for 1990 season following merger with Dorton High School. The Board suggested that Mr. Wise survey the schools in Class A, Region IV, District 2 for their recommendations and report his findings at the January meeting.
2) East Hardin/West Hardin (Merge would place them in Class AAAA, Region District 2)
3) Dunbar (new Lexington school to be placed in Class AAAA, Region IV, District I, 1990 only)
4) Greenwood (new Bowling Green school due to the split of Warren Central to be placed in Class AA, Region I, District 2)
5) North Muhlenberg/South Muhlenberg (Merge of seven county schools would place them in Class AAA, Region I, District 1 starting in the 1993-94 school year.)

Eddie Saylor made a motion to accept items 2-4 as recommended above. Bob Rogers seconded the motion which passed unanimously. The Board tabled item 5.

Commissioner Mills reminded Board members that proposals to be presented to the Delegate Assembly in April should be submitted by the January meeting. He advised the Board members of the nature of the proposals he had received as of November 30.

Mr. Wise reported that $341,025.00 in ticket sales had been received through this date for the Boys State Basketball Tournament. Advanced ticket sales for the Girls State Basketball Tournament had netted $18,280.00. Both of the reported figures show an increase over last year's receipts at this same time.

The next meeting of the Board will be held in Louisville at the Executive Inn during the Louisville Invitational Tournament. The time for the appeals hearings will be at 1:00 p.m. on Friday, January 19, and the regular meeting will be held at 9:00 a.m. on Saturday, January 20.

In regard to an earlier motion made at the October 14 meeting of the Board regarding a Football game to be played between Elkhorn City and Whitesburg in August of 1990, Bob Rogers made a motion, seconded by Eddie Saylor that Elkhorn City honor their contract with Whitesburg and play at Whitesburg, and that the $1,000. forfeiture fee be waived.

Commissioner Mills gave a updated report of the Building Committee.

Sandy Allen made a motion, seconded by Marvin Moore, that the increase in per diem approved at the July Board meeting be made retroactive to July 1. The motion passed.

Asst. Comm. Stout advised the Board that South Oldham High School had been added to Frankfort Region in Wrestling.

Sandy Allen expressed appreciation on behalf of the Board to the Friends of Athletics for the hospitality shown at the State Football Playoffs.

There being no further business, Liz Trabandt made a motion that the meeting be adjourned. Sandy Allen seconded the motion which passed.

VC0001-A-E — Do We or Don't We? — 1/2" VHS
A four minute trigger film of a teenage band, the Gravediggers, practicing before auditioning for their first big job. But, they need a drummer and are waiting for a new kid who was recommended by their band teacher. The drummer arrives but refuses to play unless they drink a beer before playing.

VC0002-A-E — Him or Me? — 1/2" VHS
A four minute trigger film opens as a camp is just over and two of the couselors are planning to go to a party. One of the young campers, Harry, is left behind and has to wait for his mother who is late in picking him up. The counselors are confronted with the decision about what to do with Harry. One counselor offers to take Harry along to the counselor's party. The other offers to take Harry on a canoe trip. Harry likes both of the counselors and is torn between the two choices he has to make.

VC0003-A-E — Alcohol Trigger Films for Junior High School — 1/2" VHS
A set of three short dramatic, open-ended situations designed to provoke discussions in alcohol education programs. They are used in Foundation-developed junior high and elementary grade alcohol and traffic safety education programs. The sequences are entitled:
THE PARTY — (2 minutes) - A new boy in town wants to make friends with his peers and offers his house for a party while his parents are away.
THE MOTHER — (2 minutes) - An intoxicated mother picks up her daughter and takes her and a friend to a shopping mall.
THE RIDE — (3 minutes) - Younger students are offered drinks by older friends and then invited to go for a ride.

K.H.S.A.A. TRACK AND FIELD COMMITTEE MEETING

The Kentucky High School Athletic Association Track and Field Committee met at the Association Office in Lexington on Thursday, January 4, 1990. The meeting was called to order by Brigid L. DeVries, Assistant Commissioner at 1:30 P.M.

Members present were: Bro. Borgia, Charlie Ruter, Alice Leigh, Jeff Saylor, John Gettler, Rudy McKinney, Bill Patton, Jack Wise, Bob Stacey, Jack Keller and Jean Wright. Members absent were Scott Welch, Lyman Brown and Ruth Whitehouse.

Charlie Ruter reported on the Mason Dixon Games to be held on January 26 & 27, 1990, in Louisville at Broadbent Arena, which is adjacent to Freedom Hall. The Mason Dixon Committee is coordinating efforts with the KICCCA to help secure officials for the high school division. The high school division will be open to Kentucky athletes only. The Kentucky Association of the Athletics Congress is sponsoring a TAC Officials Clinic on Sunday, January 21, 1990, at the downtown YMCA at Second and Chestnut in Louisville. For more information on the clinic, contact Charlie Ruter at 502-239-5258.

The first item on the Agenda was a discussion of the Regional and Sectional Track Meets and sites. Committee members discussed and made recommendations regarding Regional and Sectional sites. Ms. DeVries will begin to solicit sites for both the 1990 Regional and Sectional Meets. The dates for the 1990 Meets are as follows:

Regional Meets:	May 11 & 12, 1990
Sectional Meets:	May 19, 1990
State Meet:	May 26, 1990

The next item on the agenda was a discussion regarding the newly hired Regional Directors, their function and their relationship to the Kentucky High School Athletic Association. The directors are as follows: Representing Regions 1-4, Jerry Kimmel; Regions 5-8, George Mercker; Regions 9-12, Jack Wise; Regions 13-16, John Radjunas. Mr. Jack Wise was in attendance at the meeting and gave a report on his activities and goals in the area of officiating. Mr. Wise, as well as the rest of the regional directors, will be working very closely with the Kentucky High School Athletic Association in the promotion and improvement of officiating in all sports where the Kentucky High School Athletic Association registers officials.

The following are the dates and locations for the 1990 Track and Field Clinics:

Saturday	March 17, 1990	Richmond, Eastern Kentucky University	12:00 P.M.
Tuesday	March 27, 1990	Owensboro, Daviess County HS	7:00 P.M.
Wednesday	March 28, 1990	Louisville, St. Xavier HS	7:00 P.M.
Thursday	March 29, 1990	Lexington, Tates Creek HS	7:00 P.M
Tuesday	April 10, 1990	Ashland, Russell HS	7:00 P.M.
Wednesday	April 11, 1990	Covington, Covington Catholic HS	7:00 P.M.

The clinic scheduled for March 17, 1990, will be in conjunction with the Learn-By-Doing Clinic coordinated by Bill Patton and the KTCCCA at Eastern Kentucky University Perkins Building. It was suggested that an additional clinic be scheduled in the Elizabethtown area at a later date.

The next item for discussion was the State Track Meet. The current State Meet format was reviewed and suggestions were made regarding the state information. The Committee recommended a proposal be submitted to the Board of Control that the schools be surveyed for the addition of the 3200m run and the girls' triple. The proposal will be presented at the next Board of Control meeting in January.

Bob Stacey gave a brief report on the Junior Olympic, Region 5, Meet scheduled for July 12-15, 1990 in Lexington. Athletes will be representing Kentucky, Ohio, West Virginia and Michigan.

The next item for discussion was the National Federation Rule Changes. The rule changes were minor this year with uniforms again being clarified in the points of emphasis.

Jean Wright presented a status report on the Blue Grass State Games. The games are scheduled for July 27-29, 1990, at the University of Kentucky. Mrs. Wright encouraged more participation by high school athletes from all areas of the state.

Miscellaneous items included some recommendations regarding officials and clinic attendance for the Board of Control to consider at their next meeting. They are as follows:

1. Clinic attendance be required for all track coaches and officials.

2. At track meets where there are 7 or more teams, or regional and sectionals, there must be at least one KHSAA registered official.

3. The recommended fee for the one required official, (starter, referee, etc.) would be $35.00

There being no further business, the meeting was adjourned.

FOURTH ANNUAL WOMEN'S SPORTS DAY SET FOR FEBRUARY 8

National Girls and Women in Sports Day will be celebrated for the fourth year in a row on February 8, 1990, it has been announced by Carol Mann, president of the Women's Sports Foundation. The theme of this year's celebration is "Women and Sports: A Winning Combination."

Events nationwide are being planned by the Women's Sports Foundation, the National Association for Girls and Women in Sport, the Girls Clubs of America, and the Young Women's Christian Association. These five organizations have sponsored the Day since the first one in 1987.

Among the plans for the day are a luncheon in Wsahington, DC, with Senators, Representatives, and top women athletes. Many schools and colleges across the country will observe the day.

Every year, the number of local celebrations of the Day grows," noted Mann. "Schools honor their best women athletes, hold reunions of former athletes and plan many other activities. Poster contests and essay contests abound, and recreation facilitites use the week to plan special activities of interest to women."

Congress will be asked again to proclaim February 8 National Girls and Women in Sports Day, as it has in previous years.

REMINDER TO SCHOOLS CONCERNING LIMITATION OF SEASONS

All schools are reminded of the Limitation of Seasons Rules, K.H.S.A.A. By-Law 27, as it applies to competition after the conclusion of the regular season. ALL SPORTS are affected by this rule, which states that following the teams' last regular season match, there shall be no further practice or play as a team for the remainder of the school year, with the exception of the K.H.S.A.A. tournament. Please be sure your coaches are aware of this important rule, and that they are not involved in coaching the team in an outside league, or other competition. *For the high school coach, be they the Head Coach or an assistant coach, to coach members of the high school team in a league outside of the school's legal regular season competition, regardless of the type of league, would be a violation of the rules governing the Limitation of Seasons.*

GATORADE CIRCLE OF CHAMPIONS HONORS TWO KENTUCKIANS

The Gatorade Circle of Champions has been extended to include two Kentuckians. Sweeper Tom Neff of Louisville Ballard has been named as the GATORADE Circle of Champions Kentucky High School Soccer Player of the Year, and is eligible to win further honors as the regional and national level. Past Kentucky winners include John Gompper, Jerome Hill, Toby Wilcox and Jason Stanbury.

The Gatorade Circle of Champions also has honored Mark Askin of Louisville St. Xavier as the Kentucky High School Football Player of the Year, making him eligible for regional and national honors. Past winners of the award from Kentucky include Al Baker, Frank Jacobs, Craig Walker, and Aaron Payne.

BASKETBALL TICKET UPDATE

Ticket order forms for the Boys and Girls Basketball Tournaments have been mailed to the member schools and school systems and a great many have been received by this office. If you did not receive an order form, please request one today, do not wait until just prior to the event when your request may not be able to be filled. All advance orders are in the process of being filled, and should be mailed to all ticket holders by the end of January.

FOOTBALL SCHOOLS ENCOURAGED TO HOLD OFF ON SCHEDULES

Due to the fact that there is the potential for a significant realignment in football, football playing schools are encouraged not to sign contracts which call for games beyond the 1990 season. The starting date will change in 1991, as well as the district alignment changes, and until this alignment is finalized, probably in the early spring, it would be advisable to hold off from finalizing schedules and contracts.

NOTICE ON COACHING BOX

Effective this fall, the K.H.S.A.A. is again in compliance with National Federation Playing Rules as they pertain to the coaching box. The box shall be six foot in length, beginning with the mid court line (hash mark) and extended towards the end line. The K.H.S.A.A. has diagrams available to assist in the placement of the box. Also, schools which are forced to use a bench configuration at the end of the floor must have permission from the K.H.S.A.A. in order to use this configuration. In addition, both benches must be in the same relative position, if one is on the end, both must be on the end. If you are in doubt as to the legality of your gym markings, the Association has a diagram available upon request.

IMPORTANT NOTICE CONCERNING DISQUALIFICATIONS

By Board of Control action, all participants and/or coaches who are ejected from a contest for unsportsmanlike conduct shall be suspended from competition for a minimum of one game.

It also should be noted that officials who disqualify participants, and then do not report that disqualification to the Association office in a timely manner may face suspension from officiating!!

With this in mind, it is important to adhere to the following procedure should a representative of your school be ejected for unsportsmanlike conduct. 1) Be sure you receive a disqualification card from the contest official; 2) Contact this office in writing to request reinstatement of the participant; 3) Inform the participant/coach of the suspension. You will be notified by return mail as to the end of the suspension, and the date or day when the player/coach will be eligible to return to competition. Contest officials also are reminded to use an ink pen and to press hard as the third copy is often illegible if done in pencil.

NOTE Any person who is suspended from a contest may not dress for that contest in game uniform. They will however be covered by the catastrophic insurance policy insofar as practice is concerned unless you are otherwise notified.

FOURTH ANNUAL WOMEN'S SPORTS DAY SET FOR FEBRUARY 8

NEW YORK — National Girls and Women in Sports Day will be celebrated for the fourth year in a row on February 8, 1990, it was announced by Carol Mann, president of the Women's Sports Foundation. The theme of this year's celebration is "Women and Sports: A Winning Combination."

Events nationwide are being planned by the Women's Sports Foundation, the National Association for Girls and Women in Sports, the Girls Club of America and the Young Women's Christian Association. These five organizations have sponsored the Day since the first one in 1987.

Among the plans for the day are a luncheon in Washington, DC, with Senators, Representatives and top women athletes. Many schools and colleges across the country will observe the day.

"Every year, the number of local celebrations of the Day grows," noted Mann. "Schools honor their best women athletes, hold reunions of former athletes and plan many other activities. Poster contests and essay contests abound, and recreation facilities use the week to plan special activities of interest to women."

Congress will be asked again to proclaim February 8 National Girls and Women in Sports Day, as it has in previous years.

1989-90 NATIONAL FEDERATION WRESTLING RULE INTERPRETATIONS PART II

SITUATION #13: In the third period of a match Wrestler A is leading by a score of 10-6 when Wrestler B reverses Wrestler A As the reversal starts Wrestler A locks hands and this is signalled by the referee When the reversal is ccompleted the referee awards two points for the reversal and one point for locked hands making the score 10-9 Shortly thereafter the match concludes with the score Wrestler A-10 and Wrestler B-9 The referee raises the hand of wrestler A and both contestants leave the mat area After the referee has signed the scorebook he notices that the locked hands penalty is the third infraction and should have been two points, which would have tied the score at 10-10

RULING: This is a correctable error as outlined in Rule 6-6-3 However, in order to correct this error it must be corrected prior to the offended contestant having left the mat area in tournament competition and prior to the start of the next match in dual meets Therefore the score of Wrestler A-10, Wrestler B-9 would be the final result of the tournament match (6-6-3)

SITUATION #14: A switch occurs as the two wrestlers go out-of-bounds Is it permissible to give a one-point escape if there is loss of control by the offensive wrestler but not a reversal because the maneuver was completed out-of-bounds.

RULING: Yes it is permissible when the loss of control occurred in-bounds and the reversal was completed out-of-bounds. (5-1-2, 5-2-2)

SITUATION #15: Wrestler A takes Wrestler B to the mat from the neutral position directly to a near fall situation. As the referee moves into position he notices that B has a nose-bleed The referee stops the match and awards a two-point takedown and a two-point near fall to Wrestler A Is it correct for the referee to stop the match at this point?

RULING: When the referee stops the match because of a nosebleed with Wrestler A having B in a pinning situation it is strictly a judgement call on the part of the referee The match is not stopped because of injury therefore there would not be a three-point near fall earned and Wrestler A would simply be credited with the takedown and a two-point near fall if it is held for two seconds The referee does have the authority to stop a match when he feels it is necessary concerning the safety of contestants. (5-2-4g, 3-1-2, 8-2-6)

SITUATION #16: Wrestler A is guilty of flagrant misconductby elbowing Wrestler B The referee makes the call and disqualifies Wrestler A and awards B six team points because of flagrant misconduct. The scorer does not record a two-point team deduction against Wrestler A Is this a correctable error?

RULING: This would be a correctable error because it does not involve match score It could be corrected at any time. (6-6-4)

SITUATION #17: In the first round of a tournament both individuals are disqualified for stalling How would you determine which wrestler would continue on the front side of the bracket and which individual would continue on the back side of the bracket?

RULING: In this situation both individuals are disqualified and there is no winner and there is no loser, therefore no one would advance in the championship bracket and no one would advance in the loser's bracket These two individuals would simply not be able to compete again in this tournament (10-2-6)

SITUATION #18: From the optional start the offensive wrestler, on the whistle, backs away to the outer edge of the ten-foot circle and the defensive wrestler just sits there. Would there be stalling by either contestant?

RULING: In a situation like this both wrestlers have the responsibility of initiating action. The rules require that both wrestlers wrestle aggressively and that action is to be maintained throughout the match In this situation the defensive wrestler must turn and face his opponent and the offensive wrestler must move around in order to face his opponent Either one or both individuals could be called for stalling if they were to remain in the situation described (7-6)

SITUATION #19: The referee in a pinning situation pulls the hand of Wrestler A away from the face of Wrestler B Shortly thereafter Wrestler A reverses Wrestler B into a near fall situation and the referee continues the match until the end of the second period The coach of Wrestler B asks for a conference with the official and the coach states that the match should have been stopped immediately after the reversal The referee says the match should continue with no change in the score The third period is completed and, at the end of the match, the referee asks the head official if this was the correct call and the head official says no There should not have been a reversal or near fall awarded to Wrestler A and you should have wrestler the bad time. What is the correct procedure and points that should be scored in this situation?

RULING: An error was made by the official in not declaring bad time at the end of the second period The match should have been stopped as soon as Wrestler A reversed Wrestler B into a near fall situation. However, this error requiring bad time to be rewrestled should have been corrected prior to the start of any subsequent period. Once the third period starts there can be no correction in this error. (6-6-1)

SITUATION #20: At the end of the second period the coach of Wrestler B questions the points that are currently on the scoreboard The scoreboard reads, Wrestler A-6 and Wrestler B-5, The coach of Wrestler B says that a two-point reversal was never recorded and the score should be 7-6. Following approximately a fifteen minute discussion the referee starts the third period Wrestler A has the choice and selects the up position. Wrestler A is able to ride Wrestler B for the third period and the final score is Wrestler A-6, Wrestler B-5. At this time the coach of Wrestler B again goes to the scorer's table and questions the score As he is going to the table Wrestler B leaves the mat area and is later recalled by his coach. Again, following a lengthy discussion, the referee changes the score and agrees that there was an error and the score should be 7 for Wrestler B and 6 for Wrestler A. Was this situation handled correctly in this tournament?

RULING: This is not a correct ruling by the referee. It is a correctable error but in tournament competition it must be corrected prior to the offended contestant leaving the mat area When Wrestler B leaves the mat area this is no longer a correctable error and the score should have remained Wrestler A-6 and Wrestler B-5 (6-6-3)

SITUATION #21: Wrestler A is leading by a score of 10-6 with just a few seconds remaining in the match. Wrestler B reverses A and, in the process, Wrestler A locks hands At the conclusion of the reversal the referee awards two points for the reversal and one point for locked hands. The buzzer sounds and the match ends with the score of 10-9 The referee raises the hand of wrestler A and the contstants leave the mat area During the awarding of trophies for the subsequent weight class it was discovered at the table that the locked hands penalty was the third technical violation and should have been two points instead of one Because of this the wrestlers were called back to wrestle an overtime period During the overtime Wrestler A was given another technical violation that resulted in disqualification.

RULING: The situation described is a total mockery of the wrestling rules. This situation that occurred cannot in any way, shape or form be supported by rule. Once a match have concluded and the contestants have left the mat area there can be no additional wrestling and this type of error cannot be corrected. The final results of the match should have been Wrestler A-10 and Wrestler B-9. (6-6-3)

SITUATION #22: Wrestler A pushes Wrestler B out-of-bounds. Do we have a technical violation or do we have stalling?

RULING: Forcing an opponent out of the wrestling area as a means of avoiding wrestling is a technical violation and shall be penalized according to the Penalty Chart (7-3-2)

SITUATION #23: School A is wrestling School B and neither school has wrestlers in the following weight classes 112, 125, 135 and 145 If you follow the weight order listed in the wrestling rules book these matches would all be for one school as they are all even numbered matches. Can the weight order of competition be changed so as to eliminate this problem?

RULING: Rule 1-1-2 states that the order of competition may be varied by mutual agreement of the two coaches involved at the time of the weigh-in. Therefore the weight classifications could be arranged so that the last four matches were 112, 125, 135 and 145. This would take them clear out of the order and allow each school to have alternate matches This would eliminate the problem of one school having an advantage over the other school. (1-1-2)

SITUATION #24: In the 135-pound match Wrestler A takes his opponent down in the first period and they immediately go out-of-bounds. When they return to the center of the mat with Wrestler A in the advantage position the following occurs: a) Wrestler A is guilty of a false start and incorrect starting position followed by an additional incorrect starting position, b) Wrestler A is guilty of an incorrect starting position followed by a false start, followed by an incorrect starting position; c) Wrestler A commits a false start, followed by another false start, followed by an incorrect starting position. What is the penalty sequence for these three different occurrences?

RULING: In a) the penalty sequence would be; caution, correction, one point. In b) the sequence would be; correction, caution, one point. In c) the penalties would be; caution, one point, correction. (7-3-1)

SITUATION #25: With the contestants in the neutral position Wrestler A initiates a takedown, but, when he gains control over his opponent, the only part of Wrestler A that remains inbounds is his feet. Wrestler B is also completely out-of-bounds. Is this a legal takedown?

RULING: In high school wrestling a takedown from the neutral position requires a wrestler to gain control over his opponent down on the mat while the supporting points of either wrestler are inbounds. If the only points of either wrestler are Wrestler A's feet this is not considered as supporting points and would not be ruled as a takedown. (5-2-1)

1989-90 NATIONAL FEDERATION BASKETBALL RULE INTERPRETATIONS PART II

Officials Manual

256c and 366c should state, "The visual signal indicating the nature of the foul is then given. If player control foul, only use player control foul signal."

SITUATION #19: Following pre-game warm-ups, Team A returns to the dressing room. The referee has each team notified 3 minutes before the game is scheduled to begin. Despite this notification, Team A delays the start of the game for 2 minutes by not returning to the court. The referee determines there is no excusable reason for the delay.
RULING: Team A is charged with a technical foul for delaying the start of the game by a minute or more. (2-4-4, 10-1-3a)
SITUATION #20: Airborne shooter A1 requests a time-out to avoid a collision with B1 who is in legal position.
RULING: The request cannot be honored. Even though a player control foul may result, A1 is no longer in player control as the ball has been released (4-12-1, 5-8-3a)
SITUATION #21: A1 is dribbling the ball when B1 requests a time-out. The covering official instintively sounds the whistle and grants the time-out. While going to the table to report, the official realizes Team B should not have been granted the time-out.
RULING: Once granted, the time-out is charged and may be used as any other time-out granted correctly While it may seem appropriate to cancel the request and resume play immediately, there is no rule-based provision to do so. (2-10; 5-8-3)
SITUATION #22: A1 is at the line for a free throw attempt. After A1 begins the motion prior to release of the ball, B1 fouls A2. A1 continues the throwing motion and the try is (a) successful; or (b) unsuccessful.
RULING: The continuous motion provision applies during a free throw. In (a) the free throw is counted and in (b) no substitute throw results. B1's foul is penalized and play continues from that point. (6-7-7 Exp. c)
SITUATION #23: The coach of Team A informs the referee that one player will be wearing tights which extend below the shorts. A statement from a medical doctor indicates the player has a medical problem which prevents competing without the tights. When the starting players remove their warm-ups, the referee observes the color of the tights is not similar to the color of the player's shorts.
RULING: The player will not be allowed to participate unless the tights are removed or adjusted so they do not extend below the shorts (3-5-5)
SITUATION #24: The ball is rolling loose on the floor when A1 dives and secures possession of it while completely stretched out with his or her stomach on the floor. A1 then: (a) moves up to one knee, or (b) moves up to both knees. Has A1 traveled?
RULING: A1 has traveled in (a) and (b). (4-38 Ques. 2)
SITUATION #25: A1 releases the ball on a throw-in. B1 slaps the ball back toward A1 who jumps from out-of-bounds and catches the ball. A1, while still airborne, (a) requests a time-out; or (b) passes the ball to A2.
RULING: A1 caused the ball to be out-of-bounds in both (a) and (b) the instant it was touched. In (a) the time-out cannot be granted as a violation occurred before player control was gained. In (b) the violation causes the ball to become dead and no throw-in can be made.(7-2)
SITUATION #26: A1 ends the dribble and attempts to score from 3-point range. The try is short and A1 follows to rebound and catches the ball before it hits the floor. A1 dribbles back to the 3-point area and throws the ball through A's basket.
RULING: Legal procedure. When A1 released the ball on the first try, team control ended and A1 could recover the ball and dribble and shoot again. (4-12-3a)
SIUTATION #27: A1 secures possession of the ball with one knee in contact with the floor. May A1 assume a standing position without violating?
RULING: It depends on what A1 does. If A1 starts a dribble and then rises, no violation has occurred. Also, A1 could pass or try for goal before getting up. However, if A1 attempts to stand up while holding the ball, a traveling violation is charged. (4-38)
SITUATION #28: B1 has established a legal guarding position on dribbler A1 and moves to maintain the position. B1 moves laterally and contact with A1 occurs on B1's chest while both B1's feet are just off the floor. B1's torso is basically upright. B1 did not dive to stay in position but was moving laterally very quickly to stay between A1 and the basket.
RULING: Player control foul on A1. Even though B1 had both feet off the floor on contact, he or she maintained a legal position and A1 is responsible for the resulting contact. (4-22)
SITUATION #29: During the jump ball to start the game, after the ball is tossed: (a) B1 fouls A1; or (b) A1 violates; or (c) A1 intentionally fouls B1. What about the alternating possession arrow?
RULING: In (a) since the bonus is not in effect, Team A will have a throw-in and the arrow will be pointed towards B's basket when the ball is placed at the Team A thrower's disposal. In (b) the arrow will be set toward's A's basket when the ball is at the disposal of a Team B player for the throw-in. In (c) following the free throws, the arrow will be set towards A's basket when the ball is at B1's disposal for the throw-in. (4-3)

SITUATION #30: A1 leaps high for a try for goal and is fouled by B1 just before the ball is released. The foul causes the ball to pop out of A1's hand. However, while still in the air, A1 regains control and throws the ball through the basket
RULING: The basket does not count. The continuous motion provision allows the ball to remain alive following the foul by B1, but the ball becomes dead when the ball popped free as the try was obviously unsuccessful at that point. A1 is awarded 2 free throws for being fouled in the act of shooting during an unsuccessful try. (4-35-4, 6-7 Exp. c)
SITUATION #31: The lead official bounces the ball to the free thrower on the second attempt. When does the ball become alive?
RULING: In this specific situation, the ball becomes alive when it is caught by the free thrower. Free throw restrictions begin at that time. (4-4-7)
SITUATION #32: Team A trails 60-59 with just a few seconds remaining in the 4th quarter of play. A1 is fouled in the act of shooting by B1 but time expires before the ball is in flight. A1 is awarded 2 free throws. The coach of Team B is charged with a technical foul before A1's attempts. A1 makes (a) neither throw; or (b) one throw; or (c) both throws. When does Team A shoot the free throws resulting from the technical foul?
RULING: In (a), (b) and (c) the 2 free throws for the technical foul are attempted as part of the 4th quarter. In (a) the 2 free throws for the technical foul will determine if an extra period is necessary. In (b) the one successful free throw ties the game and if either free throw for the technical is successful, no extra period is required. In (c) the two free throws insure there will be no extra period The penalty for the technical foul is administered immediately after A1's attempts and the results will reflect the final socre. A quarter or extra period does not end until all free throws and related activity has been completed. (5-6; 6-7-7)
SITUATION #33: Injured A1 has been carried from the court to the locker room. After 15 seconds of the replacement time has expired, Team A requests a time-out.
RULING: The time-out cannot be granted until after a substitute has replaced A1. The Team A coach has 15 seconds remaining to do this before a technical foul is charged (5-8-3c; 10-5-8)
SITUATION #34: A1 scores with 8 seconds to play in the 4th quarter but Team A still trails 69-68. The ball comes through the basket and is bouncing near the end line but no B player picks it up for a throw-in. The clock is at 4 seconds when B1 picks up the ball and holds it while time expires. Was this situation administered properly?
RULING: No. The throw-in count should have started as soon as the ball was available for the throw-in even if it was not picked up. If the ball is not available because it has bounced or rolled away, the clock shall be stopped and the ball retrieved by the official and then placed at the disposal of the thrower. This procedure should be used throughout the game, not just the last few seconds. (4-4-7; 4-36-2)
SITUATION #35: A1 ends the dribble in A's frontcourt. B1 slaps the ball out of A1's hands. The ball bounces off A1's foot and rolls into the backcourt. A1 returns to the backcourt and picks up the ball.
RULING: Violation by A1. While B1 may have directly caused the ball to go into A's backcourt, A1 caused the violation by being the last to touch the ball in A's frontcourt and the first to touch after it went to backcourt. (9-9)
SITUATION #36: Team A has control of the ball for 8 seconds in A's backcourt when A1 throws the ball across the division line and into A's frontcourt: (a) the ball strikes the floor in A's frontcourt and bounces there without touching or beign touched by a player; or (b) B1 jumps from A's frontcourt and deflects the ball back into A's backcourt
RULING: In (a) the 10-second count is terminated when the ball touches the floor in A's frontcourt. In (b) the count ended when B1 touched the ball. If A recovers the loose ball is A's backcourt, another 10-second count will begin. (4-4-1,2; 9-8)
SITUATION #37: Team A has used its 4 timeouts during regulation play. The 4th quarter ends with the score tied. Team A requests a time-out to extend the break before the start of the overtime.
RULING: This time-out is still part of the regulation play and since it is an excess time-out a technical foul is charged. The overtime does not begin for time-out purposes until the ball becomes alive, or a foul or violation is called. The free throws are the start of the overtime. (5-11-1,2; 10-1-7)
SITUATION #38: Team A scores a goal and immediately calls a time-out with just 5 seconds remaining in the 4th quarter and trailing by 1 point. Following the time-out A1 inbounds the ball and A2 is fouled in the act of shooting by B1 but the try is successful. The clock shows 2 seconds remaining. Following the goal, the referee recognizes something is wrong and a conference takes place at the table.
RULING: The goal and foul by B1 will be canceled. In addition, a technical foul will be charged to Team A. The referee will have the timer set the clock with 5 seconds remaining to be played. (10-1-8)

VC0004-A-E Hidden Dangers
A lifeguard compares the hidden dangers of swimming in the ocean to the dangers involved in drinking alcohol. The 14 minute film will help students identify: influence of peers, adult role models and TV advertising on drinking behavior; ways of achieving personal satisfaction without drinking; actions that show respect for a person's decision not to drink; and effects of drinking on safe walking and driving.

VC0005-A-E Anything to be a Big Boy? 1/2" VHS
A four minute film of a group of youngsters practicing various break dancing moves as they plan for a dance contest. They are drinking as they practice. A younger boy, Carlos, comes to join the group and wants to be a part of the dance team. He carries a brown bag just like the bigger boys and appears to be drinking, too. While Carlos is impressing his friends with his skill, one youngster picks up Carlos' bag and tastes his drink and discovers Carlos' ruse.

VC0006-A-E Alcohol: The Unlabeled Drug 1/2" VHS
A 14 minute film in which two youngsters try to develop a label for an alcoholic beverage. To do this, they develop information on alcohol and its effects on the body and mind, using very interesting resource materials in preparing the copy for their label on the alcoholic beverage.

VC0007-A-E MTV: It's Your Right to Say "No" 1/2" VHS
This specially prepared MTV (Music TV) presentation in a four minute trigger film format helps children feel it's OK to say NO to alcohol. It involves resisting peer pressure and urges kids not to ride with drivers who have been drinking.

VC0008-A-E Should He Tell? 1/2" VHS
A 5-minute trigger film in which Jeff's dad has come to take him on a weekend fishing and camping trip. His mother cautions the father about behaving (not drinking). Jeff loves being with his father, but the weekend is ruined by the father's abusive drinking. Jeff returns home and his mother tries to find out if the father "behaved." Jeff talks about fishing and tries to avoid his mother's questions.

VC0009-A-E It is Time to Stop Pretending 1/2" VHS
A 5-minute trigger film in which Nancy stops in the health office of her school to talk about her "friend" who is having a family problem involving alcohol abuse. The counselor suggests to Nancy ways to approach the problem and gives Nancy a pamphlet about ALATEEN. Nancy's not sure that her "friend" would want to talk to anyone about the problem.

VC0010 Face To Face (On The Level) Includes Guide Book 1/2" VHS
A video series for fourteen-to-seventeen-year-olds on emotional and social growth and the interaction of emotional and physical health.

VC0011-A-D Carolyn Cade Interview 1/2" VHS
Interview with Student Panel, Interview with Football Co-Capt. Carolyn Cade.

VC0012-A-E Lots of Kids Like Us (Includes study books) 1/2" VHS
This story, told poignantly by children, emphasizes that lots of children have the same troubling experiences with alcohol problems in the family, and that lots of people out there can help. The film is direct, supportive, and provides a strong affirmation of children's ability to cope with difficult problems. Color, 28 minutes. Hazleton-Cork

VC0013-A-E Soft is the Heart of a Child (Includes study books) 1/2" VHS
Soft is the Heart of a Child, a dramatic film, deals with the sensitive subject of how children are affected by alcoholism in the family. It illustrates a classic alcoholic family situation - a father who drinks too much, a mother plagued by frustration, guilt and denial and three children who also suffer. Help arrives in the person of an understanding and perceptive school counselor. Color, 30 minutes, Hazelton - Cork

VC0014-A-E Sons and Daughters/Drugs and Booze (Includes study books) 1/2" VHS
Using scenes from everyday family life, this film offers realistic advice to parents whose children have begun to use drugs. the parents' role in prevention is also explained and reinforced. Color, 28 minutes. Hazelton - Cork

CHOOSE TO LEAD (Includes study books) 1/2" VHS

VC0015-A-C MODULE I - Choose Life and Leadership: Students are introduced to several types of leaders. Corresponding exercises allow them to identify their own leadership qualities.

VC0016-A-C MODULE II - Get Others Involved: Students learn techniques that show them how to be effective leaders without discounting themselves from the group. They learn the distinction between high-threat and low-threat activities and how each can affect the attitude of others in various activities.

VC0018-A-E The Rally 1/2" VHS
The Rally is a 28-minute, 16mm film or video cassette designed to be used for athletic and non-athletic pre-season meetings. It is intended to provoke discussion within coaches, parents and student groups as well as between groups.

VC0019-A-D No Matter How You Say It . . . Say No 1/2" VHS
This 11 minute video cassette features Detroit Pistons' all star guard Isiah Thomas, who visits with a small group of students and tells them how he has dealt with the pressures to use alcohol and drugs. Not only does Thomas tell the youth to say "No" to alcohol and other drugs, he relates ways to say "No" and still be accepted by peers.

In eight short years 140,000 coaches and officials have joined NFICA and NFIOA. The NFICA/NFIOA Boards of Directors decided in 1987 that it was time to serve member coaches and officials with a NATIONAL CONFERENCE. The first three are history and the fourth will be held at the EXCELSIOR HOTEL ON THE ARKANSAS RIVERFRONT, July 25-29, 1990.

In response to attendee suggestions at the first three conferences, more in-depth coaching and officiating schools featuring top national clinicians have been added.

SOME HIGHLIGHTS

- Official NF interpreter meetings for fall sports have been moved from Kansas City to Little Rock just preceding the Conference
- Over 100 breakouts and speakers in nine 1¼ hour clinics plus general sessions
- Actual "on the court" demonstrations and video critiques
- Extensive video instruction techniques
- Sectional and National Awards Banquet
- Annual business meetings of the NFICA & NFIOA
- Exhibit area featuring major suppliers
- Fabulous door prizes
- Spouse breakfast gifts, program and tours
- FCA breakfast
- Arkansas hospitality party and All Star Games

MINUTES OF THE BOARD MEETING

January 19-20, 1990

APPEALS HEARINGS

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn in Louisville, Kentucky on Friday afternoon, January 19, 1990 for the purpose of hearing appeals. The meeting was called to order by President Sam Chandler at 1:00 p.m. Present were all Board members, Commissioner Tom Mills, Executive Assistant Billy Wise, Assistant Commissioner Brigid DeVries and Sports Information Director Julian Tackett. Mr. Harry Loy, representing the State Department of Education was also present. The invocation was given by Mr. Sam Chandler.

President Chandler called on Ms. Beverly Basham who had requested a hearing before the Board on behalf of her daughter, Kerry, a student at duPont Manual High School. Following Ms. Basham's appeal and questions to her by the Board members, C.K. Henry made a motion that the Board waive By-Law 6, Transfer Rule and declare Kerry eligible to participate in interscholastic athletics. Liz Trabandt seconded the motion which passed unanimously.

The next appeal was presented by Commissioner Tom Mills on behalf of Jody Noble. Mr. Mills read a letter from John Paul Amis, Buckhorn High School, regarding Jody's medical history and a request for an extra year of eligibility. Following Mr. Mills presentation and discussion thereof, Bob Rogers made a motion, seconded by Alvis Johnson, that the Board grant Jody Noble another year of eligibility. The motion passed unanimously. Therefore, Jody may participate in interscholastic athletics during the 1990-91 school year.

Commissioner Mills next presentation was on behalf of Principal Thomas Swartz, Pikeville High School regarding his appeal of the site of the 1990 Girls 15th Region Basketball Tournament. Following a discussion of Pikeville's request, Bob Rogers made a motion to deny Pikeville's appeal and leave the tournament at Elkhorn City. Eddie Saylor seconded the motion which passed.

Alvis Johnson made a motion, seconded by C.K. Henry that the Board direct the Commissioner to invite member schools in each basketball district and region throughout the state to adopt a rotation plan for tournament sites, to be submitted to the Commissioner for consideration. The Commissioner would be guided by these recommendations except in cases where it was obvious that a school or schools capable of hosting the tournament were arbitrarily omitted from the rotation plan. The motion passed unanimously.

The next appeal of a regional tournament site was from Supt. Eddie Brown, McCreary County Schools. The Commissioner had set the site of the 12th Region Boys' Tournament at Lincoln County High School. Following a lengthy discussion of Supt. Brown's request, Bob Rogers made a motion that his appeal be denied. Sandy Allen seconded the motion which passed unanimously.

There being no further appeals, President Chandler called for selected items of business from the regular Agenda to be considered.

President Chandler appointed the following committee to study a proposal to be sponsored by the Board of Control on the subject of academic requirements as they relate to participation in interscholastic athletics: Bob Rogers, Charlie Miller, Sandy Allen and Alvis Johnson.

Asst. Commissioner DeVries presented recommendations to the Board from the Track and Field Committee. Following a discussion of these recommendations, President Chandler referred these items to the All-Sports Committee and requested they make a report at the March meeting.

Exec. Asst. Wise then presented a request from Virgie High School to remain in Class A football for the 1990 season. The fact that Virgie is consolidating with Dorton to become Shelby Valley High School and the fact that some players will have had no football experience was the basis for the request. (Dorton has not fielded a football team in the past.) Marvin Moore made a motion, seconded by Charles Miller that Virgie's request be accepted. The motion passed.

Following a discussion of a request from the University of Alabama for the K.H.S.A.A. to survey schools assessing the needs for Athletic Trainers at the secondary school level in interscholastic athletics, Marvin Moore made a motion that their request be approved and that the Board encourage state-wide support. Charles Miller seconded the motion which passed unanimously.

A discussion ensued with regard to moving Soccer from a Fall sport to Spring. A motion was made by Bob Rogers that the Commissioner's office survey the soccer schools for their input on this issue. C.K. Henry seconded the motion which passed by a vote of 10-2.

Executive Asst. Wise recommended to the Board that the officials for the District and Regional Basketball Tournaments be assigned as follows: that all Associations work within the region, but outside of the district of residence for the District Tournament assignments; and for the Regional Tournament, officials will work outside of the region. Huston DeHaven made a motion that the recommendation be accepted. The Board emphasized that no exceptions should be made to this policy.

Mr. Wise reported that $429,855. in ticket sales has been received through this date for the Boys State Basketball Tournament. Advanced ticket sales for the Girls State Basketball Tournament has netted $20,840.

The meeting was adjourned until 9:00 a.m., Saturday, January 20.

MINUTES OF THE BOARD MEETING January 20, 1990

The Board of Control of the Kentucky High School Athletic Association met at the Executive East, Louisville, Kentucky, on Saturday morning, January 20, 1990. The meeting was called to order by President Sam Chandler at 9:00 a.m. Present were all Board members, Commissioner Tom Mills, Executive Assistant Billy Wise, Assistant Commissioners Brigid DeVries and Louis Stout, S.I.D. Julian Tackett and Sectional Director Jerry Kimmel. Mr. Harry Loy, representing the State Department of Education was also present. The invocation was given by Mr. Chandler.

C.K. Henry made a motion that the minutes of the December 1-2, 1989, meeting be approved with one change. Eddie Saylor seconded the motion, which carried unanimously.

Alvis Johnson made a motion, seconded by Liz Trabandt, that the bills of the Association for the period November 1 through December 31 by approved. The motion carried unanimously.

Following a lengthy discussion on the need to change By-Law 6, Transfer Rule as it relates to domestic and foreign exchange students, Bob Rogers moved that the schools be sent a Referendum for their consideration. Sandy Allen seconded the motion which passed unanimously.

BOARD OF CONTROL

President - Sam Chandler (1986-1990) Shelbyville; Vice-President - David Points (1988-1991) Mt. Sterling; Directors -Sandy Allen (1988-1992) Louisville, Huston DeHaven (1987-1991) Hardinsburg, Charles Henry (1988-1992) Paducah, Alvis Johnson, (1989-1993) Harrodsburg, Charles Miller (1986-1990) Louisville, Marvin Moore (1988-1992) Morehead, Jack Portwood (1989-1993) Stanford, Bob Rogers (1989-1993) Murray, Eddie Saylor (1989-1992) Molus, Liz Trabandt (1988-1991) Ashland; State Department of Education - Harry Loy, Frankfort.

President Chandler then called on Charles Miller, Chairman of the Football Committee for his report. The committee presented a proposed realignment for 1991-1994 to be considered by the football schools. The Board also discussed submitting two Referendums to the schools regarding By-Law 25, Section 4. The Referendums deal with improvement of the present playoff system to allow the top four (4) teams in each district to advance to the play-offs and a later starting date for organized practice in pads. Bob Rogers moved that the Board accept the Football Committee's request to submit these Referendums to the schools. C.K. Henry seconded the motion which passed.

The next item on the Agenda was a presentation by David Hollon, Asst. Supt. Muhlenberg County Board of Education, regarding their football program. Due to the fact that seven of the county schools are consolidating into two schools, Mr. Hollon, along with other representatives of Muhlenberg County Schools, addressed concerns regarding their present position in the district alignment. President Chandler advised Mr. Hollon and others that their concerns would be given every consideration.

Following a discussion on the need to assign new and consolidated schools to basketball districts, it was decided that this item of business be deferred to the March meeting of the Board.

Commissioner Mills then discussed with Board members several proposals to be considered by the 1990 Delegate Assembly. Topics included in the proposals are: increasing the Board's number to 22 members; lifetime membership to the K.H.S.A.A.; amendment to the Limitation of Seasons; dates and sites of regional basketball tournaments.

Following a discussion to increase the number of players that may dress for district, regional and state basketball tournament play, Alvis Johnson made a motion that the Board allow fifteen (15) players to dress for tournament play to be effective immediately. However, the Board will reimburse for twelve (12) players at the State Tournament. Eddie Saylor seconded the motion which passed unanimously.

Upon the recommendation of Commissioner Mills, Alvis Johnson made a motion, seconded by Charles Henry, that the Commissioner be empowered to grant each team that participated in the State Football Playoff Finals $1,200.00 to help defray expenses. The motion carried unanimously.

Exec. Asst. Wise reported to the Board that the Final Report for the Football Playoffs and the report on the Hall of Fame game will be presented at the March meeting.

Commissioner Stout advised the Board of the recent Baseball Committee Meeting and the recommendation of the Baseball Umpires Association regarding a request for increase in game fees. Following a discussion of the suggested increase, Bob Rogers made a motion that the game fees be as follows: $27.50/game; $55.00/double header; .15/per mile -- all over 50 miles. David Points seconded the motion which passed by a vote of 10-1.

Commissioner DeVries discussed two items with the Board: a letter from Lawrence County regarding Fall Tennis and a new fee structure for Volleyball. Both items were referred to the All-Sports Committee.

Executive Asst. Wise advised that the next meeting of the Board has been set for March 16 at 8:30 a.m. in Bowling Green. Any appeals will be heard at the Regular Meeting.

The Board requested Commissioner Mills to request bids for hosting the 1992 Boys and Girls State Basketball Tournaments for presentation at the April meeting.

Alvis Johnson made a motion that the meeting be adjourned. Charles Henry seconded the motion which carried unanimously.

STATE GOLF COMMITTEE MEETING

January 22, 1990

The State Golf Committee for the Kentucky High School Athletic Association met on Monday, January 22, 1990, at the Kentucky High School Athletic Association Office in Lexington. The meeting was called to order by Billy V. Wise, Executive Assistant, at 10:00 A.M. Attending the meeting were Cathy Gullett, Ernie Denham, Bill Frost, Dave Bair, Kim Gunning, Joseph Fresley, Lou Brown, Marty Donlon, John Hackett, Danny Spillman and Larry Schmidt. Brigid DeVries, Assistant Commissioner also attended the meeting.

All information for State and Regional Tournaments was reviewed and minor changes were made for the current season. The Kentucky High School Athletic Association announced that the Boys' State Tournament would be held at Lincoln Trail Country Club, Elizabethtown, Kentucky. Date for the Regionals: May 21-23, 1990. Date for the State: May 30-31, 1990. Earl Cox announced that there will be a cook-out at the Lincoln Trail Country Club on May 29 for all participants and coaches in both the boys' and girls' tournaments.

Danny Spillman made a motion, seconded by John Hackett that five schools from the Bowling Green Region be moved to the West Jefferson Region. These schools are: Elizabethtown, Fort Knox, East Hardin, North Hardin and West Hardin. The vote was unanimous.

There was also some discussion that there were too many schools in the Frankfort Region. Dave Bair and Bill Frost are to work on dividing the Washington County Region and the Frankfort Region into three regions for the 1990 fall season.

Larry Schmidt suggested that the Kentucky Golfers Association provide a state wide clinic for all coaches. After much discussion it was suggested that they set up one clinic and see what response is received. Hopefully in the future there would be several clinics set up throughout the state so more coaches could participate.

There was a lengthy discussion concerning the 1990 fall golf season. The Golf Committee made a proposal regarding season play and dates for the Regional and State Tournaments for 1990. This proposal will be submitted to the Board of Control for discussion and approval, after which it will be presented to the Delegate Assembly in April for their approval. The motion made by John Hackett, seconded by Larry Schmidt is as follows: (1) organized golf practice cannot begin prior to July 15 (2) the season will begin August 20 and end the first week in October (3) Regional Play will be October 8-10 (4) the State Golf Tournament will be October 16-17. The vote was unanimous.

Cathy Gullett proposed that teams be allowed to designate five golfers and play four for both regional and state tournament play, effective in the fall of 1990. Marty Donlon made the motion, seconded by Cathy Gullett that this proposal be presented to the All-Sports Committee and then to the Board of Control for approval. Committee members were unanimous in their support for this proposal.

There being no further business, the meeting was adjourned.

STATE SOFTBALL COMMITTEE MEETING

February 10, 1990

The 1990 State Softball Committee meeting was held in Lexington, Kentucky on February 10 at the Kentucky High School Athletic Association office. Those members present were: Tim Moore, Chairman, Northern Kentucky, Jim Perrin, Western Kentucky, State Kaufman, Louisville, Ed Holbrook, Southern/Eastern, Jennifer Mertle, Northern Kentucky. We had two members that could not be present for the meeting.

The committee discussed the District sites for the 1990 season and felt that due to some changes in the alignment for this season, that an effort be made by each district to vote to have the tournament rotated each year providing the facilities would permit this to take place.

Those districts that have not been assigned for this year will be contacted by the softball committee members as to the district sites for this season. The Regional sites that have been made will be as assigned unless the realignment will cause a change. The committee has recommended for the 1991 season that all regional sites be placed on rotating basis where possible.

The committee approved the sites for the 1990 district and regional sites where the realignment do not call for the district or regional to be reassigned. Concerning the site for the 1991 state softball tournament, Steve Kaufman, Louisville, made the motion that the state tournament be held in Owensboro, Kentucky. Jim Perrin, West Kentucky seconded the motion. The motion passed unanimously. The Committee recommended that the post season tournament games be played with the non-restricted ball (White Stitch). The motion was made by Jim Perrin and seconded by Ed Holbrook. The motion passed unanimously.

The committee recommended that Tim Moore contact the Eight Region Athletic Directors/Coaches to determine the alignment in each of the four districts. The committee recommended that for travel reasons, Clark County be moved to District 40, Region 11 beginning with this season. **However, after discussing the possible change with Clark County, and since their schedule has been completed for the 1990 season, they have requested to remain in district 38 for this season and be placed in district 40 for the 1991 season.**

The committee recommended that Region 12 be realigned to satisfy the travel for the schools in the Eastern Kentucky area.

The realignment will take place in the districts beginning with:

DISTRICT 43 - Pulaski County, Laurel County, Corbin, Rockcastle, Somerset.
DISTRICT 44 - Knox Central, Whitley County, Williamsburg, Oneida Baptist Institute, Lynn Camp.
DISTRICT 45 - Monticello, Russell County, Wayne County, McCreary Central, Casey County.

FOOTBALL SCHOOLS ENCOURAGED TO HOLD OFF ON SCHEDULES

Due to the fact that there is the potential for a significant realignment in football, football playing schools are encouraged not to sign contracts which call for games beyond the 1990 season The starting date will change in 1991, as well as the district alignment changes and until this alignment is finalized, probably in the early spring, it would be advisable to hold off from finalizing schedules and contracts A meeting to further discuss the alignment will be held on Wednesday, April 18 in the offices in Lexington

KAPOS NEWS STATE TOURNAMENT INFORMATION

Participating cheerleader and cheerleading coaches registration: all cheerleading squads and/or coaches are asked to stop by the KAPOS table to:

1. Register your squad.
2. Pick up important information and materials for you and your school.

Along with a KAPOS board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all cheerleading coaches and cheerleaders that KAPOS hosts a Hospitality Room for participating cheerleaders. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

"Sweet 16" Cheerleading Squads: **Attention Principals!** If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleading coach. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with your cheerleading coach's name, must be contained in the letter of confirmation which you will receive. This letter must be in the hands of the KAPOS officer prior to the time that your cheerleaders take the floor.

Important! Please be sure that your school is a paid member of KAPOS or pays the fee before their first game in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these awards will be determined by use of the KAPOS Judging Sheet, a copy of which appears in the KAPOS Handbook.

AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning cheerleader squad in the Boys' Sweet Sixteen will receive the Ted Sanford Trophy; in the Girls' Sweet Sixteen the Tom Mills Award. The runner-up cheerleading squad will receive a trophy, with the third and fourth place squads being awarded plaques. In addition, the special K-Pep Award will be presented. All tournament cheerleading squads and their coaches are asked to be located close to the playing floor so they can easily come on the floor should they be called for an award.

GOVERNOR WILKINSON DECLARES GOOD SPORTSMANSHIP MONTH

While every month should be Good Sportsmanship Month, KAPOS has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Wilkinson. The Governor's proclamation is on display at the KAPOS table.

STATE-AT-LARGE CHAMPIONS

Recognition is annually given to cheerleading squads other than those sixteen forturnate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer trophy, while the runner-up will receive the KAPOS President's Trophy. Plaques will be given to the third and fourth place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn the girls' varsity winner and runner-up and the boys' winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the Boys' State-At-Large winners will take place at 8:30 A.M., on Saturday, March 24, in Louisville at Broadbent Arena.

Judging for the Girls' State-At-Large winners will take place at 8:30 A.M., on Saturday, March 17, at Warren Central High School, Bowling Green. The public is invited to these outstanding events. The admission charge of $3.00 will go toward the expenses of KAPOS scholarship award, details of which are supplied below.

At the conclusion of the judging, trophies will be awarded to the top squads, in addition to several special awards.

NOTES TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from his or her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

STELLA S. GILB SCHOLARSHIP

KAPOS is happy to annually award the Stella S. Gilb Scholarship to outstanding cheerleaders from Kentucky. In 1989, KAPOS awarded 13, $500 scholarships to well-deserving cheerleaders. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 30. Contact a KAPOS board member or officer for application forms, or pick them up at the State Tournament KAPOS Table.

KAPOS SERVICES

- Maintains an affiliation with the KHSAA in order that we may help them and they may assist us in any way possible to promote good sportsmanship in the state of Kentucky.
- Maintains continual communication with cheerleading coaches in the state to ascertain their needs, problems, suggestions and criticism.
- Publishes The Handbook of the Kentucky Association of Pep Sponsors.
- Holds judging clinics to promote better understanding between cheerleading coaches and judges, and to encourage consistency in interpretation of KAPOS rules and recommendations.
- Sponsors awards to outstanding cheerleading squads at the district regional, and state levels.
- Sponsors the judging of outstanding cheerleading squads at the State Tournament for the "Sweet 16" Competition.
- Sponsors Sportsmanship Month during the month of March.
- Hosts the KAPOS table and the KAPOS Hospitality Room at the State Tournament both Boys' and Girls'.
- Sponsors the Stella S. Gilb Scholarship, an educational scholarship awarded each year to outstanding an deserving cheerleaders in Kentucky.
- Presents "Cheerleading Coach of the Year Award".
- Presents the "Pat Dooley K-Pep Award" in each region and state tournament.
- Members serve as instructors and judges as requested by the various groups (KHSAA, YMCA, NCA, schools, etc.)

MEMBERSHIP REQUIREMENTS

Membership in KAPOS is open to all schools, elementary, secondary and college level, who are affiliated with a school system in Kentucky. Dues are $2.00 per varsity cheerleader plus $2.00 for the coach, and entitle the school to membership in the organization for the fiscal year from July 1st through June 30th.

Dues should be paid to the treasurer of KAPOS by Jan. 15. A membership card will then be returned to you. A KAPOS handbook is mailed to all high school principals at the beginning of each school year.

State Softball Committee Minutes
(continued from page five)

The committee recommended that Region 13 be realigned as outlined and presented by Ed Holbrook, motion was made by Tim Moore, seconded by Steve Kaufman. The motion passed unanimously.

The softball committee recommended that the State Softball Tournament beginning in 1991 be a double elimination tournament. Due to the short period of time that it takes for a softball game to be played, the committee felt that it would constitute only one more day for the format to be added. With the four fields that are available on the same site in Owensboro, the tournament could be played in two days as it is played currently. The committee would also like to recommend that the tournament play begin on Friday rather than on Thursday so that the fans will have an opportunity to see their teams play. Also this would not constitute the teams being out of school on Thursday. The rain possibility would be to play the remainder of the games on Sunday.

The Softball Committee recommends that the softball program be granted the two tournament right as the basketball program with the two tournaments counting one game each. This would not be counted against their 35 game limit regular season play. Motion made by Ed Holbrook and seconded by Steve Kaufman. The motion passed unanimously.

1990 NATIONAL FEDERATION TRACK & FIELD RULE INTERPRETATIONS PART I

PUBLICATIONS CORRECTIONS

Rule Book

Page 35 - Editorial Change - Rule 6-2-1, replace "heats" with "trials" in the second sentence.

Track Exam

Question #51 - The throwing sector in the shot put is 65.6 degrees (figure 4, page 39)

Case Book

Page 4 - Situation 2.2.2 11 (d), incorrect ruling. This situation does not warrant the use of a tie breaker procedure since B1 had clered the bar at 6'4". B1 would be awarded first place and A1 second.

To clear up the situation where a competitor has a passed height and a jump-off is necessary, please note the following situation:

SITUATION #1: A1 and B1 are the two remaining competitors in the high jump and are successful at clearing the bar at 6'3". B1 passes at 6'4" and A1 misses his three trials at this height. B1 then fails in his three attempts at 6'5". Since both have the same number of successful and unsuccessful trials, the judge declares both are tied for first place at 6'3". To break the tie, the juddge gives both competitors another attempt at the lowest height last attempted by either competitor, in this case 6'4". A1 fails his fourth attempt at 6'4", while B1 successfully clears the bar B1 is awarded first place with the official winning height of 6'3".

RULING: The judge is correct at beginning the jump-off at 6'4". Since the height last attempted by both competitors was not the same, both would be given a fourth trial at the lowest height missed by either competitor, 2-2-2-2 11 (d) Note 1.

COMMENT: The purpose of the note in 2-2-2 11 (d) is to determine where to begin the jump-off when two or more competitors are tied for first place and their last attempted height is not the same due to a passed height

SITUATION #2: The 4 x 400 meter relay is being run from a two-turn stagger. A2 takes the baton from A1 at the beginning of the exchange zone in lane 8 and immediately begins moving towards the inside lane without causing interference with any other runner. Following the race, Team A is disqualified on the basis of an Inspector's report that A2 left his assigned lane before passing the mid-point of the exchange zone. Team A's coach files an appeal.

RULING: The appeal will be upheld. (5-9-4)

COMMENT: While it is important that the first exchange in the 4 x 400 meter relay is mae in the assigned land, once the echange has been completed, the out-going runner is free to move towards an inside lane at any time as long as the runner avoids interference with any other competitor. The so-called "mid-point" in the exchange zone has no bearing on the legality of the exchange. Lane assignments for the first leg of the 4 x 400 relay only apply to the first runner when a two-turn stagger is used.

SITUATION #3: Prior to the start of the 4 x 100 meter relay, it is noted that Team A is wearing undergarments under their school issued jersey and shorts. A1 and A2 are wearing red leotards and A3 and A4 are wearing red bicycle shorts. Bot the leotards and bicycle shorts have no markings or design. The referee determines that the uniform is illegal, citing that undergarments must be of the same color and length. The coach of Team A protests that his team was wearing a legal uniform.

RULING: The referee was in error. The undergarment must be of the same color, but not the same length. (4-4-4)

COMMENT: The school-issued jersey and shorts must be the same color and design. When other apparel is worn under the school uniform, it shall be of the same color for al teammates choosing to wear them, but not necessarily the same length.

SITUATION #4: In a relay race in which the acceleration zone is not permitted, the outgoing relay runner A2 takes a position just inside the rear limits of the exchange zone in the 4 x 100 meter relay. As incoming runner A1 approaches, A2 begins his acceleration by taking a step backward with his right foot, which places his foot on the track behind the limit of the exchange zone.

RULING: Violation. The terms and conditions of the meet specifically states, "acceleration zones will not be used." Therefore, when the runner stepped out of the exchange zone, it would be an unfair advantage to the other competitors. (5-9-10).

SITUATION #5: At the completion of a cross country state qualifying meet, it is discovered that a participant who had not been entered in the meet for Team B illegally entered the course and crossed the finish line. The referee disqualified the illegal participant and all members of Team B. Since B1 and B2 finished in the top 1 as individuals, the coach of Team B asks if they would advance to the state finals as individuals

RULING: Since all members of Team B were disqualified, B1 and B2 should not be awarded the top 10 placing which would qualify them for the state meet. A disqualified competitor cannot place or qualifty for the next round of competition. (4-5-6, S.R., 4.5.6.)

SITUATION #6: The games committee for the conference track meet wants to use a one-turn stagger for the running of the mens' and womens' 800 meter run. However, they have more entries than the number of lanes available and decide to assign two runners to a lane with one being assigned on the lane line. The runner assigned to the lane line would run on the line throughout the first curve and would be given a half a stagger advantage over the competitor in the lane. When the meet information was mailed to all coaches, several protested this decision and the games committee sought a ruling as to their authority to implement such a procedure.

RULING: While the games committee has the right to establish starting procedures for their track meet, any procedures that they adopt must be within the restrictions of the rules. Since there is no rule support for enforcng "running on a line" or for being given a half stagger advantage at the start, the procedure described above would not be appropriate and should not be used. (5-3-2)

COMMENT: If the games committee wants to use a one-turn stagger for the running of the 800 meter run, it is recommended that alleys be used and three or more runners can be assigned to each alley.

SITUATION #7: At the beginning of the competition in the triple jump, the judge decides to use the takeoff board closer to the pit for the girls' competition. A1 requests to jump from the takeoff board farthest from the pit and is given permission to do so by the judge. (a) A1 requests permission to take her third jump from the board closer to the pit, or (b) without informing the judge, A1 takes her third jump from the board closer to the pit.

Legal in (a); Illegal in (b). (7-5-7 Note, S.R. 7.5.7.)

COMMENT: It would be permissible for A2 to change her takeoff board, but only with prior approval of the event judge. Such a change would be without the benefit of a run through.

SITUATION #8: During competition in the high jump, A1 uses a device with two spikes that straps over the heel of the shoe of his takeoff foot. Upon completion of the event, which A1 finish first, Team B's coach appeals the awarding of first place to A1 on the grounds that he was using an illegal device.

RULING: Appeal denied. (7-2-8, S.R. 7.2.8B)

COMMENT: The device worn by A1 would be no different than the other jumpers wearing a jumping shoe in which the manufacturer placed two heel spikes. As long as the device does not give A1 an unfair advantage, it would be considered legal to use.

SITUATION #9: A1 has the best mark in the prelims of the long jump. After all other finalists take their first attempt in the finals, A1 decides to pass (#4) because he still has the best jump. However, in round #5, B1 betters his jump so he takes jumps #5 and #6, finishing with the second best jump behind B1. A1 asks the judge for permission to take the jump that he passed. The jude permits the jump, which esceeds B1's best jump and is awarded first place by the judge. B1's coach appeals.

RULING: The appeal is upheld and B1 is given first place and A1 second place. (7-5-10, S.R. 7.5.10)

COMMENT: The referee should disallow the last attempt by A1 as it had previously been passed. The event judge erred in permitting A1 to take a passed jump at a later time. A1 was given the last jump of the competition as he was entitled.

SITUATION #10: A1 who has the best jump going into the finals of the long jump, (a) personally informs, or (b) has a teammate inform the event judge that she will not compete in the finals. After the second round of the finals. After the second round of the finals, B1 takes the lead. A1 returns before all jumpers complete their final attempt and asks the judge to take her last jump in the proper sequence.

RULING: The judge should permit A1's last jump.

COMMENT: When a competitor announces that they have no intention of continuing in competition, they are merely indicating that they intend to pass each attempt as it comes up. If the competitor wants to take an attempt when it is called (normal sequence) he/she may do so as each attempt is passed individually. The responsibility of informing the judge is entirely the competitors.

1989 Interpretations I

#12 Ruling-Change "second" to "third".

#16 in second line of situation, delete "is hit by a pitch" and replace with "walk"

#18 Ruling-Last word to be "infraction."

1990 Examination I

Question #24 answer should be True.

SITUATION #1: After a game, the umpires are discussing a call that both coaches and fans felt was incorrect. For an official interpretation one umpire suggests contacting, (a) a college umpire, (b) a local sportswriter, (c) the state association office or (d) any national magazine or publication that provides a rules interpretation service.

RULING: Requests by umpires, coaches, fans, etc., for rule interpretations or clarifications should be directed to the appropriate state association, which is responsible for administering and conducting the state's high school softball programs. The National Federation will assist state associations whenever called upon concerning rules, interpretations, etc. Prospective sources for rules interpretations, such as (a), (b) and (d) are not part of the National Federation rules network and have no "official" status with regard to interpreting National Federation rules. By working directly through state associations, confusion and the risk of receiving an incorrect interpretation are greatly reduced. (Inside Front Cover-Rule Book)

SITUATION #2: With R1 on third and R2 on first, B3 strike out and interferes with F2's attempt to put out R2, who is stealing. The throw goes into center field and R1 scores.

RULING: R1, the runner closest to home, is called out because of B3's interference. R2 is returned to first base. 7-2-5 Penalty

SITUATION #3: A batted ball deflects off the glove of F1. F5 reverses direction as a result of the deflection and dives toward her left in an attempt to back hand the ball. In so doing, F5 and R1, who was advancing to third, collide. R1 could not alter her base path in time to avoid the collision. Is R1 out for interference or is F5 guilty of obstruction?

RULING: Neither R1 or F5 are at fault. This is simply a collision. R1 ccannot be held liable for running into F5 because F1 deflected the ball into the base path. Had R1 had an opportunity to avoid contact with F5, but initiated contact anyway, then interference would be called. (8-4-2-j)

SITUATION #4: With the bases loaded, F6 asks the umpire how many are out. The umprie indicates that there are two outs. On the next pitch, B5 hits a ground ball to the second base side of F6, who fields the ball, steps on the base and rolls the ball to the pitcher's plate. Thinking that was the third out, the defensive team leaves the field, only to be informed by the umpire-in-chief that there are two outs. The coach of the defensive team appeals, claiming that the base umpire misinformed his players concerning the number of outs, which contributed to the opposing team's runs.

RULING: The defensive team has the responsibility to know how many outs there are. Even though the umprie misinformed the defensive team, the play stands. (10-2-3-g)

SITUATION #5: With R1 on third and no outs, B2 hits a high fly in the infield above the second baseman's head. Base umpire erroneously calls "infield fly. The batter is out." The second baseman subsequently drops the ball. The runner from third scores but the batter, who hesitated, because of the umpire's call was thrown out at first base. Does the play stand?

RULING: The play stands. The team at bat has the responsibility to know when conditions exist for an infield fly. B2 should have attempted to reach base safely and then inform the umpire that her call was in error. (2-8-5, 7-4-g)

SITUATION #6: R1 steals seconde before F2 can make a throw. As R1 dusts herself off, F6 tells her that the ball was hit foul. R1 trots back to first base and is immediatly tagged out. R1 claims that F6's comment caused her to be put out and asks the umpire to nullify the out and allow her to remain at second base

RULING: R1 has the responsibility to know whether the ball was hit foul or not. Furthermore, R1's base coaches should have kept R1 informed. Therefore, the out stands. However, the umpire should warn F6 not to repeat her actions. (8-4-2-e)

SITUATION #7: Prior to the game, the coach of the home team provides the umpire-in-chief with new game balls. Upon a closer examination, the umpire realizes that the softball is a molded ball and does not have stitched covers.

RULING: If the coach does not have legal softballs, the visiting team shall be given the opportunity to provide the game balls. If possible, new softballs should be provided. However, if none are available, legal softballs in the best condition should be used. (1-3-4)

SITUATION #8: With R1 on first base, B3 bats out of order and hits to F5 who forces R1 out. The infraction is discovered before the next pitch.

RULING: The player who should have batted shall be out. R1 is returned to first base. The proper batter shall assume her position in the batter's box with no ball or strikes. (7-1-1) Penalty

SITUATION #9: Team A's players are wearing plastic visors covered with a soft material

RULING: Even though the plastic is covered, there is still the possibility that it could break, which would pose a safety risk to participants. Any similar substance covered by a soft materials would also be illegal (1-1-5)

SITUATION #10: S1 pinch hits for B1 and singles, but fails to report. The infraction is then brought to the impire's attention (a) before the next pitch or (b) after a pitch has been thrown.

RULING: In (a) and (b) S1 is ejected. In (a) B1 is out for not batting in the proper position. The play is nullified. In (b) the play stands, because the infraction was detected after a pitch. Since S1 is ejected, a legal substitute must replace S1. (3-1-4, 7-1-2 Penalty)

SITUATION #11: With R1 on first and R2 on second, F1 delivers a pitch into the dirt that gets away from F2. While chasing the ball, F2 (a) accidentally or (b) intentionally kicks the ball into dead ball territory.

RULING: In (a) each runner would be awarded one base from the base they occupied at the time of the pitch. In (b) if in the judgment of the umpire F2 intentionally caused the ball to become dead, all runners are awarded two bases beyond the base they last legally occupied at the time of the infraction. Until the ball receives new impetus, it is still considered a pitch. (8-3-3-c, d)

SITUATION #12: F1 with the ball in her pitching hand extends her arm completely forward at should level. Then, as it doing the backstroke, she makes one revolution and then another, but releases the ball past the hip on the second time around.

RULING: Legal, since she did not make two complete revolutions. A revolution is measured from the start of the revolution. (6-1-4-d and 6-1-4-d Note)

SITUATION #13: In the first inning after three pitches have been thrown, torrential rains force the umpire to cal the game. Is this a suspended game?

RULING: Yes. (4-3-1)

SITUATION #14: Team A arrives at the field wearing jeans with T-shirts that display advertising of a local merchant. Is that team in violation of the rules?

RULING: No. Uniforms of all teams members should be of the same color and style. Jeans are not prohibited, and neither is advertising that appears on uniforms. However, state association regulations may prohibit either or both. (1-1-5)

SITUATION #15: With the bases leaded and no outs, B4 receives ball four. On her way to first base, she takes off her helmet and exchanges it with the next batter.

RULING: B4 is called out immediately. The ball remains alive. The award remains in effect. Therefore each runner is allowed to advance. (8-4-1-g, 10-2-3-g)

SITUATION #16: R1 is on first, F1 commits an illegal pitch. Plate umpire calls "Illegal Pitch." R1 leaves base too soon after illegal pitch is called. Base umpire calls "No Pitch" and declares ball dead. B1 hits the illegal pitch and advances to third.

RULING: Illegal pitch. A ball is called on the batter, and R1 is advanced to second base. Since the illegal pitch occurred before R1 left base too soon, the penalty for illegal pitch shall be administered. Since the base umpire declared the ball dead with the "No Pitch", B1 cannot be awarded third base for the hit. The ball was dead when the batter hit it.

STATE SOCCER COMMITTEE MEETING

January 26, 1990

The State Soccer Committee met in the KHSAA office at 10:00 AM on January 26, 1990. Members present were: Rick Kazee, Jeff Lindon, Steve Son, Roy Wilder, John Hannon, Cy Tucker, Sarah Weaver, Brother Charles Cully. The meeting was chaired by Assistant Commissioner Louis Stout.

Mr. Stout introduced the Committee members to Mr. Jack Wise; Mr. Wise will be representing regions 9-12 as one of the Sectional Directors who will be working with the local associations and the Policy Boards in each of the four regions.

Mr. Stout informed the Committee that the KHSAA will mandate clinic attendance for all coaches and officials beginning with the 1990 soccer season. A working school for officials will be required for all officials by the summer of 1991. Every official must attend the first year; those officials who have attained the rating of certification will be required to attend every two years. The soccer committee has been asked to search for a person(s) that would be qualified to instruct the training school for officials.

The soccer clinic dates for 1990 have been set as follows:

Aug. 11 - Madisonville-N. Hopkins H.S.	11:00 AM
Aug. 13 - Louisville Trinity H.S.	7:00 PM
Aug. 14 - Elizabethtown H.S.	7:00 PM
Aug. 15 - Covington Holmes H.S.	7:00 PM
Aug. 16 - Lexington Lafayette H.S.	7:00 PM
Aug. 17 - Ashland Paul Blazer H.S.	7:00 PM

The clinics will be conducted by Ms. Sara Weaver. She will be assisted by one of our soccer officials. (to be named at later date)

The committee recommended the following fees schedule for soccer officials:

DISTRICT TOURNAMENT - $25.00/man for 3 man crew; $35.00/man - 2 man crew.

REGIONAL TOURNAMENT - $30.00/man for 3 man crew (all regionals will be required to use the 3 man system).

SECTIONAL TOURNAMENT - $40.00/man for 3 man crew (all sectional tournaments will be required to use the 3 man system). The motion to adopt the above schedule was made by Rick Kazee, seconded by Jeff Lindon, and passed unanimously.

The committee requested that the starting date of July 15, 1990 for soccer be listed in the minutes.

The committee has asked the KHSAA to survey the soccer schools to determine the overtime rules for the regular season. The survey should contain the recommendation of the committee that in case of a tie in the regular season, the teams shall progress directly to penalty kicks. In invitational tournament play during the regular season, the Federation tournamen progression rules will be followed. This recommendation in the form of a motion was made by John Hannon, seconded by Jeff Lindon, passed unanimously.

Rules and Regulations: Recommended by the committee for Board of Control consideration:

IV-A "Shall read: The district meetings shall be held no later than the last Sunday prior to the district tournament."

V - "Shall read: A school may enter an unlimited number of players in uniform in the district, regional, or state tournament with reimbursement for only twenty-four (24) players.

In the tournament information that goes out soliciting sitesfor tournament play, the committee recommended that the sites meet minimum requirements as set by the National Federation.

Cy Tucker shared a letter written by Alex Chater of Atherton High School regarding the limitation of season rule.

Jeff Lindon made a motion, second by Rick Kazee, that the 1990 state finals be held at Woodford County High School. The motion passed unanimously. Brother Cully moved, seconded by Sarah Weaver, that the committee look at Western Kentucky University as a possible site for future state tournaments. The motion passed unanimously.

Meeting adjourned at 2:00 P.M.

The instructions on the applications should be self-explanatory, and are available by calling (719)632-7687.

FOOTBALL SCHOOLS ENCOURAGED TO HOLD OFF ON SCHEDULES

Due to the fact that there is the potential for a significant realignment in football, football playing schools are encouraged not to sign contracts which call for games beyond the 1990 season. The starting date will change in 1991, as well as the district alignment changes, and until this alignment is finalized, probably in the early spring, it would be advisable to hold off from finalizing schedules and contracts. A meeting to further discuss the alignment will be held on Wednesday, April 18 in the offices in Lexington.

It was felt by the Board of Control that to try and address this issue during one of the state tournaments would force the Association to do a "rush" job as it pertains to the input from the member schools. Therefore a meeting will be held at the Association offices on April 18, with Class A schools addressing the alignment from 8:30 to 10:00 a.m.; Class AA from 10:15 a.m. to 11:45 a.m.; Class AAA from 1:30 to 3:00 p.m. and Class AAA from 3:15 to 4:45 p.m. Representatives wishing to speak to the alignment should notify the office in advance, as we will try to maintain an orderly meeting.

SPORTS MEDICINE SYMPOSIUMS

The first part of the schedule has been announced for the Medical Symposiums which are a bi-annual requirement for coaches in all sports. The following dates and sites have been sanctioned - June 2, Elizabethtown Surgical Center; June 9, 1990, University of Louisville; June 16, University of Kentucky; June 16, Eastern Kentucky University; June 22, Madisonville; June 23, Paintsville; June 30, Murray, Murray-Calloway County Hospital; and July 20 and 21, Northern Kentucky University. Further details will be mailed to each school, and will be listed in an upcoming issue of this magazine.

IMPORTANT NOTICE CONCERNING DISQUALIFICATIONS

By Board of Control action, all participants and/or coaches who are ejected from a contest for unsportsmanlike conduct shall be suspended from competition for a minimum of one game.

It also should be noted that officials who disqualify participants, and then do not report that disqualification to the Association office in a timely manner may face suspension from officiating!!

With this in mind, it is important to adhere to the following procedure should a representative of your school be ejected for unsportsmanlike conduct. 1) Be sure you receive a disqualification card from the contest official; 2) Contact this office in writing to request reinstatement of the participant; 3) Inform the participant/coach of the suspension. You will be notified by return mail as to the end of the suspension, and the date or day when the player/coach will be eligible to return to competition. Contest officials also are reminded to use an ink pen and to press hard as the third copy is often illegible if done in pencil.

NOTE Any person who is suspended from a contest may not dress for that contest in game uniform. They will however be covered by the catastrophic insurance policy insofar as practice is concerned unless you are otherwise notified.

FROM THE GALLERY

One of our member school coaches sent in the following brief poem which was written by a participant on the girls' basketball team at the school. It perhaps addresses from the "forgotten" perspective, that of the student athlete, what high school competition is all about.

It's round and orange, it's passed and caught
Down the court, the goal is sought.
We run, we fake, we call the plays,
We shoot the ball in different ways.
We take our time when in the lead,
We quicken pace for points we need.
It's all a game, and though we try
Those games we want, sometimes pass by.
Not all is lost, keep up your chin,
In the end, what do we win?
It's quite important to succeed,
But there are things we much more need.
What about the fun we share,
Up in the stands, braiding hair.
In locker rooms, the things we say,
Will be remembered for laughs one day.
And even deeper that what it seems,
Is what being part of a big group means.
It builds one's character, it makes them whole,
It gives them courage, it strengthens the soul.
It gives a purpose, and reason for play,
By feeding the ego in a positive way.
The friendships lost and friendships made,
Is all a part of the price we paid.
To come and build our self esteem,
By being a member of the girls' basketball team.

Sherri Rauh, Bellevue High School

"THE WILL TO WIN"

The arena may just be a backyard, Up for grabs
is not the world's championship, just bragging rights
to who's best on the block.
It's not a venue worthy of legendary prose,
but it's a place where legends often begin.
But form such beginnings, the taste of victory is first savored:
That insatiable taste that instills the desire to be the best.

It's more than all those sports page cliches' f extra effort, and 110%
The will to win is a work ethic.
A dedication.
A commitment to never giving up.
Find these traits in an athlete, and you'll find an athlete who's the first one at practice ... and the last one to leave.
An athlete who toils ... away from the spotlight, perfecting those little nuances that can later make all the difference.

Though the odds are long of ever achieving fame and glory,
this serves as little deterrent to this athlete.
Because even when he or she faces others with more natural talent,
they don't let it affect their own style of play.
This athlete persists when others quit...
and that makes every victory, no matter how small, sweet.
Sweet payment beyond measure for every drop of sweat spent.

And long after one's athletic skills are eroded by time,
the commitment stays within
to face life's professional and personal challenges.
These are the ultimate games.

REMINDER TO SCHOOLS CONCERNING LIMITATION OF SEASONS

All schools are reminded of the Limitation of Seasons Rules, K.H.S.A.A. By-Law 27, as it applies to competition after the conclusion of the regular season. ALL SPORTS are affected by this rule, which states that following the teams' last regular season match, there shall be no further practice or play as a team for the remainder of the school year, with the exception of the K.H.S.A.A. tournament. Please be sure your coaches are aware of this important rule, and that they are not involved in coaching the team in an outside league, or other competition. *For the high school coach, be they the Head Coach or an assistant coach, to coach members of the high school team in a league outside of the school's legal regular season competition, regardless of the type of league, would be a violation of the rules governing the Limitation of Seasons.*

1990 ANNUAL MEETING OF THE DELEGATE ASSEMBLY

The business meeting of the Delegate Assembly of the Kentucky High School Athletic Association will be held on Friday, April 20, 1990 at 11:00 a.m. at the K.H.S.A.A. Office Building, 560 East Cooper Drive, Lexington, Kentucky.

As provided in Article IX, Section 1, of the K.H.S.A.A. Constitution, the following proposals for changes in the rules of the Association, to be acted upon at the Annual Meeting, are hereby submitted to all members of the K.H.S.A.A. for their information. No proposals other than these may be considered at the Annual Meeting, except by a two-thirds vote of the delegates.

PROPOSAL I

Principal Tom Swartz, Pikeville High School proposes that the following be added to By-Law 6, Transfer Rule: "Students who are ineligible under the provisions of this rule may not practice until they are ruled eligible by the Commissioner."

PROPOSAL II

Principal Peter Flaig, Trinity High School submits the following proposal for consideration: PROPOSAL: To amend By-Law 25, Nos. 1.(5), 2.(5), 3.(5), 4.(5), 5a.(5), 5b.(5), 6.(5), 7.(5), 8.(5), 9.(5), 10.(5), 11.(5), 12.(5). AMEND "The season ends at all levels of play (9-12) at the conclusion of the varsity team's last regular season contest..." TO READ: "The season ends at all levels of play (9-12) ON THE SATURDAY PRECEEDING THE FIRST K.H.S.A.A. TOURNAMENT (District, Region, or State). PURPOSE: To establish a uniform end of season for all levels for all schools, not dependent on an arbitrary varsity scheduling date. As the By-Law now stands, if the last Varsity game is on a Tuesday, although a game could have been scheduled on the following Saturday, the Freshman and Junior Varsity teams are not permitted to play after that last Varsity game. This amendment would allow the non-varsity teams to play up to the last date a Varsity game COULD BE SCHEDULED.

PROPOSAL III

Principal George Johns, Dayton High School proposes that the following changes be made in the Constitution of the Kentucky High School Athletic Association. ARTICLE IV: ADMINISTRATION AND LEGISLATION - Section 1. Officers (Be changed to read:) "The officers of the Association shall be a Commissioner and a Board of Control composed of twenty-two (22) members, at least four (4) of whom shall be black and two (2) of whom shall be female.

B. BOARD OF CONTROL

1. Members of the Board of Control shall be elected for a period of four (4) years by a vote of the representatives of member schools in each region.

2. There shall be one (1) member from each of the sixteen (16) Basketball Regions.

3. In addition there shall be four (4) blacks and two (2) females elected (Federal Court Decree), two (2) blacks shall be elected to represent Regions 1 through 8 and two (2) blacks shall be elected to represent Regions 9 through 16.

4. All Board of Control members shall be full-time certified employees of their respective Boards of Education.

5. Notifications to the Representatives of each school in each REGION, in which the member is to be elected, must be made by the Commissioner not later than January 1.

6. To be eligible for membership to the Board of Control, one must be a certified employee of an accredited K.H.S.A.A. member school or system in the region he/she is to represent and must remain in that region during his/her term of office. Serving in a part-time capacity or on leave of absence or on sick leave in any of these capacities will terminate the eligibility of the member and the remaining members of the Board shall fill the vacancy within sixty (60) days in the same manner as that prescribed for the regular election of the Board Members.

7. Nominations for membership on the Board of Control, signed by five (5) representatives, of their REGION, shall be in the hands of the Commissioner, for REGIONS that elect during the year, not later than midnight January 31.

8. Ballots for election shall be distributed by the Commissioner before February 15, and returned on or before March 1.

9. Results of the election be tabulated by the Commissioner, announced at the meeting of the Delegate Assembly, and published in the May issue of the *Athlete*.

10. Terms of Board Members shall be staggered so that five (5) or six (6) will be elected each year.

11. At the Organization Meeting in July, the members of the Board of Control shall elect from their membership a President and Vice-President to serve for one (1) year. They shall not be eligible to serve for more than two (2) one-year terms in succession. The Superintendent of Public Instruction shall designate a liaison person to meet with the Board of Control but to have no vote as a member of the Board of Control.

* Note: At the direction of the Board of Control, the Commissioner has sought and obtained a legal opinion from counsel for the K.H.S.A.A. that the proposed increase would be in violation of the Federal Court decree which establishes minority representation.

PROPOSAL IV

Principal Waymond Morris, Daviess County High School, proposed that the following sentence be added to Article IX, Section 3, Referendum at the end of paragraph.

"All votes received in a referendum shall be opened and counted at the same meeting."

PROPOSAL V

The K.H.S.A.A. Board of Control proposes that By-Law 25, Section 11.(3), Limitation of Seasons - Volleyball, be changed to read as follows: "The first match shall not take place prior to the fourth (4th) Monday in August."

Since 1891, Basketball has become "The Game Played Worldwide." In less than nine years, before the turn of the century, The Game had spread from its birth in Springfield, MA, to nations all over the world.

The Basketball Hall of Fame, in the city of The Game's birth, brings almost a century of Basketball to life.

The Basketball Hall of Fame honors the men and women and even four teams that have brought the excitement of The Game to millions of fans throughout The Game's first century. All levels of The Game—amateur, high school, collegiate, professional, international—are featured in the Basketball Hall of Fame, a memorial to the only major sport founded in America and played in over 170 nations.

Original Basketball memorabilia, life-size photos, and participatory, state-of-the-art exhibits bring The Game to life before your eyes. You can see the actual uniforms of some of the greatest players who ever lived, or catch the action of today's game in such special presentations as "Hoopla" and "Play 52." Try your jumping abilities in the exhibit "How High Is Up?" or test your shooting talents in the popular "Shoot Out" exhibit. Highlight your visit with a trip through the time tunnel and experience some of the greatest moments in Basketball history.

Come and see almost a century of these spectacular moments, as well as an exciting look at today's game. Join the Hall of Fame Membership for special discounts, the Hall of Fame Year Book, a quarterly Newsletter, posters, and special invitations to Basketball Hall of Fame events, including Enshrinement Ceremonies. If you'd like free information on Membership or other programs, call, write, or visit.

MINUTES OF THE BOARD MEETING

March 16, 1990

The Board of Control of the Kentucky High School Athletic Association met at the Greenwood Executive Inn in Bowling Green, Kentucky on Friday, March 16, 1990. The meeting was called to order at 8:30 a.m. by President Sam Chandler with all Board members, Commissioner Tom Mills, Executive Assistant Billy Wise, Assistant Commissioners Brigid DeVries and Louis Stout, Sports Information Director Julian Tackett and Earl Cox present. Mr. Harry Loy was present representing the State Department of Education. Also present was Dr. Maurice Clay. Mr. C.K. Henry gave the invocation.

President Chandler requested that the Board approve an amendment to the Agenda to include an item under 4. -- Executive Session. Huston DeHaven moved that this item be added to the Agenda. C.K. Henry seconded the motion which passed unanimously.

Commissioner Mills introduced Dr. Clay to the Board and explained that he had been working on an oral h story of the K.H.S.A.A. for the past twelve years.

Mr. Chandler then called on Mr. Jerry Thompson who had requested an appeal on behalf of his daughter, Annette. Due to the fact that Mr. Thompson did not appear, the Commissioner discussed the information on the Transfer Form. Following Mr. Mills presentation, David Points made a motion, seconded by Huston DeHaven that the ruling of the Commissioner be upheld in this case. The motion carried unanimously.

The next appeal was presented by Commissioner Mills on behalf of Rick Garr. Mr. Garr had requested an appeal of By-Law 4, Section 1(a). as it pertained to his son, Rickey. Following Mr. Mills presentation and recommendations to the Board, Sandy Allen made a motion that Rickey Garr be allowed to participate in athletics during his senior year at Trinity High School. C.K. Henry seconded the motion which passed unanimously.

The next appeal was also presented by Commissioner Mills on behalf of Mr. John D. Wilson, Red Bird Mission School. Mr. Wilson asked that Kenneth Smith be given an extra year of eligibility during the 1990-91 school year. Kenneth was unable to participate in athletics during the 1989-90 year due to illness. Following a discussion of Kenneth's situation, Eddie Saylor made a motion, seconded by Charlie Miller that the Board grant Kenneth an extra year of eligibility. The motion passed unanimously.

Charlie Miller made a motion that the minutes of the January 19-20, 1990 meeting be approved. C.K. Henry seconded the motion which carried unanimously.

Alvis Johnson moved, seconded by Eddie Saylor, that all bills of the Association for the period beginning January 1 and ending February 28, 1990, be approved. The motion carried unanimously.

Commissioner Mills announced the results of the recent election for new Board of Control members.

Section 4 (Regions 7 & 8):
Harry Jansing, Trinity High School - 14 votes
James Sexton, Eastern High School - 13 votes
Joe Liedtke, DuPont Manual High School - 11 votes
Section 3 (Regions 5 & 6):
Ray Story, Hardin County Schools - 29 votes

Mr. Chandler then read an appeal he had received from Mr. James Sexton regarding the recent Board election. Following a lengthy discussion of Mr. Sexton's appeal, Liz Trabandt made a motion, based on the attorney's opinion, that the election of Father Harry Jansing to represent Regions 7 and 8 on the Board of Control was held in strict compliance with the Procedures of Election as outlined in Section 2 of Article IV of the K.H.S.A.A. Constitution and By-Laws. The motion was seconded by David Points and passed by a vote of 10 in favor and one opposed. Bob Rogers abstained.

Liz Trabandt moved, seconded by C.K. Henry, that the Board go into Executive Session. The motion passed.

Bob Rogers made a motion, seconded by Jack Portwood, that the Board return to Open Session. The motion passed unanimously.

The Chairman of the Executive Committee, Sam Chandler, then presented the report of the Executive Committee:

1) That the Commissioner present to the Board by the April meeting an evaluation plan of each staff member;

2) That the Commissioner present to the Board a seating plan on the Boys State Basketball Tournament.

Bob Rogers made a motion that the report of the Executive Committee be accepted. Jack Portwood seconded the motion which passed unanimously.

Exec. Asst. Wise reported that $479,727.00 in ticket sales had been received through this date for the Boys State Basketball Tournament. Advanced ticket sales for the Girls State Basketball Tournament had netted approximately $22,370.00. He also advised the Board that a complete report would be presented at the April Board meeting.

Commissioner Mills advised the Board that he had contacted all schools involved in basketball redistricting and had asked for suggestions or comments. Most of the changes in the districts are due to consolidation. The schools requesting to be changed or added to a district are as follows:

District 10 - add Butler County
District 14- add Greenwood
District 17 - drop East and West Hardin
add Central Hardin
District 42 - add Lexington Christian (1992)
District 43 - add Paul Lawrence Dunbar
District 59 - drop Dorton and Virgie
add Shelby Valley
District 64 - add Rose Hill

Bob Rogers made a motion that the Proposed Basketball Redistricting Report be accepted as presented. C.K. Henry seconded the motion which passed unanimously.

Commissioner Mills gave a report of the following committees:

1) Building Committee - The committee had traveled to Indiana and Ohio to visit three Halls of Fame.

2) Hall of Fame Committee - to meet in April.

Mr. Chandler appointed the Hall of Fame Committee as follows: All Board Members, K.H.S.A.A. Staff (Tom Mills, Bill Wise, Louis Stout, Brigid DeVries), Earl Cox, Dee Dawahare, Bob White, Mike Fields and Larry Vaught.

Mr. Henry then presented the All-Sports Committee Report as follows:

1) Recommended the following volleyball fees for 1990-91: Regular Season - $22.50; Region $25.00 - State regular - $30.00
2) Beginning in 1990-91, track coaches and officials shall attend a track clinic every other year.
3) Beginning in 1990-91, one registered track official shall be present at the regional and sectional track meets.

Board Meeting continued on Page 2.

Sterling; Directors -Sandy Allen (1988-1992) Louisville, Huston DeHaven (1987-1991) Hardinsburg, Charles Henry (1988-1992) Paducah, Alvis Johnson, (1989-1993) Harrodsburg, Charles Miller (1986-1990) Louisville, Marvin Moore (1988-1992) Morehead, Jack Portwood (1989-1993) Stanford, Bob Rogers (1989-1993) Murray, Eddie Saylor (1989-1992) Molus, Liz Trabandt (1988-1991) Ashland; State Department of Education - Harry Loy, Frankfort.

Board Meeting continued from Page 1.

4) Suggested that the "recommended" fee for one registered track official be $35.00
5) Tabled the following item: that the 3200 meter relay and the girls triple jump be added to the track events
6) Recommended that surveys dealing with the same request may not be repeated for five years unless 20% of the member schools participating in that sport submits a written request to the Board of Control
7) Adopt the 1990 Proposed Softball Alignment as submitted.

Huston DeHaven moved to approve the recommendations of the All-Sports Committee. Eddie Saylor seconded the motion. Following a discussion of the report, the motion was amended to delete Item 4). The motion then passed unanimously.

Following a discussion on advertising for bids for the Boys and Girls State Basketball Tournament sites beginning in 1992, it was the feeling of the Board that bids be submitted for at least two consecutive years with an option for a longer term. The dates for the Boys Basketball Tournaments are scheduled for March 17-20, 1993, and the Girls Tournament dates are March 24-27, 1993.

Commissioner Mills discussed with the Board a request for Ballard High School to play in the Alaskan Shoot-out. Alvis Johnson made a motion, seconded by Eddie Saylor that this request be approved. The motion passed unanimously.

Mr. Mills presented to the Board several proposals to be considered by the 1990 Delegate Assembly. Topics included in the proposals are: Changes in the Limitation of Seasons in all sports; ineligible students being exempt from practice; increasing the Board's number to 22 members; referendum votes.

The National Federation Annual Meeting material was distributed to the Board members. The meeting is to be held from July 2-6 in Minneapolis, Minnesota.

Mr. Wise advised the Board that hearings for the football realignment will be held on April 18. He also advised that the next meeting of the Board will be held on April 19 and the Delegate Assembly will be meeting on April 20. All meetings will be held at the K.H.S.A.A. Office.

Following a discussion of the Second Annual Hall of Fame Classic basketball games to be held in December or January, Sandy Allen made a motion that these games be exempt from the 24-game limit. Charlie Miller seconded the motion which passed.

There being no further business, Bob Rogers moved to adjourn. Alvis Johnson seconded the motion which passed.

IMPORTANT NOTICE CONCERNING DISQUALIFICATIONS

By Board of Control action, all participants and/or coaches who are ejected from a contest for unsportsmanlike conduct shall be suspended from competition for a minimum of one game.

It also should be noted that officials who disqualify participants, and then do not report that disqualification to the Association office in a timely manner may face suspension from officiating!!

With this in mind, it is important to adhere to the following procedure should a representative of your school be ejected for unsportsmanlike conduct. 1) Be sure you receive a disqualification card from the contest official; 2) Contact this office in writing to request reinstatement of the participant; 3) Inform the participant/coach of the suspension. You will be notified by return mail as to the end of the suspension, and the date or day when the player/coach will be eligible to return to competition. Contest officials also are reminded to use an ink pen, to include the first and last name of the offender, and to press hard as the third copy is often illegible if done in pencil.

NOTE Any person who is suspended from a contest may not dress for that contest in game uniform. They will however be covered by the catastrophic insurance policy insofar as practice is concerned unless you are otherwise notified.

Jim Watkins, former Athletic Director at Southern High School and currently serving as the Interim Coordinator of Athletics in Jefferson County, was honored recently by being named as the recipient of the National Federation Interscholastic Coaches Association Coach Contributor Distinguished Service Award for the Federation Section II. Watkins will be honored at a banquet during the NFICA Conference in Little Rock, Arkansas in July. The K.H.S.A.A. knows first hand of Mr. Watkins skills and abilities in helping the youth and the coaches in this state, and commend him on this award.

The K.H.S.A.A. Salutes the Winners of the Academic Showcase

The fifth annual Sweet 16 Academic Showcase was held in Lexington, Kentucky during the week of the Boys' Sweet 16 Basketball Tournament. Approximately 1,950 students from 211 high schools from 106 counties participated in 12 competitions. Regional competitions were held at Eastern Kentucky University, Georgetown College, Morehead State University and Murray State University. From these sites the top four place finishers in each competition qualified to come to Lexington to compete for scholarships. The finals in 12 categories were at Transylvania University. The awards were presented on March 16th at a banquet at Marriott's Griffin Gate Resort. A total of $75,350 in scholarships and prizes was awarded. The showcase is funded by an annual televised auction and donations from private corporations.

NEWS RELEASE

1990-91 MAJOR CHEERLEADER RULE REVISIONS

Rule 1	During partner stunts/pyramids, spotter does not provide primary support of another person.
	Extension is a stunt in which supporting arm(s) of base(s) is fully extended above the head and the top person is standing in the hand(s) of the base(s).
	Suspended roll involves horizontal rotation with the top person having continuous hand/arm-to-hand/arm contact with a base(s) and/or spotter(s).
	Vault is a stunt in which the hands of the top person are used to assist in clearing the base.
2-3-2	A spotter is required for stunts in which the supporting arm(s) of the base(s) is fully extended above the head except for a chair, Russian lift, 3-person straddle/split lift, torch or double-base straddle/split catch.
2-3-4	A roll down must have a spotter at the head and shoulders of the top person who is not involved in anything but spotting.
2-4-1	A base shall not assume a back-bend position.
2-7-2	Tosses shall be directed vertically with the intent that the top person will be cuaght by bases in their original positions on the cheering surface.
2-7-6	Helicopters are not permitted.
2-8-1	Vaults must originate from the floor. Vaults from a mount/pyramid are not permitted.

2-12-7	Cartwheel dismounts are not permitted.

1990 NATIONAL FEDERATION TRACK & FIELD RULE INTERPRETATIONS PART II

SITUATION #11: Is the "cloud nine" (air-filled pole vault landing pad) considered a legal landing pad?
RULING: Air-filled landing pads are presently considered as legal equipment for track and field competition as long as the pad meets the minimum dimensions as described in the 1990 Track and Field Rule Book. (7-4-4; 7-4-5)
SITUATION #12: The members of Team A's girl's 4 x 200 m relay team report to the clerk all wearing identical school-issued jerseys and shorts (which are not objectionable). Each runner is also wearing a white T-shirt under her jersey. In addition, the lead-off runner is wearing solid black leotards, number 2 is wearing solid light blue leotards, number 3 is wearing solid pink leotards and the anchor runner is not wearing a leotard. The relay captain informs the clerk that her coach has received permission from the meet director to compete wearing the black, light blue, and pink leotards. The starter, upon seeing the different colored leotards, instructs the relay captain to have at least two of the relay team members remove their leotards and gives them 5 minutes to comply with the uniform rule regarding relay teams. The coach of Team A immediately shows the starter a letter from the meet director authorizing a waiver of the uniform rule for relay teams.
RULING: The meet director, games committee nor the vote of the coaches can supercede the track uniform rule. Therefore, Team A will not be permitted to start the race because team members are not wearing the same uniform (i.e. black leotard, light blue leotard and pink leotard). (4-3-4, 4-5-7)
COMMENT: It is possible that team memebers running the second, third or fourth legs may not remove their warm-ups until after the race has begun, and therefore, it would not be apparent that team members are wearing different colored undergarments. In the event this situation would happen, the relay team would be disqualified
SITUATION #13: Prior to competition in the pole vault event, the judge informs all valuters that the crossbar can only be positioned from a point 12 inches beyond the end of the stopboard (+12) to a position not to exceed 24 inches beyond the end of the stopboard (+24) in the direction of the landing pad. The judge also takes the time to actually show the vaulters the range of movement allowed on the equipment to be used. (a) A1 asks permission to position the bar at a +25, or (b) after B1 completes his vault, the judge discovers that B1 had purposely set the crossbar at a +10 position
RULING: In (a), the request will be denied However, in (b), B1 is disqualified from further competition. (7-4-13)
COMMENT: It is a good practice for the judge of the pole vault event to review the range the crossbar may be moved with all vaulters by actually showing the vaulters where the limits are on the standards they will be using (+12 to +24). Also, it is recommended that the judge make an effort to check the setting of each vaulter prior to the actual vault. Therefore, any incorrect settings can be adjusted before a trial is taken. It is also recommended that meet management permanently fix the standards so that they can only be adjusted from the minimum to the maximum range. This could be done by drilling a hole through the base just outside the +12 and +24 settings and placing a bolt through the hole that would prohibit the movement of the crossbar beyond the approved range.
SITUATION #14: Approximately halfway through the conference meet, an electrical storm suddenly appears and in the interest of safety, the games committee decides to suspend competition and resume the meet the next day. When the meet was suspended, there wre four competitors remaining in the high jump and the bar was at 6'5" A1 and B1 had cleared the height while C1 and D1 had failed their first attempt. A2 had not had a trial at this height when the storm hit.
RULING: The games committee was correct in suspending competition due to the hazardous weather. Unless there are conference, league or state associations rules which apply, all trials and marks made up to the suspension of competition shall stand. When competition is resumed, it shall begin at the point of interruption. Regarding the high jump, the bar shall be set at 6'5", A1 and B1 are still recorded as successfully clearing the height, C1 and D1 will have two trials remaining, and A2 three trials. All competitors should have the opportunity to warm up with the bar at any height (3-2-6; 3-2-7)
SITUATION #15: During the running of th 4 x 2000 m relay, A2 is detected interterring with B1 as the two runners are entering the exchange zone. The inspector sees the interference and signals by waving a red flag overhead. At the conclusion of the race, the inspector reports the infraction to the head inspector, who immediately notifies the head finish judge that Team A is disqualified.
SITUATION #16: B1 is the only remaining competitor to successfully clear 6'7" in the high jump. He requests that the bar be raised to 6'9" so he can set a school record. After the bar has been raised to 6'9", B1 removes his shoes prior to clearing the new height. The coach of Team A protests, claiming B1 was not wearing a legal uniform.
RULING: The protest will be upheld. B1 shall be disqualified for wearing an illegal uniform as the result of removing his shoes. (4-3-1; 4-3-2)
COMMENT: It is not the responsibility of an event judge to caution contestants about adherence to the rules. However, an alert judge would have prevented this situation by informing the jumper about the uniform rule. Even though all other competitors have been eliminated, the competition is not finished until B1 has taken his three trials or decided not to continue.
SITUATION #17: Teammates A1 and A2 are well ahead of the field in the 3200 meter run. (a) A1 keeps speeding up and slowing down allowing A2 to keep pace. (b) A1 tells A2 of his intentions to pace him. The referee overhears this conversation and disqualifies both A1 and A2. The coach of Team A protests the referee's decision on the grounds that the two were well ahead of the field and it did not create an unfair advantage over the other competitors.
RULING: Protest denied. (4-5-8a)
COMMENT: Technically, A2 is committing an unfair act when he slows down and speeds up to pace his teammate A2. Therefore, the referee has the option of disqualification if he/she chooses When the referee overhead A2's conversation regarding his intention to help A2, he considered that as a blatant violation of Rule 4-5-8, which states it is an unfair act when the competitor has in any way been aided by a coach, teammate, or anyone connected directly or indirectly with the competitor concerned The question here is not how far ahead of the field the competitors were, but did A2 aid A2
SITUATION #18: During the high jump competition at the conference meet, A1 leaves the restricted area to confer with her coach between trials and ended up finishing the competition in first place. At the conclusion of the event, the coach of Team C appeals the final results on the grounds that A1 should be disqualified for conferring with her coach outside the restricted area between trials.
RULING: Appeal denied. (4-5-8 Note)
COMMENT: A1 did not commit an unfair act by conferring with her coach, as long as it was outside the restricted area and between trials.
SITUATION #19: The invitational track and field meet has been very tightly contested all day long between Team A and Team C. The score is tied going into the last event, the 4 x 400 m relay Team C wins the event and is celebrating an apparent championship when the coach of Team A (Team A finished second) protests that C3 wore a watch during her leg of the relay. Upon examination of the arm of C3, the referee discoveres a small wrist watch.
RULING: Team C shall be disqualified because C3 was wearing a watch. Team A will be awarded the team championship trophy. (4-5-8f)
COMMENT: Again, the coach, clerk or starter could have prevented this situation had they noticed the watch prior to the competition. In which case the competitor would have been instructed to remove the watch. The referee has no choice, but to disqualify Team C.
SITUATION #20: In the 400 m dash, the runner in lane 7 wishes to set her blocks (a) over to the right side of the lane and when taking her position at the starting line, her right hand is over the outside land boundary, or (b) she sets her blocks at an angle causing the starting block to protrude across the outside boundary.
RULING: This would not be permissible in either (a) or (b), as the runner and starting blocks must be within the contestant's lane. (5-2-3)

1990 NATIONAL FEDERATION BASEBALL RULE INTERPRETATIONS PART II

SITUATION #23: R1 and R2 are (a) betwwen second base and third base or (b) between first base and second base when a throw from the outfield goes into dead ball territory. What are the award?
Ruling: In both (a) and (b) two bases are to be awarded. In (a) this is not a problem, because both runners score. In (b) the lead runner, R1, is entitled to the two base award. R1 is only awarded one base. At no time can a following runner, because of an award, force the lead runner beyond the base allowed according to the maximum award. (8-3-3-c)
SITUATIONS 324: With the bases loaded, F6 asks the base umpire how many are out. The umpire indicates that there are two outs. On the next pitch, B5 hits a ground ball to the second base side of F6. F6 fields the ball, steps on the base and rolls the ball to the pitcher's plate. Thinking that was the third out, the defensive team leaves the field, only to be informed by the umpire-in-chief that that was the second out. The coach of the defensive team appeals, claiming that the base umpire misinformed his players concerning the number of outs, which contributed to the opposing team's runs.
Ruling: The defensive team has the responsibility to know how many outs there are. Even though the umpire misinformed the defensive team, the play stands. (10-2-3-g)
SITUATION #25: R1 steals second before F2 can make a throw. As R1 brushes himself off, F6 tells him that the ball was hit foul. R1 starts back to first base and is immediately tagged out. R1 claims that F6's comment caused him to be put out and asks the umpire to nullify the out and allow him to remain at second base.
Ruling: R1 has the responsibility to know whether the ball was hit foul or not. Furthermore, R1's base coaches should have kept R1 informed. Therefore, the out stands. (10-3-3-g)
SITUATION #26: With R1 on second base, B2 hits a line drive ott the shin of F1, causing F5 to change directions in an effort to field the ball. The change of directions places F5 directly in the path of R1. R1 is unable to avoid running into F5, which causes F5 to misplay the ball.
Ruling: Normally, the runner would be guilty of interference if he made contact with a fielder in the process of fielding a ball or attempting a play. In this instance, R1 was unable to alter his base path at the last second, because of the suddenness in which F5 changed directions. Therefore, this is simply considered a collision, the ball remains alive and the play stands. 98-3-2, 8-4-2-d)
SITUATION #27: During the game, the visiting team's coach complains to the umpire that the home team is letting its players take batting practice in the batting cage next to the field. The visiting team's coach complains to the umpire that the home team is getting an unfair advantage and that either the home team discontinue batting practice or it share the batting cage with the visiting team.
Ruling: The umpire has no jurisdiction over the use of equipment or facilities outside the confines of the field. This is a matter that musst be settled between the two schools. However, if batting practice is taken during the game and the pinging sound of the metal bats becomes distracting, the umpire can prohibit further use of the batting cage. (10-2-3-g)
SITUATION #28: F1 delivers an inside pitch. As B1 attempts to avoid being hit by the pitch, the ball hits off the handle end of the bat and comes to rest in fair territory. As B1 begins running to first base, the umpire calls "foul ball". B1 stops and starts to return, just as the umpire changes his mind and calls "fair ball!" F2 quickly picks up the ball and throws B1 out. B1's coach tells the umpire that be reversing his call, he placed the batter in jeopardy. The opposing team's coach, who was listening to the conversation, tells his rival coach that the umpire has the prerogative to change his mind, if he thinks he made a mistake.
Ruling: Both coaches are correct. However, an umpire may change his mind so as not to place a batter-runner or base runner in jeopardy. Therefore, the umpire must decide whether or not he thought B1 could have reached first base safely. If in his judgment B1 could have, then he shall be ruled safe. Otherwise, he shall be called out. (10-2-3-g)
SITUATION #29: With R1 on first base, R1 is tagged out while (a) being chased by a wasp, (b) being chased by a stray dog, (c) trying to remove an insect from his eye or (d) experiencing a severe muscle cramp.
Ruling: In (a) and (b) the umpire will call "time" to prevent the runner from being tagged out, since the wasp and dog are a threat to the runner's safety. The runner is not protected in (c) and (d), because these are matters that he has control over somewhat. In these instances it is reasonable to assume the runner could request time before leaving the base.
SITUATION #30: Prior to the game, the visiting team's coach notices that the pitcher's mound is a portable or artificial type pitching mound. He consults the umpires.
Ruling: A portable or artificial mound is illegal and shall be removed before the game begins. (1-2-1)
SITUATION #31: R1 is on first base, B3 hits a ground ball to F5. R1 is forced at second, but B3 is safe at first base. The coach of the defensive team discovers that B3 was an improper batter and brings it to the umpire's attention.
Ruling: B2 is declared out and returns to first. (7-1-2-b)
SITUATION #32: with two strikes on B1, B1 swings and misses a pitch that hits the ground and goes directly into F2's glove. Is B1 out, or can he attempt to advance to first base?
Ruling: Had the ball not touched the ground, B2 would have been out. Since the ball did touch the ground, B2 is entitled to try to advance to first base the same as if the catcher dropped a third strike. (7-4-1-b)
SITUATION #33: F8 twists his ankle chasing a fly ball. His coach is granted a time out to attend the injury. At the same time, the assistant coach goes to the mound to visit with the pitcher. Should a charged conference be assessed?
Ruling: No. Since time is already out, the assistant coach is free to have a conference. Likewise, the coach of the team at bat may have a conference with his players. In either case, there is no penalty provided the game is not further delayed. If it is, then a conference should be charged. (3-4-1)
SITUATION #34: With (a) one out or (b) two outs and R1 on third, B2 hits a long fly to left field. The third base coach grabs R1 to keep him from advancing in the event F7 catches the fly ball.
Ruling: In (a) and (b) the ball is dead immediately and the runner is called out, because of his coach's interference. In (a) the home run counts. However, in (b) it does not. (3-2-2, 9-1-1)
SITUATION #35: With two outs and two strikes on B3, B3 swings and misses a pitch in the dirt. The ball bounces forward off the catcher. B3 hits the ball as he is "unwinding from his swing." The ball rolls into fair territory, allowing the batter to reach first base safely.
Ruling: The umpire shall call interference and rule accordingly. (2-5-3, 7-3-5, 8-4-2-b)
SITUATION #36: On a windy day, with the score tied in the bottom of the seventh inning, two outs, the bases loaded and a full count on B6, B6 tries to check his swing. F2 stands up as the pitch reaches the plate, obstructing the plate umpire's view. The plate umpire asks for help from his partner umpiring at first. The base umpire signals that he did not see it, because dust got in his eyes. As both teams gather for the call around the umpires, one of the spectators, who has been videotaping the game, suggests they look at the video tape and then make the call.
Ruling: The use of video tape to decide the outcome of a play is not allowed. In this case, if the umpires did not see the batter swing, then he "did not". Therefore the play stands. (10-1-3 Note)
SITUATION #37: With R1 at first and R2 at second and one out, B4 pops up in the infield. The umpire does not call "Infield Fly." F5 and F6, trying to catch the ball, bump into each other. The ball rolls away from the fielders. Both runners advance. B4, initially thinking he was supposed to be out because of the infield fly rule, decides to run to first. F6, upon recovering the ball, sees B5 halfway to first and tries to throw him out. The ball goes over the head of F3. R1 and R2 score and B4 ends up at second. The coach of the defensive team informs the umpire that the infield fly rule was in effect. Therefore, B4 should be out and that had the umpire called it like he should have, F6 would not have played on B4, so no runs would have scored. He claims that R1 and R2 should return to the bases they occupied at the time of the pitch.
Ruling: "Infield fly" was not called, so the play stands. (2-8-5, 7-4-f)
SITUATION #38: With R1 on first base, B2 hits fly ball to right field. R1 is stealing on the pitch. After touching second, he thinks F9 may catch the ball and in trying to get back to first, does not touch second base. Is the force still on?
Ruling: The force is in effect. Additionally, the defense may throw the ball to second base and put out R1 for not touching the base on the way back to first. (2-12-3, 8-2 Penalty)
SITUATION #39: Team A has had three charged conferences by the fifth inning. With the game ties in the sixth inning, the coach of Team A informs the umpire that (a) F6 and F1 are going to trade positions or (b) that S1 is replacing F1. Can the pitcher who is being replaced return to pitch later in the game, or is this considered a charged conference?
Ruling: In (a) and (b) the pitcher being replaced may return to pitch. The umpire shall permit the coach to switch players or substitute, provided the coach does not take advantage of the situation by having a conversation or conference with any of the players. A violation shall result in a charged conference being assessed, which would be more than allowed, resulting in the pitcher not being able to return to pitch. (3-1-2 Note)

Drugs Can Snuff Out Life

by Scott Taylor

(With apologies to Ernest L. Thayer, whose original "Casey at the Bat" was published June 3, 1888, in the San Francisco Examiner, and bore the subtitle "A Ballad of the Republic.")

The outlook isn't brilliant for some athletes of our day, their social lives get more attention, instead of how they play — the deaths of Bias and Rogers, baseball drug sentences and the sort — causing a sickly silence to fall upon the patrons of all sports.

Yet only a few fans apparently have been turned off, all the rest cling to that hope which "springs eternal in the human breast." They think, "Only reckless athletes are doing drugs, it seems; we'd put up even money now — we know at least Casey's still clean."

But Flynn befriended mighty Casey as did Jimmy Grimes. The former was a pusher and the latter had done some time; so upon that stricken relationship grim melancholy did accompany, for there seemed but little chance of Casey staying drug-free.

Yes, Flynn and Grimes did often share their penchant for social vices, and, at first, for the time being,
Casey didn't consider it a crisis.
But as the three made merry and partied, the public saw what had occurred, Casey was becoming a confidant —
the malicious pair had recruited a third.

Casey was thriving on it all — the attention, the money, the fame — and, ignoring the public's warnings, started living in the fast lane.
Those from outside looking in at the situation could easily see that Casey, mighty Casey, was keeping poor company.

There was ease in Casey's manner as he walked into the small party; there was pride in Casey's bearing and a smile just as hardy.
Passing off invitations to participate, he lightly gave a shrug — no stranger in the crowd could doubt that Casey wouldn't do drugs.

But away from the public eye, off the field and out of position, Casey came face to face with another kind of opposition:
Alcohol, drugs, substances, pills — everything that's now called "hip."
First defiance gleamed in Casey's eye, a sneer curled Casey's lip.

Aroma of liquor and freebasing and marijuana filled the air, and Casey stood a-watching it in haughty grandeur there,
They Flynn held a bottle, a joint and pills up close to Casey's head. "That ain't my style," said Casey. "We'll see," Flynn quietly said.

With a smile of Christian charity, great Casey's visage shone; he stilled the rising tumult, he bade the drugs be gone.
Yet the drugs stayed, and Casey stayed, still trying to ignore it all, and soon we'll see that indifference was the start of Casey's fall.

After Casey's first refusal, the party's festive mood began to fester, encouragement turned to bitterness,
the pleasure turned to pressure.
"Then tell him to get lost," shouted Grimes from near the back wall, and it's likely they'd have excluded him
had not Casey started to stall.

"Why not?" encouraged so-called friends, and Casey echoed, "Why not?" Unassuming, Casey then complied — Flynn and Grimes knew he now was caught.
They saw his face grow stern and cold; they saw his muscles strain; and they knew that Casey wouldn't
let drugs go by untouched again.

The sneer is gone from Casey's lip; his face is tense and fraught. He snorts with cruel violence the
white powder from off the tabletop.
Knees wobbling from the instant high, he's forced to take a sit; Casey's only goal now is to better the force of is first "hit."

Oh! somewhere in this favored land the sun is shining bright; the band is playing somewhere, and somewhere hearts are light.
And somewhere men are laughing, and somewhere children shout; but there is not joy in sports —
Casey's life has been snuffed out.

Newly Elected Board Of Control Members

Eddie Saylor

Ray Story

Harry Jansing

A trio of veteran administrators in Kentucky's school systems have been added to the Board of Control of the Kentucky High School Athletic Association.

Eddie Saylor, Principal of Blackmont Elementary School in Hulen, joined the Board of Control last fall in a special election held to fill the unexpired term of Pearl Ray Lefevers. Lefevers, formerly the Principal at Bell County High School, resigned that position to enter private business, and relinquished his seat on the Board of Control. Saylor was elected by the Board Appointed Representatives of the 13th and 14th Regions, and will serve until July of 1992.

Saylor is a 1968 graduate of Bell County High School where he was a basketball, football and track participant. He subsequently attended Cumberland College on a basketball scholarship, and received his M.A. and Rank I Certification from Union College. He has been employed by the Bell County School system for the last eighteen (18) years, including the last eleven in his current position.

On being elected to the Board, Saylor said, "I have always had a great interest in high school athletics and I look forward to combining my experiences and thoughts with the other members and doing what is best for the entire state." He and his wife Pamela have two daughters, Lisa and Scarlett.

To say that Ray Story is a veteran of the high school athletics scene would perhaps be the understatement of the year. Story is the first person to be elected to a third term on the Board since the rotation plan for the election of Board members was adopted in the early 1970's. Story will serve the 5th and 6th regions and will replace Pleasure Ridge Park Principal Charles Miller.

Story has always had a strong commitment to the K.H.S.A.A. as has been evidenced by his previous tenure on the Board. "I have always found the organization to be first class," he said.

A graduate of Memorial High School in Lincoln County, Story was a member of the school's basketball and baseball teams. He then attended Campbellsville College, receiving his degree in English, followed by graduate work at Western Kentucky University where he received his Master's and Rank I certification.

His career began as an elementary teacher in Vine Grove. In 1963, he was hired to teach English at North Hardin, and became Assistant Principal in 1965. In 1967, he was named Principal, a position he held until 1988 when he assumed his current position as Assistant Superintendent of the Hardin County Schools.

Story and his wife Sue, have two sons, Mark and Tim.

Another not-so-newcomer to the high school athletic scene in Kentucky will begin his term on the Board this fall as Father Harry Jansing of Trinity High School takes the position left open by the expiration of the term of office of the current Board of Control President, Sam Chandler of Shelbyville. Jansing will serve Regions 7 and 8, and like Story, has a term to last until 1994.

Jansing's education began at St. George Grade School, followed by one year at St. Xavier High School before entering the Seminary at St. Mary. His education was completed at St. Meinrad Seminary in Indiana, and he was ordained a priest in 1955.

In the fall of that year, Jansing was hired to teach Algebra, Geometry, and Mechanical Drawing at Trinity. He was named Athletics Business Manager in 1970, and Athletic Director in the fall of 1971, a position he continued to hold today.

Jansing has been active in Jefferson County, State, and National Athletics. He serves as Treasurer for the L.I.T. and 6th and 7th Regional Basketball Tournaments, and the Jefferson County Football Playoffs, as well as holding a similar position with the Kentucky High School Athletic Directors Association.

He has received numerous awards for excellence in athletic administration, and in 1989 was among the first in the country to be named Certified Athletic Administrator. His hobbies include computer programming, and he has been active on the national and state level with the use of computers in athletics administration.

Jansing hopes to be able to contribute to the Board in many ways, and feels that "as a private school administrator, I hope to bring additional insights into Board of Control discussions."

MINUTES OF THE BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. Office Building in Lexington, Kentucky, on Thursday, April 19, 1990. The meeting was called to order at 8:00 a.m. by President Sam Chandler. All Board Members except Charles Henry were present along with Commissioner Tom Mills, Executive Assistant Billy V. Wise, Assistant Commissioner Louis Stout and Sports Information Director Julian Tackett were present. Mr. Harry Loy was present representing the State Department of Education. Mr. Chandler gave the invocation.

Huston DeHaven made a motion, seconded by Sandy Allen, that the minutes of the March 16 meeting of the Board be approved. The motion passed. Marvin Moore abstained.

Charles Miller moved that all bills of the Association for the period beginning March 1 and ending March 31, 1990 be approve. The motion was seconded by David Points and passed unanimously.

Executive Assistant Billy Wise gave the following report on the Boys and Girls Basketball Tournaments:

Boys	Attendance:	123,704
	Ticket Sales	$858,135.00
	Expenses:	$230,607.72 (approx.)
Girls	Attendance:	30,416
	Ticket Sales:	$135,295.00
	Expenses:	$ 92,314.44 (approx.)

Mr. Wise stated that the final audit would appear in the August issue of the "Athlete".

Minutes of the Board Meeting continued from Page 1

The next item on the Agenda were presentations by John Joy, representing Scholastic Insurors; Doug Ruedlinger, Ruedlinger Companies; and Brad Blane, representing Al Torstrick Insurance with regard to Catastrophic Insurance coverage for athletes.

Following their presentations, President Chandler appointed the following committee to study each proposal and to make a recommendation to the full Board: Tom Mills, Bob Rogers, Alvis Johnson, David Points, Marvin Moore and Sam Chandler.

Sam Chandler presented the recommendations of the Executive Committee.

1) Each member school Principal be guaranteed two complimentary tickets and an opportunity to purchase two adjoining tickets and that each member school Superintendent be guaranteed one complimentary ticket and an opportunity to buy one adjoining ticket in the lower side arena section for the boys and girls State Basketball Tournament. Bob Rogers moved to accept and Charlie Miller seconded Motion passed

2) Any K.H.S.A.A. staff member who has been employed for at least five years be allowed to carry over five (5) days of vacation into the next year, thereby allowing a maximum of twenty days accumulated vacation time. Alvis Johnson moved to accept, Charlie Miller seconded. The motion passed.

3) With regard to personnel salaries and contracts for 1990-91, Charlie Miller moved, seconded by Alvis Johnson that the recommendations of the Executive Committee be approved. The motion passed.

4) That Mr. Mills contact a consultant to assist with the construction of a salary schedule for staff members that is in comparison with other state associations, and report his findings to the Board in October. Bob Rogers moved to accept with Sandy Allen seconding the motion. The motion passed.

An appeal hearing on behalf of Denny Fugate was the next item on the Agenda. Those present for the hearing were his attorney, Robin Webb, Court Reporter Susan Saylor, and K.H.S.A.A. attorney Phil Scott. Following a lengthy presentation and questions to Mr. Fugate by the Board members, Marvin Moore moved to go into Executive Session to discuss this matter. David Points seconded the motion which carried. Bob Rogers then moved to return to Open Session. Marvin Moore seconded the motion which carried.

Bob Rogers made a motion, seconded by Marvin Moore that the ruling of the Commissioner be upheld and that Mr. Fugate's appeal be denied. The motion passed unanimously. Mr. Mills explained that a hearing has been requested by M.C. Napier High School's Principal and Superintendent for reinstatement.

Charlie Miller made a motion that David Points be elected President of the Board for the 1990-91 school year. Marvin Moore seconded the motion which passed unanimously. Jack Portwood nominated Alvis Johnson to serve as Vice President. Marvin Moore seconded the motion, which passed unanimously.

President Chandler then called on representatives of Louisville and Lexington to present their bids on the Boys' State Basketball Tournaments. Jane Foley of the Lexington Convention Bureau, and Mike Detenber, Bob DeSpain and Marvin Holthouser representing the City of Louisville presented joint bids for the years 1992 through 1995. Lexington extended an invitation to host the tournament in 1993 and 1995. Louisville likewise extended an invitation to host the tournament in 1992 and 1994.

Sam Chandler moved to accept Lexington and Louisville's bids as presented. Sandy Allen seconded the motion. The motion passed with no negative votes.

The following persons then presented bids to host the Girls Basketball Tournaments: Bowling Green - Pam Herriford, W.K.U.; Horace Shrader, Bowling Green-Warren County Tourist Convention Commission. Frankfort - Steve Brooks and Jack Williams, City of Frankfort, Ellen Briscoe, Capital Plaza Authority. Richmond - Don Combs, E.K.U. Following the presentations, Eddie Saylor made a motion that the Girls Basketball Tournament sites be granted as follows: 1992 - Eastern Ky. University; 1993 & 1995 - Frankfort; 1994 & 1996 - Western Kentucky University. Marvin Moore seconded the motion which passed unanimously.

Commissioner Mills then presented an appeal on behalf of Paula Dials, Sheldon Clark High School. Following a discussion of Paula's injury and the reason for her appeal, the Board directed the Commissioner to obtain more information and present it at the July meeting.

Exec. Asst. Wise presented the following proposal from the State Golf Committee to the Board for their consideration: (1) Organized golf practice cannot begin prior to July 15; (2) the season will begin August 20 and end the first week in October; (3) Regional play will be October 8-10; (4) The State Golf Tournament will be October 16-17. Marvin Moore moved to approve the Committee's proposal. Alvis Johnson seconded the motion which passed unanimously.

Mr. Wise's next item regarded another item proposed by the State Golf Committee. They recommended that teams be allowed to designate five golfers and play four for both regional and state tournament play, effective in the fall of 1990. Sandy Allen made a motion, seconded by Charlie Miller, that this item be referred to the All-Sports Committee. The motion passed unanimously.

A Basketball Rules Experimentation was the next item presented for discussion. Mr. Wise recommended the following experiments for use during the 1990-91 baskeball season: 1) Both personal and technical fouls shall count toward a player being disqualified from the game for a fifth (5th) foul; 2) Eliminate the bonus free throw provisions. After six (6) fouls have been assessed to a team during a half (on the seventh (7th) foul), all fouls will carry a two (2) shot foul penalty. Mr. Wise explained to the Board that the National Federation Basketball Rules Committee is considering these experiments for the purpose of eliminating a slow down at the

end of the game. Following a discussion of these experiments, the Board suggested that Mr. Wise talk with a sampling of coaches across the State and report back to the Board in July.

The next meeting of the Board of Control is scheduled to be held at Lake Barkley State Resort Park July 26-28, 1990.

Commissioner Stout presented the following proposals from the State Slow Pitch Softball Committee:

1) The State Softball Tournament be played on Friday and Saturday, May 25 & 26, 1990.

2) Beginning in 1991, the State Softball Tournament be a double elimination.

3) Recommends that the officials' fees for the 1991 softball season be increased to $17. per game. The .15 per mile will continue to be paid for all miles over 50 miles.

Charlie Miller made a motion to approve item 1) and therefore moving the State Softball Tournament to May 25-26. Eddie Saylor seconded the motion. The motion carried unanimously.

Bob Rogers made a motion that items 2) and 3) be referred to the All-Sports Committee and be considered at the July meeting. Charlie Miller seconded the motion which passed unanimously.

Following a lengthy discussion of the proposals of the Football Committee, Bob Rogers moved that the Class A alignment be approved as submitted. Liz Trabandt seconded the motion and it passed 11-0.

Alvis Johnson moved that the Class AA alignment be approved as submitted. Sandy Allen seconded the motion and it passed unanimously.

Sandy Allen made the motion that the Class AAA alignment be approved as submitted by the Football Committee. Sam Chandler seconded the motion and it passed by a vote to 10-1 with Eddie Saylor being opposed.

Bob Rogers then moved that that Class AAAA alignment as presented by the Football Committee be approved. The motion was seconded by Sandy Allen and it passed 11-0.

Sandy Allen then moved that the following recommendations be approved as submitted by the Football Committee:

1) A school, upon application of the principal to the Commissioner, may be permitted to move to a lower classification if its enrollment varies 10% or more from the enrollment figure that placed it in its present classification. However, no school may remain in a lower classification if its enrollment dictates otherwise.

2) That a separate drawing be conducted by the Board of Control for Regional winners in each class to determine the site and pairings for each game. Also, the teams that are required to travel will receive an additional grant, to be determined by the Board of Control, from the K.H.S.A.A. to help defray their expenses.

3) That the request from Pikeville High School that would allow eleven (11) weekends to play ten (10) football games during the regular season be tabled.

Charlie Miller seconded the motion to approve the above recommendations and it passed 11-0.

The Insurance Committee recommended that the deductible portion of the Catastrophic Insurance Plan carried by the Association be set at $25,000. for the 1990-91 school year and that the Commissioner notify the member schools of this decision immediately. Charlie Miller moved, seconded by Alvis Johnosn that the recommendation be approved. The motion passed 11-0.

Mr. Mills presented the Report of the Building Committee as follows: WHW Venture, a limited partnership, has offered to sell to the K.H.S.A.A. 2.01 acres (more or less), located at the Southwest Corner of Block F, Unit 1-B of Bluegrass Executive Park, Winchester Road, Lexington, Kentucky for $401,745.00.

Liz Trabandt made the motion that the K.H.S.A.A. purchase the above described property to be used for the purpose of building a new administration building, a portion of which would house a Hall of Fame and Museum. Huston DeHaven seconded the motion and it passed unanimously.

Mr. Mills then explained that the Building Committee was recommending a sale price of $925,000. for the present K.H.S.A.A. Office Building located at 560 East Cooper Drive. Marvin Moore moved, seconded by Huston DeHaven, that the recommendations of the Building Committee be approved. All members voted aye. Mr. Mills explained that the major portion of the cost of the building site was funded through donations by corporate sponsors and private individuals.

There being no further business, the meeting was adjourned.

MINUTES OF THE ANNUAL MEETING

April 20, 1990

The 73rd Annual Meeting of the Delegate Assembly of the Kentucky High School Athletic Association was held on Friday, April 20, 1990 at the K.H.S.A.A. Office Building, 560 East Cooper Drive, Lexington, Kentucky. The invocation was given by C.K. Henry.

President Sam Chandler called the meeting to order at 11:00 a.m. Sixty-five elected delegates or alternates answered the roll call.

Commissioner Tom Mills then presented a report on the activities of the Association during the 1989-90 school year. Arthur Jackson moved, seconded by Jim Reed, that the report be accepted. The motion carried unanimously. (The Commissioner's report is printed elsewhere in this issue of the "Athlete".)

Commissioner Mills introduced newly elected members on the Board of Control to the Delegate Assembly as follows: Representing Regions 5-6, Ray Story, Deputy Superintendent of Hardin County Schools; Representing Regions 7-8, Father Harry Jansing, Athletic Director, Trinity High School.

President Chandler stated that presentation of proposals was the next order of business.

PROPOSAL I

Principal Tom Swartz, Pikeville High School proposes that the following be added to By-Law 6, Transfer Rule:

"Students who are ineligible under the provisions of this rule may not practice until they are ruled eligible by the Commissioner."

Don Jones moved, seconded by Bill Wells, that Proposal I be adopted The motion passed by a vote of 58-1.

PROPOSAL II

Principal Peter Flaig, Trinity High School submits the following proposal for consideration:

PROPOSAL: To amend By-Law 25, Nos. 1.(5), 2.(5), 3.(5), 4.(5), 5a.(5), 6.(5), 7.(5), 8.(5), 9.(5), 10.(5), 11.(5), 12.(5). AMEND "The season ends at all levels of play (9-12) at the conclusion of the varsity team's last regular season contest . . . TO READ "The season ends at all levels of play (9-12) ON THE SATURDAY PRECEEDING THE FIRST K.H.S.A.A. TOURNAMENT (District, Region, or State).

PURPOSE: To establish a uniform end of season for all levels of all schools, not dependent on an arbitrary varsity scheduling date. As the By-Law now stands, if the last Varsity game is on a Tuesday, although a game could have been scheduled on the following Saturday, the Freshman and Junior Varsity teams are not permitted to play after that last Varsity Game. This amendment would allow the non-varsity teams to play up to the last date a Varsity game COULD BE SCHEDULED.

George Steele moved, seconded by Paul Dotson, that Proposal II be adopted. The motion passed by a vote of 53-5.

PROPOSAL III

Principal George Johns, Dayton High School proposes that

the following changes be made in the Constitution of the Kentucky High School Athletic Association.

ARTICLE IV: ADMINISTRATION AND LEGISLATION

Section 1. Officers (Be changed to read:)

The officers of the Association shall be a Commissioner and a Board of Control composed of Twenty-two (22) members, at least four (4) of whom shall be black and two (2) of whom shall be female.

B. BOARD OF CONTROL

1. Members of the Board of Control shall be elected for a period of four (4) years by a vote of the representatives of member schools in each region.
2. There shall be one (1) member from each of the sixteen (16) Basketball Regions.
3. In addition there shall be four (4) blacks and two (2) females elected (Federal Court Decree), two (2) blacks shall be elected to represent Regions 1 through 8 and two (2) blacks shall be elected to represent Regions 9 through 16.
4. All Board of Control members shall be full-time certified employees of their respective Boards of Education.
5. Notifications to the Representatives of each school in each REGION, in which the member is to be elected, must be made by the Commissioner not later than January 1
6. To be eligible for membership to the Board of Control, one must be a certified employee of an accredited K.H.S.A.A. member school or system in the region he/she is to represent and must remain in that region during his/her term of office. Serving in a part-time capacity or on leave of absence or on sick leave in any of these capacities will terminate the eligibility of the member and the remaining members of the Boardd shall fill the vacancy within sixty (60) days in the same manner as that prescribed for the regular election of the Board Members.
7. Nominations for membership on the Board of Control, signed by five (5) representatives, of their REGION, shall be in the hands of the Commissioner, for REGIONS that elect during the year, not later than midnight January 31.
8. Ballots for election shall be distributed by the Commissioner before February 15, and returned on or before March 1.
9. Results of the election be tabulated by the Commissioner, announced at the meeting of the Delegate Assembly, and published in the May issue of the "Athlete".
10. Terms of Board Members shall be staggered so that five (5) or six (6) will be elected each year.
11. At the Organization Meeting in July, the members of the Board of Control shall elect from their membership a President and Vice-President to serve for one (1) year. They shall not be eligible to serve for more than two (2) one-year terms in succession. The Superintendent of Public Instruction shall designate a liaison person to meet with the Board of Control but to have no vote as a member of the Board of Control.

* Note: At the direction of the Board of Control, the Comissioner has sought and obtained a legal opinion from counsel for the K.H.S.A.A. that the proposed increase would be in violation of the Federal Court decree which establishes minority representation.

N.D. Cowden moved, seconded by Jim Weyer, that Proposal III be adopted. The motion failed to pass by a vote of 32-30.

PROPOSAL IV

Principal Waymond Morris, Daviess County High School, proposed that the following sentence be added to Article IX, Section 3, Referendum at the end of paragraph.

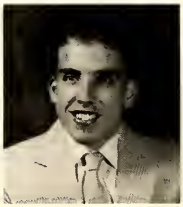
"All votes received in a referendum shall be opened and counted at the same meeting."

Waymond Morris moved, seconded by Walter Freeman, that Proposal IV be adopted. The motion passed by a vote of 56-3.

PROPOSAL V

The K.H.S.A.A. Board of Control proposes that By-Law 25, Section 11.(3), Limitation of Seasons - Volleyball, be changed to read as follows: "The first match shall not take place prior to the fourth (4th) Monday in August". George Steele moved, seconded by Virgil Yates, that Proposal V be adopted. The motion passed by a vote of 51-1.

Guy Strong moved, seconded by Father Harry Jansing, that the meeting be adjourned. The motion passed unanimously



Game Guy Award

TOM HERGOTT
Beechwood H.S.

The Game Guy Trophy is awarded to a high school athlete in the State of Kentucky who has overcome a physical handicap and participated in high school athletics. Tom was the unanimous choice of the K.H.S.A.A. Game Guy Award Committee for the 1990 trophy.

Tom is a senior at Beechwood High School in Ft. Mitchell, where he is the manager for the football team.

Tom was born with Spina Bifida. He is partially paralyzed from the waist down. The doctors told his parents that he would not live through the night. They told them that he would not live past five years of age. They also told them that he would never walk — he would be in a wheelchair for the rest of his life.

Tom has dealt with a lot of adversity in his lifetime. He has undergone 14 operations. He has had both of his femurs broken so that the doctors could reset his legs as they were beginning to turn backwards. He was operated on to have both hips dislocated and his muscles cut from the pelvis and then reattached. Tom spent months at a time in body casts.

Tom's involvement in athletics at Beechwood began three years ago when he became a Varsity Football Manager. Tom's ability to carry heavy equipment is limited; however, this is the only part of his job that is limited. Tom has been at every practice for the last three years. He is there in 95° weather in August and he is there when it is near 0° in late November. Tom is as much a part of the Football Program as anyone who has ever played for Beechwood. He not only carries towels and water, but he is an inspiration to everyone who has come into contact with him. EVERYONE WHO HAS GONE THROUGH THE FOOTBALL PROGRAM HAS BENEFITTED FROM KNOWING TOM HERGOTT.

With all these problems, one might think that Tom would be a sullen, depressed individual. Quite the opposite is true. "Tom Hergott is the most determined and positive person I know", says Beechwood Athletic Director Bernie Barre. "He has defied the odds and won. He really is a remarkable person."

1989-90 ANNUAL REPORT

(Presented to Delegate Assembly)

Two hundred ninety-three schools joined the Association for the 1989-90 school year. Six of these schools enroll girls only and six have only boys. In 1988-89 there were 293 schools, in 1987-88 there were 291.

There were 202 schools involved in **Football**. Classes A, AA, AAA and AAAA championship games were played at the Fairgrounds, Louisville. FOOTBALL SCHOOLS ENCOURAGED TO SUBMIT OPEN DATES

Now that the alignment for football playing schools beginning in 1991 is complete, all football schools are encouraged to notify this office as to open dates in 1991 and 1992. Schools are encouraged to sign two or four year contracts, for 1991 and 1992, or 1991 through 1994. A complete list of open dates submitted thus far as well as a revised corresponding date chart is included in this month's Notes and Quotes.

APPLICATIONS AVAILABLE FOR THE 1990 U.S. OLYMPIC FESTIVAL

Applications are now available for the 1990 U.S. Olympic Festival Regional Trials, and the 1990 USA National Team trials for women's basketball. The instructions on the applications should be self-explanatory, and are available by calling (719)632-7687.

CONGRATULATIONS TO JIM WATKINS, LOUISVILLE

Jim Watkins, former Athletic Director at Southern High School and currently serving as the Interim Coordinator of Athletics in Jefferson County, was honored recently by being named as the recipient of the National Federation Interscholastic Coaches Association Coach Contributor Distinguished Service Award for the Federation Section II. Watkins will be honored at a banquet during the NFICA Conference in Little Rock, Arkansas in July. The K.H.S.A.A. knows first hand of Mr. Watkins skills and abilities in helping the youth and the coaches in this state, and commend him on this award.

FOOTBALL CORRESPONDING DATES

Due to the passage of a referendum to shorten the season, the re-negotiation of many contracts due to the 1991 realignment, and the expansion of the playoffs to four teams beginning in 1991, many schools are confused about the possible playing dates for football games. Below is listed the updated corresponding date chart as it will appear in the 1990-91 Handbook.

Also, by virtue of Delegate Assembly action in 1990, no games may be scheduled or played at any level following the Saturday of the week preceding the First Round of the playoffs.

	1990	**1991**	**1992**	**1993**	**1994**	**1995**

** Due to passage of a referendum which shortened the football season to ten weeks, there are no regular season playing dates which correspond to August 17 or November 2, 1990. The November 2 date will be lost due to the expansion of the playoffs to include the top four teams in each district. It is important to remember that beginning in 1991, there will be only ten (10) weeks in which to play the legal limit of ten (10) games.

SPORTS MEDICINE SYMPOSIUMS

The primary schedule has been announced for the Medical Symposiums which are a bi-annual requirement for Head coaches in all sports. According to the Kentucky Medical Association, the Symposium will be required by the State Board of Education for cheerleading sponsors beginning in 1991, therefore many sponsors may wish to go ahead and satisfy the requirement this year. For ALL other Head Coaches, if you did not attend a Symposium in 1989, you will be required to attend in 1990. In accordance with By-Law 27, you must attend at least once every two years or face sanctions as outlined in the By-Law. The following dates and sites have been sanctioned --

CHANGE IN ACT SCORING SHOULD BE NOTED BY COUNSELORS

From the NCAA, this is intended to serve as an addendum to the Guide to College Freshman Eligibility Requirements for Division I and II Institutions. One component of these initial eligibility requirements is the requirement that a prospect must achieve a minimum score on the ACT or SAT. Please note that because the ACT has developed a new format and score scale for the teat, the minimum required score (for purposes of initial eligibility) for ACT tests administered subsequent to October 1, 1989 is 18 rather than 15. This is because, according to concordance tables published and distributed by the ACT agency, the concordant value of the previously required composite score of 15 is 18. Please note that this does not represent an increase in the required ACT score, but only recognizes the fact that a score of 18 on the new test is equivalent to a score of 15 on the previous test.

AMY DODRILL SELECTED DREAMER AND DOER

Amy Dodrill of Prospect was named Kentucky's Dreamer and Doer following a meeting of the State Selection Committee in Lexington on May 10. Chris Manus of Williamsburg was named runner-up. Walt Disney World National Dreamers and Doers is a student recognition program co-sponsored by the National Federation of State High School Associations and administered in Kentucky by the K.H.S.A.A.

Students are honored for their participation in interscholastic activity programs and demonstration of the 4 C's, curiosity, confidence, courage and constancy, which are the cornerstones of the program.

All of the State Dreamer and Doer winners will attend an expense paid, multi day educational event and award ceremony, August 15-18, at Walt Disney World Resort in Orlando.

SUMMER OFFICIATING CAMP/CLINICS TO BE HELD IN FOOTBALL

Three camps/clinics have been scheduled at this time in football. As part of the new Sectional Director Program, these clinics will be phased in over the next few years, and will eventually be a requirement in some form in order to officiate varsity contests. Those of you who are accessible to these areas and are serious about improving as officals should strongly consider attending.

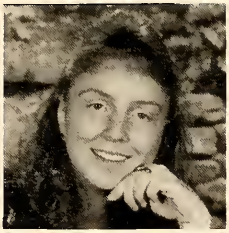
J.B. MANSFIELD AWARD



Stacey Spake, Elkhorn City

The J.B. Mansfield Award for 1990 was won by Miss Stacey Spake of Elkhorn City. Miss Spake has been involved in a myriad of school activities and clubs within the school and community, as well as maintaining a near perfect scholastic average. As a senior, she was an invaluable part of her team's charge through the District and Regional Tournaments, and led the Cinderella Lady Cougars into the Semi-Final round of the 1990 Girls State Basketball Tournament before their heart stopping loss at the hands of Louisville Southern.

The J.B. Mansfield Award is given annually by the Louisville Courier-Journal in memory of Mr. Joe Billy Mansfield, long-time Kentucky High School Athletic Association employee who served as an Assistant Commissioner from 1949 to 1972, and as Commissioner from 1972 until his ill health forced him to leave the Association in December of 1975. A committee of school personnel from throughout the state selects the winner from the participant in the Girls' State Tournament who excels in four areas: basketball ability, sportsmanship, academic accomplishments, and citizenship.

Winners of the award have been --
1975 - Donna Murphy, Newport
1976 - Sue Dickman, Covington Holy Cross
1977 - Debbie Johnson, Tates Creek
1978 - Irene Moore, Breathitt County

K.H.S.A.A. SWEET SIXTEEN ACADEMIC SCHOLARSHIP AWARD

Instituted in 1985, the Kentucky High School Athletic Association Sweet Sixteen Academic Scholarship Awards are designed to honor one or more participant(s) in the Boys' and Girls' State Tournaments who have excelled in the classroom and on the basketball floor. The awards are in the form of financial assistance to be used at the Kentucky college or university of the recipient's choice to help offset educational expenses. For 1990, the Dawahares stores provided the funds for a $1000 scholarship to a participant in the boys and a participant in the girls state tournament, and two additional scholarships were provided for participants in the girls' tournament by the Bowling Green Sweet Sixteen Organizing Committee through the Citizens Bank of Bowling Green.

For the 1990 Girls' tournament, three winners were selected, all of whom had excellent academic qualifications and extra-curricular involvements. The awards presented by the Citizens Bank went to Miss Shana Dean of Logan County, and Miss Beth Kincer of Fleming-Neon. The Dawahares winner was Miss Rachel Burdin of Ohio County. At the Boys' Tournament, Robbie Fulks of George Rogers Clark (Clark County) was recognized as the recipient. Like the winners at the Girls' Tournament, Fulks possesses excellent academic skills, and a quality record of out of class involvements.

Winners of the awards have been --
Boys' Tournament
1985 - Chip Nixon, Metcalfe County
1986 - Jeff Baldwin, Paintsville
- John Calvert, Hopkinsville
- Justin Hancock, Paducah Tilghman

Lisa Weissmueller, Henry Clay
1990 - Rachel Burdin, Ohio County
Shana Dean, Logan County
Beth Kincer, Fleming-Neon

TED SANFORD AWARD

Terry Gray, Clay County

For 1990, Terry Gray of Clay County was named the recipient of the Ted Sanford Award Terry was a standout performer for Bobby Keith's Tigers, and played in the state tournament during each year of his high school career. Though somewhat overshadowed by some of his former teammates, Gray was an integral part of Clay County's domination of the 13th Regional Tournament during recent seasons. An active participant in many school and community activities, Gray also excelled in the classroom.

The Ted Sanford Award is given annually by the Courier Journal in memory of Mr. Ted Sanford, the first Commissioner of the Kentucky High School Athletic Association who served as Secretary-Treasurer of the K.H.S.A.A. for ten years before becoming Commissioner, a position he held from 1947 until his retirement in 1972. A committee of school personnel from throughout the state selects the winner from the participant in the Boys State Tournament who excels in four areas: basketball ability, sportsmanship, academic accomplishments, and citizenship.

MOST VALUABLE PLAYER AWARD

Jermaine Brown, Fairdale

Inaugurated in 1981, the Lexington Herald-Leader annually presents the Most Valuable Player Awards to the participant in the Boys and Girls tournaments who is voted most valuable by a panel of media representatives and the participating coaches in the tournaments. Unofficial Most Valuable Player recognition had been given by various sources prior to 1981.

The Most Valuable Player for the 1990 Boys' Sweet Sixteen State Basketball Tournament was junior Jermaine Brown of Louisville Fairdale. Brown was a primary catalyst on Coach Stan Hardin's team, but was by no means the only cog in that finely tuned basketball machine known as the 1989-90 Bulldogs. His leadership was an important part of the Bulldogs' success story, and his performance on the floor was certainly worthy of the awards he has received. During the four games of the state tournament, Brown tallied 66 points, pulled down 32 rebounds, blocked 13 shots, had 11 steals and handed out 8 assists.

Winners of the award have been --

1973 - Rickey Witherspoon, Hickman County
1974 - Ronnie Watt, Warren East
1975 - Jerry Lee Britt, Warren East

NEWS RELEASE

WRESTLING RULE CHANGES ANNOUNCED FOR 1990-91 SEASON

High school wrestlers may be given permission to compete with hair longer than the shirt collar in back and earlobe level on the sides.

With approval of their state association, wrestlers with hair longer than the shirt collar and earlobes can compete, as long as the hair is contained in a cover. This changes takes effect with the 1990-91 high school wrestling season.

This change, as well as several others, was made by the National Federation Wrestling Rules Committee at its March 27-28 meeting in Kansas City.

The cover for the hair must either be a part of the headgear or worn under the headgear. It also must be of a solid material and non-abrasive.

"The hair rule was never intended to eliminate contestants from competition," said Fritz McGinness, associate director of the National Federation and editor of the high school wrestling rules. "However, it is necessary to have the hair off of the shoulders so as not to interfere with ordinary wrestling holds."

Rules 5-2-1 and 5-2-3 were changed and now state that takedown or reversal can be scored as long as the feet of the scoring contestant remain in bounds. McGinness said these changes were made to allow for increased activity at the edge of the mat.

A change in Rule 6-2-2 addresses a problem with one match immediately following another match in dual-meet competition. The rule now states that wrestlers must be ready to go onto the mat immediately when called by the referee.

Rule 7-3-1 now states that when an individual assumes an incorrect starting position or makes a false start, he now will be granted two cautions prior to his opponent receiving one point.

"Rule 7-3-1 was adjusted last year to allow for the referee to make a correction prior to giving a caution, but it was only for an incorrect starting position, McGinness said. "That correction now has been removed, and the rule allows for two cautions. It now allows two mistakes to occur prior to an individual being penalized when either a false start occurs or an individual assumes an incorrect starting position."

Overtime criteria in Rule 10-4-4 has been adjusted and now includes the addition of a technical violation for an illegal hold. No changes were made in the first six criteria. No. 7 will now address illegal holds, and No. 8 will address technical violations. The current criterion No. 7 becomes No. 11.

Almost 250,000 students compete in wrestling at more than 8,000 high schools in the United States. Following is a complete list of the major changes for 1990-91 approved by the National Federation Wrestling Rules Committee.

RULE 4-2-1: Exception permissible for the hair-length rule.
RULE 5-2-1: A takedown can be scored with the feet of the scoring contestant in bounds.
RULE 5-2-3: A reversal can be scored with the feet of the scoring contestant in bounds.
RULE 6-2-2: In dual meets, wrestlers must be ready to go onto the mat immediately when called by the referee.
RULE 6-4: Coach has authorization to default a match.
RULE 6-5-2: Delete rule which does not allow wrestler to shake hands with referee and opposing coach at conclusion of match.
RULE 7-3-1: When assuming an incorrect starting position or making a false start, two cautions will be allowed.
RULE 10-4-4: Adjustments made in overtime criteria by the addition of technical violations and illegal holds.

National Catastrophic Injury Consensus Group Makes Several Recommendations

KANSAS CITY, MO (May 11, 1990) — Efforts to reduce catastropic injuries in all high school sports must be increased through more education, communication and improved data collection, according to recommendations from 70 individuals who attended the National Catastrophic Injury Consensus Meeting held May 6-8 in Kansas City.

Representatives from 25 state high school associations, experts in sports medicine and research, sports equipment manufacturers and high school coaches and administrators met to discuss ways to further reduce catastrophic injuries which have stabilized over the last 20 years due to equipment improvement, rules changes and better coaching techniques.

Participants were invited by officials of the National Federation of State High School Associations, which sponsored the consensus meeting. The participants reached a consensus that there are inherent educational benefits from participating in interscholastic activities that transcend potential risks. These risks could include catastrophic and non-catastrophic injuries to high school athletes.

The group also agreed that a catastrophic injury is defined this way: All fatalities plus any injuries resulting in impairment which lead to a significant decrease in economic productivity, general quality of life and/or precludes the normal performance of activities of daily living. These include, but are not limited to, the spine/spinal cord and/or head injuries resulting in impairment of physical and/or mental functions.

With safety of the high school athlete the utmost concern, the group recommended:

- Development of a National Sports Medicine Resource Council to serve in an advisory capacity to the National Federation of State High School Associations.
- Review of current rules by each sports rule committee in relationship to the impact on player safety, as well as continue to emphasize to game officials the importance of enforcing the existing rules.
- Consideration by every high school of the feasibility and possibility of providing an athletic trainer on staff who is certified by the National Athletic Trainers Association.
- Requirement of sports medicine-oriented first-aid courses for all coaches.
- Improved and standardized physical examination forms as well as medical history forms for the high school athlete.
- Instruction for coaches on how to teach players approved safety techniques.
- Development of educational information on safety, such as videotapes, which would be distributed not only to coaches, but to players, game officials, parents and all youth sports leagues.
- A study to determine whether the long-term needs of the catastrophically injured athlete are being adequately met.
- An improved system of data collection, interpretation, distribution and utilization of statistics about catastrophic injuries through the cooperation of the network already in place that collects sports medicine and catastrophic injury research data.
- Establishment of an ongoing dialogue with the media and express concern about the glorification of aggressive and violent behavior in athletics.
